ACHIEVEMENT AND PERFORMANCE

Charitable activities

PLAYSCHOOL

Cobtree Playschool has continued to be reflective in its practices to ensure we maintain our caring and nurturing ethos for the children and their families in our setting especially during the unprecedented times COVID gave to us all.

We had to close following government guidelines in March to June, with staff being furloughed during this time. We reopened for the last few weeks of the summer term, although some children being so vulnerable continued to shield. We divided the hall, staff and children into small bubble groups having completed a detailed risk assessment to keep our protective preventative measures secure. Although this meant lots of extra deep cleaning before and after each session, I thank all playschool staff for the extra time and effort this added to their day.

With many of our volunteer helpers also having to shield during this time, we had support from younger family members of staff volunteering their 1;1 support for the children whilst schools/university closed so a Big thank you is well deserved to them also. The parent's feedback was so positive and grateful to all for being able to offer our provision to their children. We managed to say goodbye to those leaving for school and to celebrate the end of a hard school year, with coffee and ice creams in the gardens for all, thank you to those from the "Coffeethecube" team for parking up and enabling this.

We opened for the new term again in September, with fewer children due to those attending FAW nursery as part of their specialist intervention pathway, unable to attend dual placements. We welcomed new children to our fold, with continuing support from our committed team of volunteers, although smaller in numbers whilst those who needed continued to shield and keep themselves safe. We were able to help sustain ourselves during this time with all the children registered receiving their entitlement funding (2, 3 and 4 years) following government and local authority guidelines.

Playschool has a wonderful and dedicated team of staff and volunteers who have all worked so hard to ensure that our changed working practices are keeping everyone safe from COVID-19.

We continue to try and recruit more volunteers, as home, health and family commitments take priority, and we have natural losses of support due to these. I would especially like to highlight the dedication and commitment of all our volunteers and helpers. It continues to be a privilege to work alongside them, recognising their kindness care and support to the children and their families, which continues to embed the ethos of the Playschool. As each year a thank you never seems to be a big enough word for all that they do. It really goes to show what continuing support Cobtree Playschool and Maidstone Mencap have with the service we are providing for the children and their families in our community.

As a team we need to continually look at our sustainability and marketing of our service to ensure we can continue to offer such a valuable service to our community for many years to come. With the specialist nursery up and running at Five Acre Wood and understanding that all schools will have to have a specialist attachment to support children with SEND, we need to ensure that we promote awareness of our setting and charity to support registers for new children.

With fundraising events unable to take place we are so very grateful to all for the support given by the donations received, the Scottish Dancing team have been donating personally to continue to support our playschool, even though they have been unable to dance or attend events.

JUNIOR GATEWAY & HOLIDAY CLUB REPORT

REPORT OF THE TRUSTEES
for the Year Ended 31 December 2020

Juniors' sessions were greatly impacted by closures due to COVID-19. We opened again in June, with small bubble groups, and the hall divided into zones to help protect the children and staff. We ran sessions in the morning and afternoon until the end of term to be able to offer as much support as we could to as many families as possible.

From September we extended our junior club to three age groups, running alternate Saturdays to be able to support all those families on our waiting list, we are now able to offer 36 family's sessions with us. This is a testament to the care, commitment, hard work, enthusiasm and fun during the summer holiday club and our playschool, that the consistency and knowledge from our team, is meaning the family's request for places at juniors is forever evolving.

We have a lovely group of young helpers at Juniors and Beccie works hard to spread the word to expand and develop her team, which of course has been extremely hard for her with the school closures this year and those that have been shielding. A huge thank you to the dedication and commitment to all of those in our Junior Club team. It is lovely to see the potential future of Maidstone Mencap in the commitment they all bring.

Holiday club - During the Summer, we did run our holiday club for 4 weeks over August, providing respite for the families of over 50 children and young adults between the ages of 5-18. Despite the concerns of COVID-19 we had several new children as well as many familiar faces attending.

We ran 4 bubble groups with a max. of 12 children, keeping children and staffing consistent in each group to support best practices and the preventative/protective measures needed. Each child/bubble group was offered one day a week to support as many families as was possible. All activities took place in our hall and garden with the day divided to have a planned activity in the afternoon for the children, including very messy fun day or bike rides around the hall area.

