Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Trust Deed - dated 9 th January 1991 as amended by Supplemental Deed dated 6 th October 2010.
How the charity is constituted (eg. trust, association, company)	Trust
Trustee selection methods (eg. appointed by, elected by)	New trustees are appointed by the full committee of existing trustees, after instigating appropriate background checks and references, and being satisfied that any candidate will contribute to the successful management and charitable objectives of the trust. As the trust was set up in memory of Eric Twiname, renowned dinghy sailor, journalist and author, due regard is placed on a candidate's empathy with the trust's aims to perpetuate Eric's diverse sailing interests, principally those that arose out of his teaching and coaching of young dinghy sailors.

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

All trustees give their time voluntarily and receive no remuneration or expenses. The day-to-day management of the trust is vested in the secretary whilst all decisions involving funding and grants are made on a majority voting basis.

The trustees can confirm that any major risks identified as being those to which the charity might be exposed have been and are continually reviewed, with procedures in place to manage them. The trustees can also confirm that there have been no serious incidents during 2022 that should have been drawn to the Charity Commission's attention.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To organise, provide or assist in the organisation and provision of facilities which will enable and encourage pupils of schools and universities in the United Kingdom to sail or yacht race or to participate in any activity associated solely with yachting thereby to assist in ensuring that due attention is given to the physical education and development of such pupils as well as to the development and occupation of their minds.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Major activities include the funding of the purchase of training dinghies and equipment for sailing clubs and associations. Particular regard is paid to those organisations that are unable to raise all the necessary funds for such equipment and notably to assist disadvantaged youngsters to access and benefit from the sport of sailing. Emphasis is placed on the 'grass roots' end of the sport and the need to provide encouragement to clubs to help youngsters on to the water.

The trust also provides financial support for the cost of two premier national annual sailing championship events. (see Section D below).

Declaration: The trustees can confirm that in their support for the amateur sport of youth sailing they have complied with their duty to have due regard to the Commission's guidance on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The trust's policy on grant making is firstly to ensure that with any application it will be pupils in full-time education that will benefit. Secondly the aim is always to put such grants to optimum effect by maximising funding across as many worthy recipients as possible, whilst always ensuring that it provides a long lasting benefit. As such the trust does not provide grants to individuals - only to bone-fide sailing organisations.

Where applicants cannot satisfy trust criteria for a grant, as far as possible an explanation is given in response and advice offered as to what alternatives (including approaching other relevant charities) there are to help them pursue their aims and raise the necessary funds.

Section D

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

General - Dinghies for Club Training – during 2022 the trust has made partial or full grants to some 9 clubs, to assist with the purchase of a total of 23 new dinghies and 12 suits of sails.

Within this total is a completed 12th successive RS Tera scheme whereby the trust subsidises each dinghy (total of 25 boats per project), whilst the manufacturer also heavily discounts its normal retail price. Aimed at the 'grass roots' end of the sport, notably to clubs that encourage local community participation and support for disadvantaged children, this initiative has helped a large number of youngsters on to the water with the establishment of Junior fleets and Junior race training programmes. A 13th scheme has also commenced (again with a total of 25 boats).

RYA Eric Twiname Championships – the trust contributes significantly to the cost of this premier national multi-class annual event. It usually attracts up to 300 junior competitors aged between 8 and 15, representing the nine RYA regions and competing in four dinghy/ four windsurfer classes. In 2022 this event was held again successfully at Rutland Sailing Club where it saw a record number of 357 entrants.

RYA Eric Twiname National Youth & Junior Team Racing Championships – the trust contributes significantly towards the cost of this annual event which is run over a weekend in October and usually attracts up to 275 sailors competing in up to 55 teams entered by clubs, class associations and schools. In 2022 this event was held although the plan to allow an increase in the number of Junior competitors had to be curbed due to the low water level at Farmoor Reservoir, notwithstanding still resulting in 28 Youth and 29 Junior teams achieving an extraordinary number of races - 407 Youth and 438 Junior.

Section E

Financial review

Brief statement of the charity's policy on reserves

The trust's reserves policy is to retain a sensible level of capital for future funding. This is primarily aimed at maintaining the regular financial support the Trust gives to two annual sailing championships as well as a general level of grants awarded annually for the purchase of dinghies and equipment. Generally the aim is for up to 7 year's planned expenditure to be maintained. Additional revenue is derived from fundraising events and donations.

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The trust's income derived originally from the investment legacy of Eric Twiname's father but has since been bolstered by at least two other major legacies. Dividend and interest payments are relied upon for regular income, with sales of assets such as unit trusts instigated only as and when required. A financial sub-committee of three trustees looks after the trust's investments.

Section F Other optional information

Section G Declaration

The trustees declare that they have approved the trustees' report above.

Signed on behalf of the charity's trustees

ERIC TWINAME TRUST

Independent Examiner's Report to the Trustees of the Eric Twiname Trust

I report to the trustees on my examination of the accounts of the Eric Twiname Trust (the Trust) for the year ended 30 November 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
