**TRUSTEES' REPORT**  
**FOR THE YEAR ENDED 31 MARCH 2023**

---

The Trustees present their annual report together with the audited financial statements of the Charity for the year 1 April 2022 to 31 March 2023. The Annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the Charity qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

### **Objectives and activities**

#### **a. Policies and objectives**

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

The Charity's objectives are to promote any charitable purpose for the public benefit by the advancement of education, the protection and preservation of health and the relief of poverty, sickness, and distress, but without limitation, for the benefit of the community in Bristol and surrounding areas. The policy to achieve these objectives is defined by guidelines set by the National Association of Citizens Advice and includes the operation of services within the geographical area.

The Charity provides free, confidential, impartial and independent advice and information for the benefit of the local community. It aims to provide the advice people need for the problems they face and to improve the policies and practices that affect people's lives.

In the past year, the Charity focused on the delivery of high-quality advisory services to the local community as its primary objective. To obtain the necessary funding to provide these services, applications were made to various local and national trusts and foundations. The Charity also received funding from other fundraising activities such as individuals participating in running or other events to fundraise for the Charity. In addition, several new contracts for the delivery of services were agreed. New staff and volunteers were recruited and received induction and training.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Charity should undertake. The Charity receives help and support in the form of voluntary assistance in advising the public and administering the Charity. The Charity would not be able to achieve its objectives without this support. The contribution from volunteers has not been included in the Statement of Financial Activities as the value of their contribution cannot be reliably quantified in financial terms.

**TRUSTEES' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 31 MARCH 2023**

---

**Achievements and performance for 2022/2023**

**a. Financial stability and continuing to build reserves**

CAB has been nimble in responding to the financial pressures that arose as a result of the end of the Help to Claim contract. This included a staff restructure to reduce costs as well as a series of other cost-saving initiatives. A Board Working Group – the New Funding Opportunities Working Group – was established to help identify and prepare applications to suitable trusts, foundations, and potential corporate partners, with a particular focus on unrestricted funding. The Working Group has been successful in attracting new funding, often unrestricted.

The CEO remained focussed on renewing existing contracts as well as in developing new revenue streams that would allow us to reach more people in need of our support. We expanded our relationship with Bristol food banks as well as entering into new contractual arrangements with Children of the 90s and others. As a result of these efforts, the Charity was able to meet its financial obligations for the financial year and has secured a stable baseline of funding through until 2024. We have been successful in increasing reserves although continuing to do so remains a priority.

**b. Making a difference**

The Charity's delivery model continues to evolve as we explore new ways to extend our reach, including through the innovate Cost of Living Project funded by Bristol One City and managed by the Quartet Foundation.

The Charity continued to lead the Bristol Advice Partnership, engaging effectively with Bristol City Council on behalf of all the members of the Partnership. The Partnership continues to coordinate joint bids within the city to fund advice provision where appropriate as well as identifying potential large bids for the future.

The Charity managed around 22,159 enquiries on behalf of 3,958 clients in 2022/2023. Services are continually adapted to manage the ever-growing demand for advice, introducing new projects and new ways of delivering services.

Whilst welfare benefits and debt continue to be the most common areas of advice, particularly relating to fuel poverty, CAB continues to see an increased demand for housing and employment advice. A new cohort of younger clients has sought advice as their employment and domestic situations have been adversely affected by the cost-of-living crisis, leading to a need for holistic advice covering many different subject areas.

The Charity holds the Advice Quality Standard (AQS) in all key areas of advice plus casework accreditation in welfare benefits, debt, and housing, disabilities and young people's issues; and it also retains accreditation for immigration work at OISC level 3. The AQS accreditation is for 3 years and was last renewed in August 2022.

During the year the Charity undertook a Leadership Self-Assessment quality audit of management and governance procedures as part of the Citizens Advice Quality and Performance Framework, whose results confirmed that its leadership and management processes are robust, while also making recommendations on how these can be further strengthened. .

