**FERDINAND BECK FUND
TRUSTEES' REPORT FOR THE YEAR ENDED 5 APRIL 2023**

The trustees present their report along with the financial statements of the charity for the year ended 5th April 2023. The financial statements have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

Objective and activities for the public benefit

The objectives of The Ferdinand Beck Fund ('the Fund') are the furtherance of Jewish individuals and organisations in education in secular subjects in the United Kingdom and elsewhere. The trustees confirm that they have referred to the Charity Commission's guidance on public benefit when reviewing the Fund's aims and objectives, in planning future activities, and setting the grant making policy for the year.

The Fund furthers its charitable purposes for the public benefit through its grant-making policy. The activities of the Fund are open to, and for the benefit of, the public, mainly Jewish individuals and organisations that are in positions of some disadvantage or need. The furtherance of the education of these individuals in their chosen fields benefits society as a whole, particularly in the fields of medicine and the musical arts. To a lesser extent, donations made by the Fund to Jewish humanitarian organisations benefit the public in the areas of health and welfare.

Structure, Governance and Management

The charity is constituted by Trust Deed. The day to day running of the Fund is carried out by the Treasurer, Mrs Muriel Beck. Decisions affecting the running of the Fund are taken at Board of Trustees level, and the trustees meet regularly to implement the decision-making process.

Achievements and Performance - Statement by the Treasurer

The aim of the fund has always been to support students with their education and development.

Throughout the year, despite the global upheaval, we have continued to support several students with their ever-increasing cost of tuition fees, living expenses, etc. They have a considerable financial burden to overcome as well as dealing with the academic demands. Many have moved on to achieve success in their chosen careers after they have finished their education.

**FERDINAND BECK FUND
TRUSTEES' REPORT FOR THE YEAR ENDED 5 APRIL 2023 (CONTINUED)**

Trustees

The trustees are named on page 1. Appointment of trustees is governed by the Trust Deed of the charity. The Board of Trustees is authorised to appoint new trustees to fill vacancies arising through resignation or death of an existing trustee. When new trustees are appointed, they are introduced to the work of the trust and provided with the information they need to fulfil their roles, which includes information about the role of trustees and charity law. All existing trustees have long experience of being a charity trustee.

Investment powers

The Trust Deed authorises the trustees to make and hold investments using the general funds of the charity. The Trust Deed requires the trustees to reinvest such proportion of the annual income of the Fund as they think is necessary to maintain or increase the real value of the Fund.

Financial review, risk management and reserves policy

The policy of the Fund is to maintain its investment in property and securities at a sufficient level to enable the Fund to make grants to students out of the income generated therefrom, without depleting the asset base of the Fund. The trustees actively review the major risks which the charity faces on a regular basis and believe that maintaining reserves at current levels will provide sufficient resources in the event of adverse conditions. Therefore, the policy of the trustees regarding the level of reserves, as set out in the Trust Deed, is to keep the administration expenses of the charity to a minimum and to distribute no more than is necessary to at least maintain the overall value of the Fund.

The financial results of the charity are set out in the Statement of Financial Activities on page 6. The Fund recorded a net expenditure surplus of £16,348 (2022 - net expenditure surplus of £10,724) before other recognised gains and losses. Net assets of the Fund increased from £2,799,786 at the previous year end date to £2,808,147 at 5 April 2023.

Signed on behalf of the board of trustees

FERDINAND BECK FUND STATEMENT OF TRUSTEES' RESPONSIBILITIES

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of the charity and of the incoming resources and application of resources, of the charity for that period. In preparing the statement, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the statement of accounts;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue its operations.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity at that time and to enable the trustees to ensure that the financial statements comply with the requirements of the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**REPORT OF THE INDEPENDENT EXAMINER TO THE TRUSTEES OF
FERDINAND BECK FUND (REGISTERED CHARITY NUMBER 1005193)**

I report on the accounts of the Trust for the year ended 5 April 2023, which are set out on pages 6 to 18.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility:

- to examine the accounts (under section 145 of the 2011 Act);
- to follow the procedures laid down in the General Directions given by the Charity Commission (under section 145(5) of the 2011 Act), and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which give me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act, and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met, or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

**FERDINAND BECK FUND
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 5 APRIL 2023**

1. Accounting Policies

The following accounting policies have been used consistently in dealing with items which are considered material in relation to the charity's financial statements.

