

2020 Impact Report of In Christ in Schools

4500+

Digitally recorded and live assemblies are reaching more students than ever before

Bible Explorer

We teach on average 60 hours of Old and New Testament per term reaching hundreds of pupils

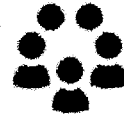

School Pastors

Brand new initiative in Mansfield with potential to support 3000 secondary students

Alternative Provision

We are developing a faith-based alternative provision The first ever in our area

Our Reach is Growing

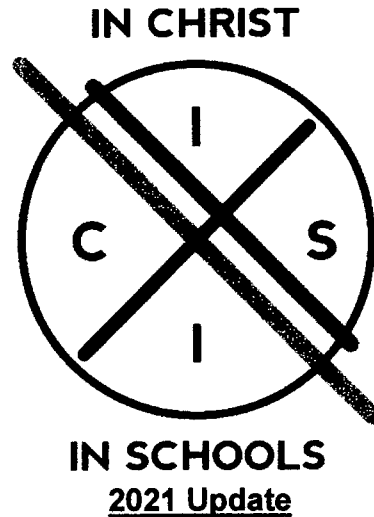

Despite a downturn in the economy God is furthering our ministry opportunities.

God has given us the vision to set up an Alternative Provision (AP) in Mansfield. This is a pioneer ministry supporting the education and life experience of children who need the most help in society. For the first time students would come to our AP centre and develop their mental, physical and spiritual health.

God is also leading us to be at the forefront of School Pastors. This is a brand new venture in Mansfield. Licensed by the Ascension Trust trained volunteers offer coordinated pastoral and spiritual support to secondary schools.

For more information, updates and to support us find us on FaceBook, contact kyrioschristos@hotmail.co.uk or call our Director 07976784621

We continue to reach average 3,000 students per term through our assemblies, Bible explorer lessons, lunch and after school clubs in 13 schools in the surrounding area. We creatively communicate the christian message and share the good news of the Gospel of Jesus Christ. Part of our mission is that we are helping to connect with Churches and bring their youth workers, leaders and members into our schools for clubs, lessons and events. God is expanding our reach and we are now working closely with secondary schools.

The Director is now the coordinator of Mansfield School Pastors and the work as Chaplaincy at Queen Elizabeth's Academy has grown over the past two years and he recently started a biblical languages clubs where students learn beginners Greek and Hebrew, and will learn Genesis 1:1 and John 1:1 off by heart and in the original languages. He also has a role with a multi academy trust helping to deliver a high quality RE curriculum. There are many opportunities in RE at the moment and God has opened doors to connect with academic forums, charities and delivered a presentation at the University of Nottingham on high quality RE.

Staff are running 'About Life and Faith' Club at Queen Elizabeth's Academy and continues to support with assemblies. All these activities blend pastoral care, biblical teaching and Gospel presentation as well as adding value to the school's offer to students.

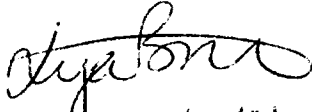

With all these open doors we do have a financial need which if left unattended will prevent us from continuing through the open doors. We have reduced our capacity to enable us to continue but at a reduced rate. We are looking for more churches to get behind our mission and for individual donors to partner in our mission.

Plans for 2022

We have approached secondary schools to offer bespoke mentoring and are planning to start an Alternative Provision which is a paid for service to support anxious year 7 students.

ICIS Financial Summary
