**TRUSTEES' REPORT
FOR THE YEAR ENDED 31 MARCH 2024**

The Trustees present their report and financial statements for the year ended 31 March 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's Memorandum and Articles of Association dated 28 April 1988 and subsequent amendments, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective from 1 January 2019)".

Objectives and activities

Milton Keynes Women's Aid is a member of the Women's Aid Federation for England (WAFE). MKWA is also a company limited by guarantee and as such operates under the name MK-ACT Domestic Violence Intervention Services. We have been providing safe emergency accommodation in Milton Keynes for women and their children escaping Domestic Abuse (DA) for nearly 50 years. Milton Keynes City Council has supported our activities as they have developed and we have worked closely with the Council and with Bedford Pilgrim Housing Association to develop purpose-built refuge accommodation.

Since 2008 we have been commissioned to provide a range of DA services under contract to Milton Keynes City Council under the branding of MK-ACT, bringing us together as one organisation. We won the contract again in 2020, the term of this contract is for a minimum of 5 years. Our services currently comprise places of refuge for women and children who have experienced or are at risk of DA, a Crisis Service with helplines for victims and professionals, a perpetrator programme with partner support, an outreach service, development programmes and training, counselling and a volunteer programme.

We work collaboratively with local and regional agencies and other relevant organisations to achieve our aims and strategic objectives. Mission Statement MK-ACT is an independent charitable organisation that works to protect adults and children from domestic (and sexual) violence and abuse by providing a range of high quality support services, including places of refuge for women and children who have experienced or are at risk of DA, and working to empower and encourage survivors to rebuild their lives, free from violence and abuse. Our primary purpose is to address violence against women and girls through our activities and services. In acknowledgement of the gendered nature of DA, our focus is on women and child survivors of DA.

Our Values

- **Dignity and Respect** - We respect the human rights and dignity of each individual using our services, ensuring our work is informed by their testimony and places the highest priority on their safety.
- **Empowerment** - We are committed to providing user-centred services that address clients' needs and aspirations and contribute to their empowerment to determine their own and their children's lives.
- **High Quality** - We are committed to delivering high quality and effective services based on the principles of informed decision-making and supported autonomy for clients, and mutual aid.
- **Cooperation and Collaboration** - We value co-operation and collaboration in partnerships with other agencies that enable us to deliver positive outcomes for survivors and their children.
- **Diversity** - We value the diverse contributions of all our staff, volunteers and stakeholders towards the achievement of our aims.

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2024**

MK-Act has a commitment to ensuring that our services are of a high quality and have a proactive approach to monitoring the quality of the delivery of our services. We are one of very few Specialist Services within the UK that holds all three main accreditations in the field of DA

- > WAFE National Standards
- > Safe Lives Leading Lights Accreditation
- > RESPECT full accreditation of Fresh Start
- > Cyber Essentials

The Charity achieves its objectives by running a number of refuges to house women and their families, a Crisis Service, Perpetrator Programme, Volunteer Service and Outreach Support. The Charity is contracted by the local Council to provide a Domestic Violence Service for Milton Keynes.

Public Benefit

The Trustees have considered the public benefit guidance published by the Charity Commission and are satisfied that the Charity's facilities are made available to all appropriate members of the public. Where the tenants are unable to meet their rental payments directly, council funding is available to ensure that all members of the public can be provided with accommodation without reference to their financial position. The Charity's helpline is available during office hours and our accommodation provision has the facility in emergency situations an on-call function. The trustees, staff and volunteers of the Charity are continuing to raise awareness of the Charity's services in order to raise awareness of the services provided.

Achievements and performance

In the last year Milton Keynes Women's Aid has continued to meet targets and deliver planned outcomes relating to our main contract, meeting all relevant quality standards. Our contract with Milton Keynes City Council continues until 2025 to provide Domestic Violence Services for the city of Milton Keynes also undertaking several related projects which are funded by other organisations and funding bodies. Our values continue to run as a 'golden thread' through the organisation of: Dignity and Respect, Empowerment, High Quality, Cooperation and Collaboration and Diversity.

We have continued to see an increase in demand on all our services with an increase of 48% over the last 5 years. We have increased our staff and volunteer team to meet the demand and we have shown that we are both flexible and resilient in providing our service to ensure that everyone approaches us receives a service. It is also down to the dedication, passion and hard work of all who work in MKWA both as front-line and behind the scenes so that those who use our service receive a high quality service. It is a privilege to continue to serve the city of Milton Keynes for over 45 years. Client and staff satisfaction levels remain high and our participation in professional networks, including the MK DA Partnership Board continues to be valued.

Across all our services in 2023, including refuge, crisis service, fresh start (perpetrator programme), outreach, and dispersed housing, we have supported 2411 people affected by Domestic Abuse. We have also trained 360 professionals, and 53 people attended survivor support groups and programmes. Our volunteers and trustees contributed over 1500 hours to support those accessing our services in partnership with our staff team of 50.

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2024**

Financial review

The Trustees have prepared the accounts in accordance with the Statement of Recommended Practice (SORP) for Charities. The net income from all funds, after investment income, was £64,012 for the year, compared with net expenditure of (£46,884) in 2023. A detailed review of the Trust's financial position is shown in the Statement of Financial Activities.