Basis of preparation and assessment of going concern

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these financial statements. The financial statements have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The Fund constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the Fund's ability to continue as a going concern. The most significant areas of adjustment and key assumptions that affect items in the financial statements are to do with establishing fair values for the Fund's investment properties and musical instruments.

Financial Reporting Standard 102 - reduced disclosure exemptions

In preparing these financial statements, the Fund has taken advantage of the disclosure exemption with regard to the need to prepare a Statement of Cash Flows, as permitted by FRS 102.

**FERDINAND BECK FUND
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 5 APRIL 2023 (CONTINUED)**

Funds structure

The Fund has no restricted or permanent endowment funds, and all of the funds available to the charity are unrestricted.

Income recognition

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are recognised when the Fund has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

Rental income from investment properties is accounted for on an accruals basis.

Dividends and other income from quoted investments are recognised once the dividend or other income has been declared and notification has been received of the income due.

Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required, and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis.

- **Costs of raising funds**
The costs of raising funds include property and investment related expenditure including professional fees, insurance costs and property repairs and maintenance.
- **Charitable activities**
Expenditure on charitable activities includes grants paid to students, other expenses incurred on behalf of students and donations made to organisations in accordance with the charity's objectives.
- **Governance and support costs**
Governance and support costs include the independent examiner's fees, other professional fees, and general administration overheads. As there is no meaningful way of apportioning or allocating governance and support costs to the other expenditure categories, these costs are shown separately on the face of the Statement of Financial Activities.

**FERDINAND BECK FUND
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 5 APRIL 2023 (CONTINUED)**

Tangible fixed assets and depreciation

Depreciation has been provided at the following rates in order to write down the cost or valuation, less estimated residual value, of all tangible fixed assets, with the exception of musical instruments, by equal annual instalments over their expected useful lives, as follows:

Office equipment, fixtures and fittings	3 years
Motor vehicles	4 years

Musical instruments purchased by the charity for use by students are not depreciated and are shown in the balance sheet at their fair values. The surpluses or deficits on periodic revaluation of such instruments are shown as a recognised gain or loss for the period in the Statement of Financial Activities. This policy represents a departure from statutory accounting principles, which require depreciation to be provided on all fixed assets. The trustees consider that this policy is necessary in order that the financial statements may give a true and fair view because current values and changes in current values are of prime importance rather than the calculation of systematic annual depreciation. Depreciation or amortisation is only one of many factors reflected in the annual valuation and the amount which might otherwise have been shown cannot be separately identified or quantified.

In respect of this departure from statutory accounting principles:

- the trustees have concluded that the financial statements present fairly the Fund's financial position and performance;
- a true and fair override has been used to apply the Charity SORP (FRS 102) under the Charities (Accounts and Reports) Regulations 2008;
- the Fund has complied with FRS 102, the SORP or applicable legislation, except that it has departed from a particular requirement of this FRS, SORP or other applicable legislation to the extent necessary to give a true and fair view;
- failure to adopt this accounting treatment would be so misleading in the circumstances that it would conflict with the objective of financial statements set out in Section 2 of FRS 102.

Fixed asset investments

Listed investments

Listed investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price.

The Fund does not acquire derivatives or other complex financial instruments.

The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors.

