As set out in the Trust Deed, the charitable objectives of The Diamond Trust, which all serve to promote public benefit are as follows:

- The annual income of the Trust Fund shall be paid or applied by the Trustees for such charitable purpose or charitable purposes as The Trustees shall from time to time in their absolute discretion think fit.

The Trust continues to work to these key objectives:

1. To sensitively identify needs in line with its mandate
2. Encourage networking opportunities to benefit the Trust.

The Trustees have paid due regard to guidance issued by The Charity Commission in deciding what activities the Trust should undertake.

Financial Review

2021 saw a small increase in funds over the £25,000 threshold for reporting. This was due to a one of designated gift from one of the Trustees.

The Trust has no formal reserves policy in place.

Plans for the future

The Trust is not expecting an increase in funds during the next financial year. As far as funds allow, we will continue to support those with whom we already have a relationship.

Statement of Trustees' responsibilities

The Trustees, who are also the Directors of The Diamond trust for the purpose of company law, are responsible for preparing the Trustees' Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the Trust and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these accounts, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently
- Observe the methods and principles in the Charities SORO
- Make judgments and estimates that are reasonable and prudent
- Prepare the accounts on an ongoing concern basis unless it is inappropriate to presume that the trust will continue in operation.

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Trust and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Trust and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

On behalf of the board of Trustees

V P Watson
