Review of the year

Due to the Pandemic the Club has been closed for most of the year. Although the football school was able to use the field for a limited time.

A sizeable grant was received from RDC in May 2020 to compensate for the loss of income so the club has not struggled financially.

Andrew Atkin has resigned as a Trustee from 18 March 2021

Investment Policy

The Trustees have considered the most appropriate policy for investing funds and have found that the Barclays Business Premium account meets the security of funds and achieves a competitive rate of interest as well as allowing easy access to capital.

In preparing these financial statements, the Trustees are required to:-

- Select suitable accounting policies and then apply them consistently
- Make judgement and estimates that are reasonable and prudent
- State whether applicable accounting standards and statements of recommended practice have been followed subject to departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume the Charity will continue in business.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
