HESED TRUST
TRUSTEES REPORT
FOR THE YEAR ENDED 31 MARCH 2023

The Trustees present their annual report and the audited financial statements for the year ended 31st March 2023.

Objectives, activities and achievements of the Trust

The objectives of the Charity are:

- The advancement of the Christian faith
- The relief of persons who are in conditions of need, hardship or distress or who are aged or sick
- The provision of instruction in the Christian Faith at any educational establishment
- The provision of facilities for recreation for persons in need and for the benefit of the public at large with the object of improving the conditions of life for such persons

The Charity has continued to apply its income to the support of Christian Ministers in their work of promoting the Christian faith in the UK and overseas, and in particular to assist with travel costs.

The Charity has also supported Christian Charities in the relief of the poor both in the UK and overseas, and provides financial support for students undertaking bible college training. The Charity also continued to provide relief for those in need.

Whilst the Trust does not set any specific performance objectives on an annual basis as to where it wishes to use its resources, it continues to try and ensure that income received is used in a timely manner and that it responds to specific needs and requests for support. The key objective is to support ministers in the UK and also to provide support for overseas travel to enable them to reach people with the Gospel and to provide practical aid. Areas of specific work are in Africa, Asia, and South America. In addition the Trust wishes to support students to enable them to attend Bible College. The Trust works closely with Churches in the UK and also Ministries without Borders and partners with them on specific projects.

Management and governance

The Trustees who served during the year were:

G Rawlings
J C P Smith
A S Smith

The Trustees are responsible for the appointment and training of any new trustee, including awareness of trustee's responsibilities, the trust deed, charitable objectives and procedures.

The Trustees have conducted a review to identify the major risks to which the charity is exposed and systems have been established to mitigate those risks. The risk policy is reviewed annually by the Trustees and updated whenever necessary.

Trustee meetings are held infrequently but regular contact is maintained to determine the distribution of funds.

Public Benefit

In planning our activities for the year we kept in mind the Charity Commission's guidance on public benefit at our trustee meetings. As demonstrated in our principle objectives we provide benefit through providing facilities for recreation for persons in need and for the benefit of the public at large with the object of improving the conditions of life for such persons and to advance the Christian faith.

Financial review and reserves

Full details of the financial transactions are contained in the attached accounts. The incoming resources for the year were £92,379 (2022: £125,035), and after deducting resources expended of £100,104 (2022: £123,878), the net deficit was £7,725 (2022: surplus £1,157). The net assets of the Charity at 31 March 2023 amounted to £25,650 (2022: £33,375).

There are a variety of reasons as to why the charity requires reserves.

A number of initiatives that the trust will be involved in may require substantial funds e.g. establishing medical, educational or other humanitarian projects.

1. Projects will not be easily anticipated but in expectation that we will be involved in such initiatives, we will maintain access to funds through holding reserves.
2. In the event of facilities being purchased in the UK or abroad we want to be able to minimise debt and so will be in a situation where we will build up reserve levels prior to acquisition.
3. Publishing and media initiatives, as well as the support of personnel to further the work of the trust will require the availability of funds.

Levels of reserves

These may vary depending on the level of income and also the anticipated projects and initiatives that we will support as a trust. Although this is early in the life span of the trust we will plan initiatives according to income and always leave a contingency amount in reserves for the unexpected.

Maintaining reserves

It is anticipated that once levels of income are established, that a monthly amount will be set aside to maintain the basic level of reserves deemed necessary by the trustees.

Monitoring and review

Through the administrator and treasurer, funds will be monitored and should there ever be an excessive amount of money being held it will be brought to the attention of the other trustees who will decide on any use of the available funds.

Future plans

The Trustees intend to continue their support of Christian Ministers, Charities and the poor in both the UK and overseas as long as the Charity's funds allow.

Trustees' responsibilities

The charity trustees are responsible for preparing the Report of the trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINERS REPORT TO THE TRUSTEES OF
HESED TRUST
FOR THE YEAR ENDED 31 MARCH 2023**

Independent Examiner's Report to the Trustees of Hased Trust

I report on the accounts of the charity for the year ended 31 March 2023 which are set out on pages 5 to 10.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Financial reporting standard 102- reduced disclosure exemption

- the requirements of Section 7 Statement of Cash Flows.