Reserves policy

The trustees have reviewed and established a new policy. The unrestricted funds not committed or invested in tangible fixed assets (the free reserves) held by the Charity should be between three and six months of the resources expended, which equates to £250,000 and £500,000 in general funds. At this level, the management committee feels that they would be able to continue the current activities of the Charity in the event of a significant drop in funding. It would provide a time frame in which it would be necessary to consider how the funding would be replaced or activities changed. Free reserves now stand at about £490,620, which is within the Trustees' policy range. The Trustees expect that this level will be maintained in the future.

Risk management

The trustee's has considered the most appropriate policy for investing funds and has found that specialised bank accounts meet their requirements. The trustee's consider the return on investments to be satisfactory in the current economic climate.

The trustee's are responsible for the management of business risks faced by the Charity and this is reviewed at regular intervals.

The systems of internal control are designed to provide reasonable, but not absolute assurance against material misstatement of loss. They include:

- A strategic plan and an annual budget approved by the Trustees.
- Regular consideration by the Trustees of financial results, variance from budgets, non financial performance indicators and benchmarking reviews.
- Delegation of authority and segregation of duties.
- Identification and management of risks.

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2024**

The Trustees have in place a formal risk management process to assess business risks and implement risk management strategies. This involves identifying the types of risks the Charity faces, prioritising them in terms of potential impact and likelihood of occurrence, and identifying means of mitigating the risks. Detailed considerations of business risks are delegated to the Management Team. Business risks are identified, assessed and controls established throughout the year. A formal review of the Charity's business risk management process is undertaken on a periodic basis.

The Trustees ensure that regular independent Health and Safety reviews are carried out. As the majority of the Charity's funds are derived from public bodies, and as such are subject to changes in local and national government policy, this presents the most significant financial risk factor. The Trustees have accordingly allocated contingency funds by setting up a reserves policy and the policy is reviewed on a regular basis by the Trustees.

Plans for future

We continue to ensure that we continually review our Business and Strategic Planning so that it continues to deliver our vision and values. We also continue to review our services for any gaps in provision and seeing how we can cover these in partnership with other agencies including Milton Keynes City Council through joint planning and funding bids. We continue to review and develop our service based on the needs and feedback of those who use our service. We are still playing an active role in the Partnership Board focusing on DA within MK ensuring that DA is both a focus and priority for those involved and in other networks in the city.

Investment policy

The management committee has considered the most appropriate policy for investing funds and has found that specialised bank accounts meet their requirements. The management committee consider the return on investments to be satisfactory in the current economic climate.

MILTON KEYNES WOMEN'S AID

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF MILTON KEYNES WOMEN'S AID

Opinion

We have audited the financial statements of Milton Keynes Women's Aid (the 'charitable company') for the year ended 31 March 2024 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2024 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF MILTON KEYNES WOMEN'S AID
(CONTINUED)**

Other information

The other information comprises the information included in the Annual report other than the financial statements and our Auditors' report thereon. The Trustees are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' report.

We have nothing to report in respect of the following matters in relation to which Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the Trustees' report and from the requirement to prepare a Strategic report.

MILTON KEYNES WOMEN'S AID

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF MILTON KEYNES WOMEN'S AID (CONTINUED)

Responsibilities of trustees

As explained more fully in the Trustees' responsibilities statement, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- * Discussions held with management and those charged with governance around any legal claim.
- * Audit work performed over key risks arease identified such as management override and reviewing accounting estimates for bias.
- * Review of financial statement disclosures to ensure accounting polcies have been correctly followed.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' report.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024**

1. Charity information

Milton Keynes Women's Aid is a private company limited by guarantee incorporated in England and Wales. The registered office is Moorgate House, Silbury Boulevard, Milton Keynes, MK9 1LZ.

2. Accounting policies

2.1 Accounting Convention

The financial statements have been prepared in accordance with the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

2.2 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations or grants are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts, VAT and other sales related taxes

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024**

2. Accounting policies (continued)

2.3 Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Company's objectives, as well as any associated support costs.

2.4 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

2.5 Tangible fixed assets and depreciation

Tangible fixed assets costing £200 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024**

2. Accounting policies (continued)

2.5 Tangible fixed assets and depreciation (continued)

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives.

Depreciation is provided on the following basis:

Motor vehicles	-	25% reducing balance
Computer / Office equipment	-	15% reducing balance
Computer / Office equipment	-	33% straight line

House furnishings are written off on purchase. Office furniture and fittings are capitalised for individual items costing more than £200 including any incidental costs of acquisition.

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

Assets purchased under finance leases are depreciated over the life of the lease.

2.6 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

2.7 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.8 Cash at bank and in hand

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

2.9 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

2. Accounting policies (continued)

2.10 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

2.11 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024**

2. Accounting policies (continued)

2.12 Lease agreements

Rentals applicable to operating leases are charged to the SOFA over the period in which the cost is incurred. Assets purchased under finance lease are capitalised as fixed assets. Obligations under such agreements are included in creditors. The difference between the capitalised cost and the total obligation under the lease represents the finance charges. Finance charges are written-off to the SOFA over the period of the lease so as to produce a constant periodic rate of charge.

2.13 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

2.14 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2.15 Limited by guarantee

The Charity is a company limited by guarantee. The members of the company are the trustees and any women over the age of 18, who support the objects of the charity and is appointed by the management committee. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

3. Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