We again had a fantastic team, with many familiar faces from previous years, and the day-to-day management from our Youth Juniors and Playschool managers, providing the consistent knowledge and understanding of those entrusted to our care. They all worked so well together reflecting each day to ensure that the children's days were full of fun, activities, and social interactions.

We were all supported by a team of helpers, who provided the 1:1 care, many of whom were familiar with the children and the families from volunteering with us for our junior club. A huge thank you must go out to all for the commitment, time and hard work given to make our holiday club so successful. Sharing their knowledge of the children, the techniques and strategies needed to help keep them entertained happy and motivated, made the children feel safe and confident to explore all the opportunities and experiences we could provide for them.

Photographs taken throughout the summer show the huge smiles reinforcing the fun they had, these books are available for all to see and share with many of the children liking to go through them and see themselves whenever they attend. This Ethos continues to be embedded in our Junior and Youth clubs throughout the year, for which Maidstone Mencap is very proud.

YOUTH CLUB

Flo has worked tirelessly throughout this year to ensure that Youth club continues to offer a provision to those on our registers, running on two Thursday evenings a month supporting young adults from the ages of 16 -25. With activities in the community unable to happen and many having to shield and stay safe in their care provision, Flo ran zoom sessions with different activities and games to look forward to.

REPORT OF THE TRUSTEES
for the Year Ended 31 December 2020

Again, a huge thank you must go to Flo and her team, for the time and commitment that goes to organising and planning these events. The young adults in their care are being given some wonderful experiences and opportunities building on the trusting caring and fun relationships that they have developed with our team. They are building on their confidence to try new things, to interact with their peers engaging and understanding that during their time with us their individual needs are being met. This all supports the foundations needed for them to make a positive contribution in the decision making, and positive behaviours needed in the rules of being together in our community.

We continue to have our major financial support from the Disabled Commissioning Service in being able to run these three clubs throughout this year, as it goes a long way in sustaining the variety and quality of experiences we provided.

Reserves policy

The charity needs to hold significant cash funds to provide for uninsured unforeseen costs on Cobtree Hall. The stated policy of the charity has been that it aims to hold 6 months expenditure as net current assets.

FINANCIAL REVIEW FINANCIAL REVIEW

The charity increased its overall balance over the course of 2020 by £63,457.87 (from £82,321.51 to £145,779.38):

1: + £15,297.02 = Annual budget target surplus
2: + £29,572.70 = Budget income surplus & expenditure underspend
=> £44,869.72

3: + £10,777.58 = Maidstone Mencap Ring-Fenced funds
4: + £ 7,810.57 = Cobtree Playschool Ring-Fenced funds
=> £63,457.87

1: ANNUAL BUDGET TARGET

Annual budgets for income (£119,853.71) and expenditure (-£104,556.69) meant we were forecasting a surplus of £15,297.02

This was due to the National Lottery Coronavirus Support Fund grant, otherwise this would have been a breakeven target.

2: INCOME & EXPENDITURE BUDGETS

INCOME: A surplus of £66,491.29 against budget
£186,345 versus a target of £119,853.71

The fundraising (Donations, Events, and Hall Hire) budget was reduced by £22k in July when it became apparent the lockdowns caused by the global COVID-19 pandemic would drastically reduce the charity's ability to raise funds; however, this was offset by an increase in the Clubs (Grant) budget by £22k (due to the Government's furlough assistance scheme for employers). Whilst the Finance Committee was quietly confident we would still get close to the income target despite the extremely difficult environment facing the whole country, the charity was extremely fortunate to receive a £20k donation from Lloyds (of London, not the bank), which helped offset the £10k shortfall on the Income Clubs target (due to club closures). Exceeding the annual income target was a fantastic (and unexpected) achievement, and one the charity is extremely grateful for.