**FERDINAND BECK FUND
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 5 APRIL 2023 (CONTINUED)**

Investment properties

Certain of the charity's properties are held for long-term investment and are included in the Balance Sheet at their fair values. The surpluses or deficits on periodic revaluation of such properties are shown as a recognised gain or loss for the period in the Statement of Financial Activities. Depreciation is not provided in respect of freehold investment properties. This policy represents a departure from statutory accounting principles, which require depreciation to be provided on all tangible fixed assets. The trustees consider that this policy is necessary in order that the financial statements may give a true and fair view because current values and changes in current values are of prime importance rather than the calculation of systematic annual depreciation. Depreciation or amortisation is only one of many factors reflected in the annual valuation and the amount which might otherwise have been shown cannot be separately identified or quantified.

In respect of this departure from statutory accounting principles:

- the trustees have concluded that the financial statements present fairly the Fund's financial position and performance;
- a true and fair override has been used to apply the Charity SORP (FRS 102) under the Charities (Accounts and Reports) Regulations 2008;
- the Fund has complied with FRS102, the SORP or applicable legislation, except that it has departed from a particular requirement of this FRS, SORP or other applicable legislation to the extent necessary to give a true and fair view;
- failure to adopt this accounting treatment would be so misleading in the circumstances that it would conflict with the objective of financial statements set out in Section 2 of FRS 102.

Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sale proceeds and their opening carrying value or their purchase value if acquired on or subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains are combined in the Statement of Financial Activities.

Taxation

No provision has been made for corporation tax or deferred tax as the charity is a registered charity and is therefore exempt.

The Fund cannot reclaim Value Added Tax, and the expenses in these financial statements are therefore stated inclusive of Value Added Tax where appropriate.

Foreign currencies

Assets and liabilities on foreign currencies are translated in sterling at the rates of exchanges ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account as a component of net income.

10. Musical instruments

	Fair value		Historical cost	
	At 5 April 2023	At 5 April 2022	At 5 April 2023	At 5 April 2022
	£	£	£	£
Cello by Charles Adolphe Maucotel, made in 1847	80,000	80,000	51,888	51,888
Flute	100	100	91	91
	80,100	80,100	51,979	51,979

The trustees consider the fair value of the musical instruments to be equal to or in excess of their cost or valuation as stated in these accounts, that the instruments have a very long or indefinite useful life, and that their residual value is at least equal to their current cost or valuation. Depreciation has therefore not been provided. The musical instruments were last revalued as at 5 April 2021. The trustees have used their own judgement in arriving at their estimation of the fair values of the musical instruments, based upon the amounts they would be expected to realise on the open market. No independent valuers or experts were involved in this process.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 5 APRIL 2023 (CONTINUED)**

15. Transactions with trustees

During the year ended 5 April 2008 the charity purchased a leasehold investment property from Mrs M Beck for £170,000. The agreed price for the property was substantially below open market value and the property was revalued by the trustees to open market value of £197,000 in the accounts for the year ended 5 April 2008. The property has since been revalued to its current estimated market value of £325,000.

In consideration for selling this property to the Fund at substantial undervalue and surrendering the benefit of potential future increases in the value of the property to the Fund, the trustees have authorised the continuing occupation of the property rent-free by a close relative of the founder of the Fund, Ferdinand Beck, to whom Mrs M Beck was married until his death in 1999.

Mrs M Beck personally owns the freehold property in South Croydon which is used as the Fund's Headquarters and provides the use of this property to the Fund free of charge.

Mrs M Beck provides her services as Treasurer and Trustee to the Fund free of charge.

As at 5 April 2023 the Fund owed Mrs Beck £25,674 (2022 - £24,604) in respect of expenditure which Mrs Beck has personally incurred in respect of property maintenance and repairs relating to Fund properties. The amounts due are interest free and repayable on demand.

16. Other related party transactions

During the year the Fund made grants or provided financial support to the following individuals who are related parties of the Fund, being close family members of trustees of the Fund.

Name	Trustees connected with	Relationship to trustee	2023 £	2022 £
