THE MARGARET BROWN TRUST

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 5 APRIL 2022

The Trustees present their report and the financial statements of the charity for the year ended 5 April 2022. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and activities

The object of the Trust is to apply capital and income for charitable purposes as the Trustees see fit. Such purposes include:

1. The provision of guide dogs for the blind;
2. Cancer research;
3. The provision of kidney machines and allied equipment; and
4. The provision of specialist medical equipment for Huntly Hospital, Huntly.

Since the Trust makes individual significant donations, rather than funding long term projects, the Trustees consider that the return on investments is the only major risk to which the Charity is exposed. This risk is controlled by setting appropriate policies as referred to below.

Achievements and performance

Donations towards charitable causes in the local area during the year are shown in note 5.

During the year, the Trustees have considered applications for charitable donations and have approved projects which are in line with the Charity's objectives.

Donations made and agreed during the year amounted to £61,607 and included £34,200 donated to The Guide Dogs for the Blind Association.

A donation of £11,475 was made to an individual in respect of equipment which provides mobility support in their home, and £15,932 was donated to Lincolnshire Showground in respect of changing places equipment.

The Trustees have considered the Charity Commissions' guidance on public benefit and the main activities are in line with this guidance.

THE MARGARET BROWN TRUST

REPORT OF THE TRUSTEES (continued) FOR THE YEAR ENDED 5 APRIL 2022

Financial review including reserves policy

The Trustees aim to maintain the capital value of the Trust in real terms through capital growth from financial investments. Subject to retaining sufficient funds to cover administration costs, the Trustees aim to apply all the income received for charitable purposes.

The Charity is funded by investment income, primarily administered by Smith & Williamson Investment Management Limited (now known as Evelyn Partners following a business merger). These investments are made to achieve a balance between capital growth and income with low risk. The Trustees have the authority to make any investments they consider appropriate.

Reserves at the year end, in the sum of £2,137,107 (2021 - £2,114,670) are considered by the Trustees to be adequate to service the activities of the Trust.

Structure, governance and management (including reference and administrative details)

The Margaret Brown Trust was constituted by the Will of Miss M.S. Brown, declaration of trust dated 23 April 1991, and is a Registered Charity, no. 1002967.

Principal address: 3 Castlegate, Grantham, Lincolnshire, NG31 6SF
Trustees: Mr C V R Skelton, Mr N E Wade and Mrs M R B Wright

Independent Examiner's report to the Trustees of The Margaret Brown Trust

I report to the Charity's Trustees on my examination of the accounts of the Charity for the year ended 5 April 2022 which are set out on pages 5 to 9.

Responsibilities and basis of report

As the Charity's Trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent Examiner's statement

I have completed my examination.

I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 Accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- 2 the accounts do not accord with those records; or
- 3 the accounts do not comply with applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have identified no other matters in connection with the examination to which attention should be drawn in the report in order to enable a proper understanding of the accounts to be reached.

THE MARGARET BROWN TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5 APRIL 2022

1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) General information

The Margaret Brown Trust is a charitable trust registered in England and Wales. The Charity's registered number and principal address can be found on the Charity Commission website.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

The financial statements are presented in pounds sterling (£) which is the functional currency of the Charity.

b) Basis of preparing the financial statements

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements are prepared under the historical cost convention, modified to include certain items at fair value.

The financial statements are prepared on a going concern basis.

c) Income recognition

All incoming resources are included in the Statement of Financial Activities (SoFA) when the Charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

d) Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

- Raising funds includes investment management costs; and
- Charitable activities includes donations and support costs

Support costs are those costs incurred that assist the work of the charity and include governance and administrative costs.

e) Investments

Investments are recognised initially at cost, including transaction costs. Subsequently, they are measured at fair value with changes recognised in 'net gains / (losses) on investments' in the SoFA if the shares are publicly traded or their fair value can otherwise be measured reliably.

f) Debtors and creditors receivable/payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairments are recognised in expenditure.