In addition to the grant from Bristol City Council, the Charity received grants from: Citizens Advice, Bristol Wessex Water Billing Service, the Government Money and Pension Service, Macmillan Cancer Support, The National Lottery, John James Foundation Bristol, Quartet Community Foundation, The Bristol MS Society, Clarion Housing for the Aashyana Project, The CCG Transformation Fund (via One Care), the TDS Charitable Foundation, and The Warm Homes and Money Project via the Centre for Sustainable Energy. The Charity also has service level agreements with Sovereign Housing Association, and a collaborative project with South & East Bristol foodbanks, North Bristol & South Gloucestershire Foodbanks as well as a range of smaller grants and amounts of money received by way of donation from local companies that support our work. These funding

**TRUSTEES' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 31 MARCH 2023**

---

**Achievements and performance for 2022/2023 (continued)**

streams combined to enable the Charity to deliver its advice services in Bristol.

The Charity does not employ professional or commercial fundraisers and generally raises its funding by making applications to organisations willing to fund advice services and to trusts and foundations offering charitable support. The Charity accepts donations from clients and supporters and the public is able to make donations via the organisation's website. From time-to-time members of staff or volunteers undertake charitable activities on behalf of the organisation, for example entering into sponsored running events, but any such activity is managed as a private activity by those involved. The Charity has not received any complaints about its fundraising activities.

The Charity developed a new Strategy and Business Plan in March 2023, to better reflect the organisation's aspirations and direction of travel.

**Financial review**

**a. Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

**b. Financial review**

Income for the year 2022/2023 was £799,054 and the surplus for the year was £42,158. Total unrestricted and restricted funds at 31 March 2023 were £159,946. The free reserves available to the Charity at the year-end were £159,946.

Overall funding levels remained stable during the year, particularly in respect of major funds. The Charity was impacted by a decrease in availability of new funding opportunities during the year and by uncertainties around one major government funded scheme and the resulting potential redundancy liabilities.

At the end of the year reserves represented c.21% of annual expenditure, or just over 2.5 month's annual running costs. The Trustees continue to be focussed on improving the reserves position but are pleased with the progress being made and the direction of travel.

The Charity is required to ensure that free monies are available in each financial year to meet any reasonably foreseeable contingency. The organisation maintains a projection of income for at least two years ahead and ensures that this continues to be derived from as wide a variety of sources as possible. The Trustees take all necessary steps to ensure that at no time within this period would it be possible for the cessation of one or more funding streams to present so serious a challenge to the future of the organisation, that it could not be managed to continue to provide a best value advice service. The reserves may also be used for fundraising activities or used to ensure the Charity's IT systems are maintained at a sufficient level to ensure the continued delivery of a quality advice service.

The Trustees extend their gratitude to Bristol City Council, who continued to support the core operating capacity of the Charity. The Trustees also thank their other funders listed above and the many donations received. The Charity did not have any borrowings from either providers of funding or other sources at the Balance Sheet date.

**BRISTOL CITIZENS ADVICE BUREAU**  
(A company limited by guarantee)

---

**TRUSTEES' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 31 MARCH 2023**

---

**Structure, governance and management**

**a. Constitution**

The Charity is a Company Limited by Guarantee (Registered Number 2684649) having no share capital governed by its Memorandum and Articles of Association dated 9 July 2002 as amended by special resolution on 5 September 2006. It is registered as a Charity with the Charity Commission (Registered Number 1012557). In accordance with a national rebranding process the organisation has adopted the operating name Citizens Advice Bristol, however the legally registered name remains Bristol Citizens Advice Bureau.

**b. Trustees**

The Trustees, who are also the Directors for the purpose of company law and who served during the year, are shown on page 1.

Trustees are elected from the local community and are elected by the Charity's Members at the annual general meeting. A separate process agreed by the Trustee Board is followed for the election of the Chair and other officers. No other persons or bodies external to the Charity are entitled to appoint persons to the Trustee Board.

Trustees receive induction training when they join the Trustee Board, spending time observing the running of the organisation and learning about the services offered. Additionally, many attend national training and induction events run by Citizens Advice, the national Charity. All Trustees undertake training in the requirements of GDPR and complete the training for SMCR, as required by the Financial Conduct Authority. The Trustee Board members complete a board effectiveness appraisal each year. The standard of the organisation's governance is assessed every year by Citizens Advice.

None of the Trustees has any beneficial interest in the company. All the Trustees are Members of the company and guarantee to contribute £1 in the event of a winding up.

The Trustee Board is responsible for governance and setting the strategic direction and the policies of the Charity. The Trustees carry the ultimate responsibility for the conduct of the Charity and for ensuring that the Charity satisfies its legal and contractual obligations. Trustees meet at least six times per year and delegate the day-to-day operation of the organisation to the Chief Executive Officer. The Trustee Board is independent from the management team and Trustees are not involved in day-to-day operational matters.