EXPENDITURE: An underspend of £32,102.31 against budget
(£136,659) versus a budget-to-date of (£104,556.69)

The charity's successful application for a National Lottery Coronavirus Support Fund grant meant we were able to reduce the HR Salaries budget by £15,297 (lowering the original overall expenditure budget from £119,853.53 to £104.6k). As always, the expenditure budget had safety nets built-in across all divisions to allow for additional expenses, such as unforeseen recruitment needs, and unexpected maintenance issues (we have been caught out too often in the past). Fortunately, the additional monies were not needed and there were underspends on all-but-one of the divisions (an ever-so-slight over-spend of £67 on IT). Notable expenditure savings were on HR (£10.7k), Facilities (£3.7k), Fundraising expenses (1.6k), and Club expenses (£1.3k), which meant there was an underspend of £17.8k. Overall, the charity finished the year with a combined income-surplus and expenditure-underspend of £29,572.70.

RING-FENCED FUNDS

3: Mencap Ring-Fenced: Increased by £10,777.58 from £10,570.00 to £21,347.58
Short Breaks - Junior Gateway (Jan - Mar 2021) = £2,659.75
Short Breaks - Youth Club (Jan - Mar 2021) = £2,740.25
National Lottery Grant (2021 portion) = £11,676.58
Baily Thomas (Ring-Fenced until March 2021) = £3,000
Air Con = £1,271

FINANCIAL REVIEW

4: Playschool Ring-Fenced: Increased by £7,810.57 from £2,900 to £10,710.57

DAF = £4,443.93

SENIF = £6,266.64

We finished the year hitting 202% of our revised Fundraising target, thanks to the £20k donation from Lloyds.

I would like to thank Mark, Tina, Liane and Lesley for helping me manage the accounts from afar, whenever I have reached out to them for help. Thank you to the Finance Committee (Sue and Mark), plus Hazel and Liane for agreeing that all staff would be paid their full pay throughout the Furlough period (with the charity financing the additional 20% not covered by the government). Thank you to Hazel for applying to Lloyds for support for the charity, resulting in the £20k donation. And thank you to Teresa whose ability to successfully secure numerous grants, particularly the National Lottery Coronavirus Support Fund, helped guide the charity through a very difficult year. Everyone mentioned, plus the staff and volunteers, helped make my job of writing this end of year report far easier and more positive than I could have hoped six months ago. At least with regards to Maidstone Mencap's finances, I am happy to end 2020 and start 2021 with good news.

CHAIRMAN'S REPORT

2020 what a year! Who would ever have imagined our country would spend most months in varying degrees of lock down? Many industries and charities have been hit hard and things have been very difficult indeed. All things considered, Maidstone Mencap has escaped lightly due to some amazing grants received and our even more amazing staff who kept things going as much as possible.

We were extremely fortunate to receive a National Lottery Coronavirus Support Fund grant which helped considerably along with a £20,000 donation from Lloyd's of London for which we are extremely grateful. The charity finished the year with a combined income surplus and expenditure under spend of £29,572.

Playschool was forced to close in the first lockdown and staff were furloughed. At the times it reopened, it was with a much-reduced attendance due to the vulnerability of the children however with the incredible amount of hard work from staff and volunteers, with extra cleaning and changes in working practices Playschool was able to continue to provide its service as well as providing a safe environment.

Despite all the hurdles the charity managed to provide respite to families for over 50 children in holiday club and have then continued to run the Junior and Youth clubs wherever possible.

The Trustees are always grateful to Liane and her inspiring team of staff and volunteers for their input but the support, and dedication in 2020 has been phenomenal. In the most difficult of circumstances, they have kept the charity going and continued to make a positive contribution to the community. We cannot thank you all enough!

On a personal note, I would like to thank Hazel for her secretarial role keeping us all in order and James for his ongoing long distance Treasurer's role. Finally, I would like to thank my fellow trustees for their continued support and hope that 2021 is a much safer year for all.

In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Opinion

We have audited the financial statements of Maidstone Mencap Charitable Trust Limited (the 'charitable company') for the year ended 31 December 2020 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2020 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small companies exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Trustees.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Allocation and apportionment of costs

No charge to support costs is made to the play school. Other activities absorb support costs on the basis of use.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Improvements to property	- 10% on cost
Fixtures and fittings	- 15% on reducing balance

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
