(Company Number: 02476916)

### **REPORT OF THE TRUSTEES**

FOR THE YEAR ENDED 31 MARCH 2022

## **STRUCTURE, GOVERNANCE AND MANAGEMENT**

### **Constitution**

The Charity is an organisation registered as a charitable company, limited by guarantee, and was set up by a Memorandum of Association.

The Charity is constituted under a Memorandum of Association and is a registered charity, number 1001907.

### **Method of appointment or election of Trustees**

New trustees are appointed onto the board once the skills and experience that they will bring is deemed appropriate by the existing Trustees, and are given adequate information to enable them to familiarise themselves with the affairs of the Charity.

### **Risk management**

The Trustees have assessed the major risks to which the Charity is exposed, in particular those related to the operations and finances of the Charity, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

### **Financial Responsibility**

The Trustees have overall responsibility for ensuring that the Charity has an appropriate system of controls, financial and otherwise. They are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the detection and prevention of fraud and other irregularities.

### **Going Concern & Continuing Covid-19 Impact**

The impact of the Covid-19 pandemic is still very much being felt by the organisation and during 2021-22 Volunteer Centre Camden operated virtually as the organisations and people we support did not want to meet face-to-face.

Following appropriate evaluation, the trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

### **Review of the year**

Incoming resources fell from £167,025 in 2021 to £129,000 in the current year. Costs also fell from £163,403 in 2021 to £159,646 in the current year. The net decrease in funds was £30,646 which related to a decrease in unrestricted funds.

#### **VCC Volunteers**

Involvement of volunteers at the organisation makes a significant financial contribution. Our volunteer team includes individuals that provide administrative support; team members that offer their professional skills, such as finance and statistical analysis; and skilled matchmakers who help pair eager potential volunteers to vacant roles, and ensure that our database of volunteering opportunities remains up to date.

#### **ACHIEVEMENTS AND PERFORMANCE**

##### **Covid-19 Response Volunteers & Vaccination Volunteers**

During the second year of the pandemic Volunteer Centre Camden played a key role in mobilising support needed for those affected by Covid-19 and, in particular, vaccination volunteers. This included:

- Promoting and supporting Camden residents to register for Camden's dedicated Covid-19 volunteer response platform.
- Worked in collaboration with voluntary sector organisations and Camden Council to help set up, co-ordinate and adapt support for those affected by Covid-19
- Lead for NHS volunteering across North Central London for national volunteer responders' scheme and vaccination volunteers.
- In collaboration with London Plus and Time to Spare helped set up a London-wide vaccination volunteer request portal for NHS organisations.

##### **NHS NCL Volunteering PLUS**

VCC set up and led a partnership of volunteering infrastructure specialists across the 5 North Central London boroughs to help the NHS, through lead organisation North London Partners in Health & Care (NLP), to strategically develop health volunteering to meet its priorities.

Our partners in the NCL Volunteering PLUS programme are Community Barnet, Voluntary Action Islington, Bridge Renewal Trust and Enfield Voluntary Action. Together we set up a NCL Volunteering Network of stakeholders from NHS organisations, voluntary and community sector organisations, Lay members and volunteers.

The original objectives of the programme were altered to meet the needs of the pandemic that started just as the programme was about to begin. Working in partnership with NLP we changed the focus to address emergency needs and information around topics such as the NHS Volunteer Responders Scheme and Vaccination Volunteer requirements.

Our role expanded to lead on the evaluation of the NHS Volunteer Responders service in North Central London through additional funding via NHS England.

During the 2021-22 financial period we successfully obtained further funding through City Bridge Trust's Cornerstone Fund which is to be extended for a further three years starting in 2022-23.

#### **Volunteer Fairs**

Due to the pandemic, we continued to offer our highly successful volunteer fairs online. Still working in close partnership with Voluntary Action Islington, we were able to closely replicate real life using the Rooms facility of Zoom which meant that potential volunteer attendees could pop in and out of the virtual rooms of community organisations in the same way they could visit different stalls in real life. These proved popular with both volunteer involving organisations and local residents who were able to connect and begin volunteering roles.

#### **Mutual Aid Plus**

Working in partnership with our sister organisation, Hammersmith & Fulham Volunteer Centre, we co-delivered this short London-wide programme, funded by the Greater London Authority (GLA), to support Mutual Aid Groups, and similar hyper-local volunteering groups. The programme successfully engaged these groups to identify their needs and delivered workshops and peer support.

#### **Marketing Volunteer Roles**

Using our dedicated online volunteer brokerage system, Simply Connect, we help volunteers and volunteer involving organisations match together for more efficiently and effectively. This platform has a useful 'reverse brokerage' function, enabling Camden VCS organisations to be pro-active and search the system for suitable volunteers rather than just waiting for potential volunteers to contact them. Our website has helped more volunteers find more opportunities, and our utilisation of social media to promote volunteering opportunities has grown significantly.

In addition, we promoted volunteering roles and initiatives through our highly-effective social media channels. Twitter proved particularly effective where Volunteer Centre Camden has the highest number of followers and engagement of all Volunteer Centres in London.