The Trustees are responsible for setting salary levels for the organisation. The current full-time salary of the highest paid member of staff this year is £43,000.

**c. Locations for delivery of services**

The Charity runs a service from a building held on a long lease and community asset transfer from Bristol City Council. This arrangement offers value for money and provides security of tenure and protection for the organisation. The main service is based in the centre of Bristol and is augmented by outreach services in a range of Hospitals, Health Centres, and community settings such as foodbanks across the city and some home visiting services provided via specialist projects.

**(A company limited by guarantee)**

---

**TRUSTEES' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 31 MARCH 2023**

---

**Structure, governance and management (continued)**

**d. Citizens Advice**

Citizens Advice Bristol (the Charity) is a member of Citizens Advice, the operating name of the National Association of Citizens Advice Bureaux, which provides a framework for standards of advice and casework management as well as monitoring progress against these standards. Operating policies are independently determined by the Trustee Board to fulfil its charitable objectives and comply with the national membership requirements but are often based on model policies provided by the national body.

The Charity also cooperates and liaises with other advisory services, local charities, and statutory services on behalf of clients. Where one of the Trustees holds the position of Trustee or Director of another Charity, they may be involved in discussions regarding that other Charity but not in the ultimate decision-making process. No such discussions have taken place during the past year.

**e. Risks**

The Trustees use a risk register to assess and monitor the major risks to which the Charity is exposed and to identify appropriate measures to mitigate risks. The Trustees regularly review major risks and ensure that the mitigating actions are being taken.

The key external risk currently remains the loss of or reduction of funding. To minimise the risk, the Charity continues to seek to diversify its funding sources, to maintain an effective dialogue with funders, to demonstrate the positive impact of service to the city, and to work in close partnership with other agencies.

Internal risks are minimised by the implementation of policies and procedures, including, for example, the safe authorisation of payments as part of the finance regime and quality and performance checking for all advice work to ensure consistent quality of delivery for all operational aspects of the Charity. These procedures are periodically reviewed to ensure that they still meet the needs of the Charity.

The Trustee Board oversees the information security of all personal information of the organisation's clients, staff, funders, and strategic partners that is processed through the adoption of an appropriate information risk strategy. The Charity holds joint responsibility for client data that is held in the organisation's case management system, with the national Citizens Advice Service. An information assurance management team exists to ensure the confidentiality, integrity and availability of all personal and sensitive data is maintained to a level which is compliant with the requirements the General Data Protection Regulation and Data Protection Act 2018.

Internal risks to the organisation currently include staffing changes at various levels and the potential loss of volunteers. This is being addressed by the introduction of appropriate support, supervision, and wellbeing opportunities to keep existing staff and volunteers engaged. Volunteer recruitment has continued, supported by a remote working training programme, to ensure that there are always new volunteers in training.

**f. Statement of Trustees' responsibilities**

The Trustees (who are also the directors of the Charity for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Disclosure of information to auditors**

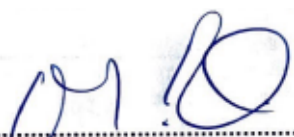

Each of the persons who are Trustees at the time when this Trustees' report is approved has confirmed that:

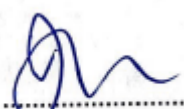

- so far as that Trustee is aware, there is no relevant audit information of which the charity's auditors are unaware, and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

**Auditors**

The auditors, Randall & Payne LLP, have indicated their willingness to continue in office. The designated Trustees will propose a motion reappointing the auditors at a meeting of the Trustees.

Approved by order of the members of the board of Trustees and signed on their behalf by:

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF BRISTOL CITIZENS ADVICE BUREAU**

---

### **Opinion**

We have audited the financial statements of Bristol Citizens Advice Bureau (the 'charitable company') for the year ended 31 March 2023 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2023 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

---

**BRISTOL CITIZENS ADVICE BUREAU**  
**(A company limited by guarantee)**

---

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF BRISTOL CITIZENS ADVICE BUREAU**  
**(CONTINUED)**

---

**Other information**

The other information comprises the information included in the Annual report other than the financial statements and our Auditors' report thereon. The Trustees are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of trustees**

As explained more fully in the Trustees' responsibilities statement, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

---

**BRISTOL CITIZENS ADVICE BUREAU**  
**(A company limited by guarantee)**

---

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF BRISTOL CITIZENS ADVICE BUREAU**  
**(CONTINUED)**

---

**Auditors' responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 145 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Our audit planning process gave consideration to the risk of material misstatement in the financial statements, using the calculated materiality level which itself factored in the nature of the Charity's operations and the interpreted levels of inherent and control risk.

