

INDEPENDENT EXAMINERS' REPORT TO THE TRUSTEES OF ESSEX DISABLED SPORTS FOUNDATION

I report on the accounts of the Foundation for the year ended 31st October 2022 which are set out on pages 5 to 9.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Charities Act;
- to follow the procedures laid down in the general direction given by the Charity Commission under section 145(5)(b) of the 2011 Charities Act;
- To state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Charities Act and
- to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Charities Act

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached

Report of the trustees for the year ended 31st October 2022

The trustees present their annual report and financial statements of the charity for the year ended 31st October 2022. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and the Statement of Recommended Practice: Accounting and Reporting by Charities published in 2005.

Structure, governance and management

The Foundation is a registered charity, number 1001176, and is constituted under a trust deed dated 3rd October 1990.

Risk Management.

The trustees have considered the major risks to which the charity is exposed and have reviewed those risks and established systems and procedures to manage those risks.

Internal risks are minimised by all cheque expenditure being authorised by two trustees. Sums are not committed on charitable expenditure unless the trustees have good reason to expect income flows to cover the charitable expenditure. Liability risks at events held by the charity are covered by relevant insurance policies being taken out. Funds are held at NatWest Bank in a current account or no notice deposit account.

ESSEX DISABLED SPORTS FOUNDATION - YEAR ENDED 31st OCTOBER 2022

Objectives and activities for the public benefit

The charity is established to provide sporting activities and opportunities for children and young adults with special needs in Essex and surrounding counties. The trustees are aided by many volunteers, to whom the trustees wish to extend their thanks. The charity works closely with many local schools and organisations that deal with children and young adults with special needs. The charity carries out its objectives by organising sports experience days, a children's sporting lunch and by making donations direct to organisations and individuals.

Activities and review of the year

The charity provided Sports Experience Days and a Sporting Awards Lunch to hundreds of children with special and educational needs during the year. The charity also makes donations direct to individuals and organisations.

Future Developments

The charity plans to continue activities as mentioned above in future years.

Financial review

The Foundation's work is reliant on fundraising and donations.

The charity has a 100% shareholding in a trading subsidiary, The Presidents Sporting Club Limited. The charity's shareholding is two ordinary shares of £1 each. The trading subsidiary covenants its profits to the charity every year, the covenanted donation for the year ended 31st October 2022 being £40,791. The trustees are satisfied with the performance of the trading subsidiary. A summary of the subsidiary's trading performance is detailed in the notes to the accounts.

Income is recognised in the Foundation's accounts when received, excepting that provision is made in the accounts for the covenanted donation to be received from the trading subsidiary.

Reserves policy

The attached financial statements show the current state of the finances which the trustees consider to be sound. The trustees consider it prudent to retain reserves they would consider to be reasonable in order to fund future charitable activity. Reserves are held on no-notice deposit at NatWest Bank, Harlow. Fundraising activities may possibly fall in the future, so having reasonable reserves now will enable charitable expenditure to remain at present levels for some time. All reserves are unrestricted funds and are utilised as and when the trustees deem reasonable to do so.

ESSEX DISABLED SPORTS FOUNDATION - YEAR ENDED 31st OCTOBER 2022

Trustees' responsibilities in relation to the financial statements

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (UK generally accepted accounting practice). The law applicable to charities in England and Wales requires trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

Select suitable accounting policies and then apply them consistently;

Observe the methods and principles of the Charities SORP;

Make judgements and estimates that are reasonable and prudent;

State whether applicable accounting standards have been followed, subject to any departures disclosed and explained in the financial statements; and

Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in its operations.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and enable them to ascertain to ensure the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website.

Basis of preparation

These financial statements have been prepared under the historical cost convention. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (SORP 2005) issued in March 2005 and applicable UK Accounting Standards and the Charities Act 2011.

2. RESOURCES EXPENDED

All expenses are identified as being for the management and administration of the charity unless they are marathon expenses (included in fund raising costs) or donations, children's sporting lunch or sports experience days (included in charitable expenditure).

The charity is the 100% Shareholder (two ordinary shares of £1 each) in The Presidents Sporting Club Limited, the trading subsidiary of the charity. Unaudited accounts of the Presidents Sporting Club Limited for the year to 31st October 2022 have been filed at Companies House. The trustees are not aware of any note or

reservation contained in the accounts to call attention to a matter which, apart from the note or reservation, would properly have been referred to in a qualification in any audit or other statutory report on the accounts.