#### **Volunteer Management Best Practice 'Best Practice Plus'**

We continued to offer our chargeable volunteer management best practice service called 'Best Practice Plus' which offers a range of activities to support VCS organisations to better involve volunteers. These activities include:

- Volunteer Manager Forums
- Volunteer Management Best Practice Workshops
- Volunteer Manager Café sessions
- Bespoke consultancy
- Best Practice Health Check Service

#### **Employer Supported Volunteering – Team UP**

Our self-sustaining Team UP service working with businesses and corporates continued to be dormant during this financial year due to the pandemic. Our Corporate Engagement Manager was furloughed through utilising the Coronavirus Job Retention Scheme, but at the beginning of 2022 we began, as the pandemic entered its end phase, to find community projects which has enabled this service to have a successful year in 2022-23.

#### **Partnership working and collaboration**

VCC is committed to working in partnership and collaboration with organisations and companies for the benefit of Camden residents.

VCC continues to be an active collaborator in the Camden Infrastructure Alliance (CIA) which sees it work close with Voluntary Action Camden and the C4 Camden Community Centre Consortium to provide infrastructure support to the voluntary and community sector in Camden.

VCC works closely with its 'sister' organisation, Hammersmith and Fulham Volunteer Centre to deliver successful projects and with a shared CEO and Finance Manager as well as collaboration on volunteer infrastructure and employer supported volunteering.

We regularly deliver Volunteer Fairs in partnership with Voluntary Action Islington.

We work in collaborative partnership with Camden Council to strategically develop volunteering across the borough.

#### **Acknowledgements**

Volunteer Centre Camden would not exist without the support of a lot of people and organisations.

Thank you to all volunteers who have helped us, we could not do what we do without you. This includes the very dedicated Board of Trustees who work closely with VCC staff and volunteers.

We like to offer special thanks to Camden Council, in particular the Community Partnership Team, who not only continue to fund the work we do, but that we have a very positive working relationship with.

#### **Reserves Policy**

The Trustees have tried to maintain a policy whereby the unrestricted funds not committed (the "free reserves") held by the company should be approximately 25% of the annual costs, which equates to approximately £39,900. The level of free reserves at 31st March 2022 was £27,355.

#### **Volunteer Centre Camden Strategic Goals/Objectives**

- (a) Raise awareness of who and what we are amongst more people and organisations across the borough who are involved in volunteering.
- (b) Understanding what is needed to increase quantity and quality of volunteering.

### REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31 MARCH 2022

.../Cont'd

#### Trustees' responsibilities statement

The trustees (who are also directors of Camden Volunteer Bureau for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

**INDEPENDENT EXAMINER'S REPORT TO THE MEMBERS OF:  
CAMDEN VOLUNTEER BUREAU**

Registered Charity No. 1001907  
(Company Number: 02476916)

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 March 2022 which are set out on pages 10 to 17.

**Responsibilities and basis of report**

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## CAMDEN VOLUNTEER BUREAU

### NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2022

#### 1. COMPANY STATUS

Camden Volunteer Bureau is a registered Charity (No: 1001907) and a private Company (No: 02476916) limited by guarantee, registered in England and Wales. In the event of the company being wound up, the liability in respect of the guarantee is limited to £10 per member.

The registered office is given in the Reference and Administrative Details on page 1.

#### 2. ACCOUNTING POLICIES

##### **Basis of preparation**

The charity constitutes a public benefit entity as defined by FRS 102.

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Accounting Practice.

The financial statements have been prepared on the going concern basis and under the historical cost convention. The financial statements are represented in sterling which is the functional currency of the charity and rounded to the nearest pound. The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

##### **Income recognition**

Items of income are recognised in the financial statements when all of the following criteria are met:

- The charity has entitlement to the funds;
- any performance conditions have been met or are fully within the control of the charity;
- there is sufficient certainty that receipt of the income is considered probable; and
- the amount can be measured reliably.

##### **Expenditure recognition**

Expenditure is recognised once there is a legal or constructive obligation to make payment to a third party, it is probable that settlement will be required and the amount can be measured reliably.

Expenditure on charitable activities includes direct costs undertaken to further the purposes of the charity and associated support costs.

##### **Fund accounting**

Unrestricted general funds are those funds which are freely available for use in furtherance of the objects of the charity and which have not been designated for specific purposes.

Restricted funds are funds which can only be used in accordance with specific restrictions imposed by the donor or which have been raised for a particular purpose.

##### **Pensions**

The charity operates a defined contribution pension scheme. Contributions payable under the scheme are charged to the Statement of Financial Activities in the year to which they relate.

The charity also has ongoing historic obligations under a multi-employer pension scheme which is a defined benefit scheme. It is not possible for the charity to obtain sufficient information to enable it to account for the scheme as a defined benefit scheme and it therefore accounts for the scheme as a defined contribution scheme.

##### **Operating leases**

Operating lease rentals are recognised in the Statement of Financial Activities on a straight line basis over the term of the lease.

##### **Debtors and creditors**

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairments are recognised in expenditure.

#### 12. PENSION LIABILITY

Camden Volunteer Bureau participates in the 'Small Admitted Bodies' pool within the London Borough of Camden Pension Fund, which is a multi-employer defined benefit scheme.

Camden Volunteer Bureau is one of nine employers that are part of the 'Small Admitted Bodies' pool within the scheme and is unable to identify its share of the underlying assets and liabilities in the scheme without an individual actuarial report, the expense of which the Trustees consider not to be worth its benefit.
