TRUSTEES REPORT FOR 2020

A strange year with many problems but fortunately for us the clouds had some silver linings.

We had made applications to different organisations to help with our need to make repairs to the Main Hall floor, upgrade the kitchen, and do some decorating. Pending our dry rot work we warned our users that it would be necessary to close for a while, but COVID regulations made it impossible to use the building any way.

Generous grants from the Duchy of Lancaster, £ 1,000, and the Harold and Alice Bridges Charity, £ 2,000, and a very welcome £ 10,000 from the Retail and Hospitality Grant Scheme enabled work to begin.

Mr. R. P Cowley and his team did a splendid job removing wet and dry rot timbers and replacing them with appropriately treated ones together with spraying with the proper fluid and the insertion of new air vents. The chemicals were from "Kingfisher" who provide a Guarantee.

The main hall and kitchen floors were dealt with and also damp penetration of the kitchen walls. New cupboards were supplied and fitted in the kitchen and floor coverings replaced. A damp ceiling in the lobby leading to the toilets was treated by our Decorator and the kitchen and entrance hall painted.

During the drying out period our De-humidifier was a great help, and realising that we were going to be closed for some time a new De-humidifier was purchased and by carefully tending these through autumn and winter damp and moisture in the building was kept to a minimum.

In September we were able to open for classes that could comply with the Regulations and appropriate signage and treatments were made available as well as the ability to enter at the front and go out via the rear door.

We had not been able to have our regular meetings but dealt with business by occasionally meeting in a garden. There and in the School distance and other regulations were observed.

We look forward to 2021 with a building in excellent condition considering its age, and many of our regular users wanting to return.

Tony Jackson, Chairman of Trustees.
