OBJECTIVES AND ACTIVITIES

Public benefit

The charity believes education and training open up opportunities for individual self development that enables people to take more control over their lives. It sees itself as an important innovator in the process and will provide the necessary skill base, friendly/family environment and professional approach that enable learners to feel comfortable in this environment so they can maximise their potential. It also, as a community owned organisation, makes itself accountable to all local residents. Our vision is of a local community in which all people are encouraged to become active lifelong learners and no one is deterred from benefiting from the courses which are on offer, for any reason.

Our area of benefit is the Manor Castle Ward of Sheffield and Sheffield as a whole, which is an area of over half a million people. Each year we publicise what is on offer widely.

Although we charge for some courses, people on JSA and ESA (WRAG) still receive free training, and under the Freedom and Flexibilities government agenda, providers can use their discretion on charging fees for learners in receipt of other benefits dependent on whether they are seeking employment. Fee paying learners can be referred, where appropriate, to local learner funds, which can be accessed. These are available for people who live or work in the area, and also for young people.

The building where delivery of courses takes place has disabled access giving access to all.

Courses are held mainly in school term time but we can meet learner demand and deliver to learners at other times.

Accredited courses all lead to nationally recognised qualifications to help people gain the skills to access further education or employment. All non-accredited courses have progression routes. The company has a robust equal opportunities policy, which is regularly reviewed.

The trustees confirm that they have complied with the requirements of section 4 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Use of volunteers

The charity has volunteers that help out by assisting in classroom and in admin/reception, the community café, charity shop and parent & toddler group. The charity pay for a small amount of the volunteers' expenses.

FINANCIAL REVIEW

Reserves policy

The Board of Directors have reviewed the charity's needs for reserves in line with guidance issued by the Charity Commission, in light of the main risks to the organisation. The charity has unrestricted free reserves of £435,172 (2021 - £396,309). This approximately covers more than 14 months running costs, as the budgeted expenditure for 2022 - 2023 is £178,662. The reserves are needed to meet at least 12 months working capital requirements of the charity. The Board of Directors are confident that the current level of reserves will allow the charity to sustain its current activities.

FUTURE PLANS

The charity will continue to review and explore additional provision according to the needs and demands of learners, employers and government agendas. The charity will continue to identify and tender for relevant funding opportunities.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The organisation is a charitable company limited by guarantee, incorporated on 31 August 1987 and registered as a charity on 3 October 1990. The company was established under a Memorandum of Association, which states the objects and powers of the company and is governed under its Articles of Association. In event of the company being wound up, members are required to contribute an amount not exceeding £1. The members of the company are the enrolled body of learners and users who are residents in the Sheffield Ward district of Manor.

Recruitment and appointment of new trustees

The directors of the company are also charity trustees for the purposes of charity law and under the articles are known as members of the Management Committee.

The maximum number of Management Committee members allowed by the Articles is 20. Members are recruited from local partnership organisations, learners and those with appropriate skills in business management and education, which enhances the pool of trustees. Learners are also represented on the Board.

Each year at the AGM, all trustees stand down and a new Committee is elected by the members present. There is no limit on the number of times a trustee can be re-elected.

New members can also be co-opted at ordinary management committee meetings.

Organisational structure

The Board of Directors meet bi-monthly, and are responsible for the strategic direction and policy of the charity.

Sub-groups meet and discuss the following: Quality, Policies, Personnel, Finance, Fundraising and Business Enterprise. The groups meet regularly and report their discussions and recommendations to the main Board meetings.

Day-to-day responsibility for provision of services rests with the Centre manager. The rest of the staff consists of support workers, domestics and tutors.

The centre manager is responsible for ensuring that the charity delivers the services specified and that key performance indicators and outputs are met.

The Board of Directors monitors the strategic direction of the adult learning and training through regular performance updates from the Centre manager and statistical data, and sets future targets.

A self assessment report is produced annually.

We have an on-going sub-contract with Sheffield College who draw down funding from the Skills Funding Agency.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure the appropriate controls are in place to provide reasonable assurance against fraud and error.

The trustees regularly review the major risks to which the charity is exposed and systems are in place to mitigate those risks. There is a strategic plan to address risk and allowing for diversification of funding and activities. Internal risks are controlled and minimised by the implementation of procedures for authorisation and checking of all transactions and projects, including a monthly internal audit of financial activity. Procedures are in place to ensure compliance with health and safety of staff, volunteers, learners and visitors to the centre(s).

The charity has Matrix standard and a robust quality improvement system. All policies are reviewed annually to ensure they continue to meet the needs of the charity.

The charity is inspected by Ofsted as a sub-contracting organisation of Sheffield College.

Financial risk

The charity's activities expose it to a number of financial risks including credit risk and liquidity risk. The use of financial derivatives is governed by the charity's policies approved by the board of trustees, which provide written principles on the use of financial derivatives to manage these risks. The charity does not use derivative financial instruments for speculative purposes.

Credit risk

The charity's principal financial assets are bank balances, cash and other receivables.

The credit risk on liquid funds and derivative financial instruments is limited because the counterparties are bank with high credit-ratings assigned by international credit-rating agencies.

The charity has no significant credit risk.

Liquidity risk
