Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

General Charitable Purposes assisting with the provision of education for needy young people, mainly in Uganda.

The Trust pays directly for students to attend schools and colleges to gain an education. All of the funds raised by sponsors and donations has been used in this way with no deduction for expenses, save bank charges on money transfers to Uganda.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

The Trust has given support to students in Uganda to gain an education that would not be available to them if they had no financial backing. The number of students supported is decreasing as some have completed their education and no new students are being taken on. New sponsors are not coming forward and coupled with increasing fees means there is a strain on funding to keep existing students going.

Section E

Financial review

Brief statement of the charity's policy on reserves

All funds raised are used to provide education for young needy people as and when required. The provision for fees required in the coming years is totally dependant on the future donations and sponsorship raised at the time.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.
