Summary of main activities of the charity in relation to its objects

The following is a summary of the main activities of the charity during the year:-

- 1) The Annual General Meeting will take place on Sunday 24th April 2022.
- 2) The Church normally has 3 Worship services every Sunday conducted in 3 different languages: English, Cantonese & Mandarin in order to meet the needs of different language groups. Various Bible study groups for people of different ages & backgrounds in weekdays were held, & overseen by the pastoral workers & Church leaders. - 3) Following the Wales Government Covid-19 rules in early August, Sunday Services has resumed physical Service from 16 August 2020, and the Service was broadcasted online at the same time. Number of people attending the physical Sunday Service was limited so the 2-metres distancing rule could be observed. Risk assessment has been carried out. Measures have been carried out to minimise exposure to and spread of the coronavirus, including: face covering, body temperature, lateral flow test taking before entry to the church, hand sanitizers, face masks, etc. were provided. Record of attendance has been done and kept for the 'test and trace' purpose.
- 4) 4 sisters were baptised this year on Christmas Day.
- 5) Easter conference 2021 was cancelled as hospitality services in Wales were suspended due to the Covid-19 restrictions.
- 6) Apart from the Sunday Services, the following meetings have also been held with either physical or online facilities:
 - 6.1 Both the Cantonese and Mandarin Chinese Schools and children Bible classes
 - 6.2 Youth and young teens groups.
 - 6.3 Christmas celebrations
- 7) Oversea students' fellowships have resumed physical meetings.
- 8) The Church co-operated and worked together with other organisations and Christian Churches such as the Chinese Overseas Christian Mission, UK Ambassadors for Christ, Overseas Missionary Fellowship, Swansea Chinese Christian Church, Newport Chinese Community Centre & other Chinese Christian Churches.
- 9) The Church has welcomed a number of people coming from Hong Kong through the BNO status scheme announced by the UK government from January 2021. Two BNO fellowships have been set up to help these people settling in Wales.

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Notes to the Financial Statements

Year ended 28 February 2022

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is 65 Llandaff Road, Cardiff, CF11 9NG.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis. The financial statements are prepared in sterling, which is the functional currency of the entity.

Since March 2020 the Covid-19 pandemic has seriously affected the UK generally. As a charity we have taken all necessary steps to combat the effects of the virus and to ensure that the charity is able to continue to operate.

Going concern

There are no material uncertainties about the charity's ability to continue as a going concern.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

The charity maintains a general unrestricted fund which represents funds which are expendable at the discretion of the trustees in furtherance of the objects of the charity. Such funds may be held in order to finance both working capital and capital investment.

Restricted funds have been provided to the charity for particular purposes, and it is the policy of the board of trustees to carefully monitor the application of those funds in accordance with the restrictions placed upon them.

There is no formal policy of transfers between funds.

Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

3. Accounting policies *(continued)*

Incoming resources *(continued)*

Government grants

To support businesses during the Covid-19 pandemic local and central Government have given businesses financial assistance through a variety of loans and grants. The total grant received in the year is shown as other operating income in the Statement of Financial Activities and relates to the grant received under the HMRC Job Retention Scheme.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.

- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Land & Buildings	-	2% straight line
Fixtures & Fittings	-	20% straight line
Computer Equipment	-	15% reducing balance

Cardiff Chinese Christian Church

Notes to the Financial Statements *(continued)*

Year ended 28 February 2022

3. Accounting policies *(continued)*

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided.
