The trustees present their report with the financial statements of the charity for the year ended 31 August 2022. **Objectives and activities**

**Objectives and Activities**

There are currently approximately 448 students on roll and approximately 150 students are in the post 16 provision. The majority of students are British Muslims. As education providers, Jaamia endeavours to provide all their students with as many opportunities in education as possible.

The school prides itself for being an institute that offers both a comprehensive Islamic Theology Course and Secondary curriculum. We aim to connect the curricula as much as possible within the school, such that the teaching of the secondary curriculum is not divorced and separated from Islamic concepts; rather it is enhanced by introducing Islamic concepts. We believe, through the provision of two curricula within the school; namely the secondary curriculum and the Islamic Sciences Curriculum (Degree: Islamic Theology Course), our students enjoy increased opportunities.

The school aims to ensure that the time spent at Jaamia, facilitate students to attain, primarily the highest levels of spiritual, moral, cultural and Islamic awareness and, in close conjunction with this, the highest levels of physical and intellectual achievement of which they are capable. Moreover, the school seeks to prepare students for the 21st century, through religious faith, by raising their awareness to the different cultures around us and how we can live as a cohesive community in a plural society by accepting and respecting diversity and by being tolerant to others in accordance with fundamental British values. This is achieved by actively promoting attitudes such as respect for rule of law, individual liberties, democracy and mutual respect for different faiths and beliefs and for those without faith; all of which constitute fundamental British values. In addition, the school seeks to empower students and provide them with a strong religious and British identity where they feel confident of both their religious and British identity.

The school has a friendly atmosphere where the students learn and adapt to get on with others, have the opportunity to meet girls from different cultural backgrounds, improve their interaction and communication skills, learn independence and increase their faith.

The school offers a good broad range of subjects from the National Curriculum. The appropriate curriculum policies which are in place are supported by good quality schemes of work for all subjects. The curriculum provides for girls to become Muslim scholars and religious teachers and also prepares them for any further education they would like to pursue. The broad curriculum ensures that students are appropriately prepared for life beyond school. The school's provision for study of Hadith (Prophetic Traditions), the Quranic studies (the practical aspects of Islamic life) and the Arabic and Urdu language is outstanding.

Support sessions are provided for students in need of extra help and extra-curricular activities which include cooking and art clubs etc. Public speaking, sporting and gardening activities are also organised. Fundraising opportunities have been organised for registered charities. We have extended our extra-curricular provisions by initiating a sports club, knitting club, BSA Boarding Skills Award scheme, STEM club.

The school has an embedded programme of career education and guidance that is known and understood by pupils, parents, teachers and employers. Further to this service, students then have the opportunity to go on to work experience placements. In addition, we have extended our careers advice enabling pupils' access to apprenticeships enhancing their key skills and have also extended visits from professionals. They also receive regular visitors from different walks of life to talk to them about job opportunities in their organisations.

FOR THE YEAR ENDED 31 AUGUST 2022**

Subject specific educational trips are also in place to further enhance the student's knowledge and learning as well as trips out. The school offers workshops and has previously had visits by prominent members of the community such as the SSPO (Safer Schools Partnership Officer), a member of the Jewish Community, roadshows from the Leeds Festival of Science and a member of the Clayton History group. An elderly care home visit was also arranged and voluntary work carried out. Educational visits were arranged for different year groups to the Magna Science Adventure Centre, Nell Bank, National Science & Media Museum, the local church, Bronte Parsonage Museum & Ingleton Waterfalls Trail.

The school undertakes all the required checks to ensure that its staff and the proprietors are suitable to work with children. The school maintains a single central register which meets the regulations.

**Commitment to Equality**

The Charity is committed to promoting and achieving equality, and to ensure that unfair discrimination is eliminated. It believes that unfair discrimination is totally unacceptable. Discrimination on the grounds of gender, race, disability, age, religious or political belief, sexual orientation, social background, marital status or pregnancy will not be tolerated within Jaamia.

**Achievement and performance**

**Charitable activities**

Post Covid-19 pandemic, the school saw the end of one whole academic year without any further major disruptions after a 3-year gap alongside witnessing the Queen's Platinum Jubilee & the UK's first ever exceptionally rare Red Warning for Extreme Heat.

The Trustees are pleased that the performance of the school has been more than satisfactory through the year. After the resumption of the GCSE/A Level examinations, Jaamiatul Imaam Muhammad Zakaria Muhajir Madani enjoys yet again a positive year on year examination results which are evident indicators of successful teaching and learning, with particular strength in Modern Foreign Languages and GCSE core subjects

Jaamiatul Imaam Muhammad Zakaria Muhajir Madani offers a unique community and environment in which students learn and experience a vast array of social and academic skills in a safe and highly organised school that endeavours to make students' schooling highly fruitful and memorable. The school day is structured so that students utilise their time well and in a balanced manner. We are confident that the education provided equips our students to deal with demands of adult life in a mature and responsible manner.

The school currently has full membership with ISC (Independent Schools Council) and ISA (Independent Schools Association), and in September 2021, had its first regulatory compliance inspection (RCI) from our new inspectorate ISI.

The purpose was to assess the school's compliance with the Independent School Standards (ISS) and the National Minimum Standards for Boarding (NMS) set down by the Department for Education (DfE).

The key findings were that 'the school meets the standards in the schedule to the Education (Independent Schools Standards) Regulations 2014, the National Minimum Standards for Boarding Schools 2015 and associated requirements. and no further action is required as a result of this inspection.' In summary, the report was as positive as could be expected from a Regulatory Compliance Inspection.

**Building Development work**

The main focus this year was completing the 2nd phase of the Museum building. This was refurbishment of the ground floor which consists of 2 science labs, an IT and DT classroom and a library. The works were completed in the second term and the classrooms are now fully functional and in use.

**Statement of trustees' responsibilities**

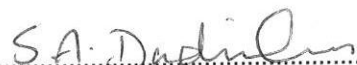

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. **REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF  
JAAMIATUL IMAAM MUHAMMAD ZAKARIA  
MUHAJIR MADANI**

---

**Opinion**

We have audited the financial statements of Jaamiatul Imaam Muhammad Zakaria Muhajir Madani (the 'charity') for the year ended 31 August 2022 which comprise the Statement of Financial Activities, the Statement of Financial Position, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 August 2022 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

**Other information**

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF  
JAAMIATUL IMAAM MUHAMMAD ZAKARIA  
MUHAJIR MADANI**

---

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of trustees**

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

**Our responsibilities for the audit of the financial statements**

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which the audit was considered capable of detecting irregularities including fraud

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the company through discussions with directors and other management, and from our commercial knowledge and experience of the computer component manufacturing and supply sector;
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the company, including the Companies Act 2006, taxation legislation and data protection, anti-bribery, employment and health and safety legislation;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management and inspecting legal correspondence; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the company's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and

**REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF  
JAAMIATUL IMAAM MUHAMMAD ZAKARIA  
MUHAJIR MADANI**

---

- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reading the minutes of meetings of those charged with governance;
- enquiring of management as to actual and potential litigation and claims; and
- reviewing correspondence with HMRC, relevant regulators including the Health and Safety Executive, and the company's legal advisors.

There are inherent limitations in our audit procedures described above. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the directors and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Report of the Independent Auditors.

**Use of our report**

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 AUGUST 2022**

**1. Accounting policies**

**Basis of preparing the financial statements**

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

**Income**

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

Income from school fees represents fees earned in respect of the provision of education to pupils during the year. Fees for education to be provided in future years are carried forward as deferred income in the balance sheet.

- Income donations or from grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

- Income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.

**Expenditure**

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.

- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- Straight line over 7 years
Plant and machinery	- 25% on reducing balance
Fixtures and fittings	- 25% on reducing balance
Motor vehicles	- 25% on reducing balance

**Taxation**

The charity is exempt from tax on its charitable activities.

NOTES TO THE FINANCIAL STATEMENTS - continued  
FOR THE YEAR ENDED 31 AUGUST 2022

1. Accounting policies - continued

**Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

**Pension costs and other post-retirement benefits**

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

**Financial instruments**

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at amortised cost. Financial assets held at amortised cost comprise cash and bank in hand, trade debtors and other debtors. A specific provision is made for debts for which recoverability is in doubt. Financial liabilities held at amortised cost comprise all creditors except social security and other taxes.