In assessing the risk of fraud we reviewed management's own assessment of potential for fraud within the entity and reviewed judgements made by management to identify possible bias, in addition to any opportunity and incentive for fraud that are inherent in the nature of the Charity's operations. Our detailed testing included review of accounting estimates and judgements and validation of prime ledger entries.

We confirmed our knowledge of the legal and regulatory environment of the entity through discussions with management. We analysed all information available to us in respect of relevant laws and regulations, including the Companies Act 2006, the Charities SORP and relevant UK tax legislation and enquired with management as to any possible breaches in the aforementioned.

We agreed the accuracy of the financial statements to the supporting management information provided by the client and tested individually on a sample basis the income and expenditure in the financial statements to consider the business rationale behind the transactions and the accuracy of the financial records.

Our audit testing did not identify any issues in respect of the matters listed above, including fraud.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Auditors' report.

**Use of our report**

This report is made solely to the charitable company's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable company's trustees those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

**BALANCE SHEET (CONTINUED)**  
**AS AT 31 MARCH 2023**

---

The entity was entitled to exemption from audit under section 477 of the Companies Act 2006.

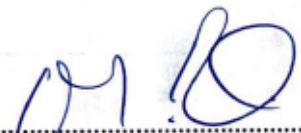

The members have not required the entity to obtain an audit for the year in question in accordance with section 476 of the Companies Act 2006.

However, an audit is required in accordance with section 145 of the Charities Act 2011.

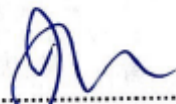

The Trustees acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and preparation of financial statements.

The financial statements have been prepared in accordance with the provisions applicable to entities subject to the small companies regime.

The financial statements were approved and authorised for issue by the Trustees and signed on their behalf by:

**Cash restrictions**

Charity law prohibits the use of net cash inflows on endowed or other restricted funds to offset net cash outflows on any fund outside its own objects, except on special authority. In practice, this restriction has not had any effect on cash flows for the year.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 MARCH 2023**

---

**1. Accounting policies**

**1.1 Basis of preparation of financial statements**

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Bristol Citizens Advice Bureau meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

**1.2 Going concern**

The Bristol Citizens Advice Bureau has net current assets of £147,597 (2022: £98,243) and total net assets of £159,946 (2022: £117,786). After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

**1.3 Income**

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Where the Charity acts as an agent for the client, the amount of revenue recognised is limited to the commission receivable for that service after making provision for any losses foreseen. The amounts collected on behalf of the principal are not revenue of the Charity as they are not exposed to the risks and rewards of the transactions due to the amount the Charity earns is predetermined.

Other income is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

**1.4 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

---

**BRISTOL CITIZENS ADVICE BUREAU**  
(A company limited by guarantee)

---

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 MARCH 2023**

---

**1. Accounting policies (continued)**

**1.4 Expenditure (continued)**

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

**1.5 Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

**1.6 Tangible fixed assets and depreciation**

Tangible fixed assets costing £1,000 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

|                       |                             |
|-----------------------|-----------------------------|
| Fixtures and fittings | - 10% and 33% straight line |
|-----------------------|-----------------------------|

**1.7 Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**1.8 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

---

**BRISTOL CITIZENS ADVICE BUREAU**  
**(A company limited by guarantee)**

---

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 MARCH 2023**

---

**1. Accounting policies (continued)**

**1.9 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

**1.10 Financial instruments**

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**1.11 Pensions**

The Charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the Charity to the fund in respect of the year.

**1.12 Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 MARCH 2023**

---

**14. Statement of funds (continued)**

**Money Advice Services**

This fund represents funds received as part of a multi-agency contract in the city led by Talking Money, A Bristol based debt advice agency. Money Advice Service (now renamed as MAPS - The Money and Pension Service) is a government organisation that funds not for profit debt advice. The advice is subject to FCA regulation and advisers work to stringent quality standards. All staff working on the project are required to have passed professional qualifications administered by the Institute of Money Advisers. The service is available to the public in the usual way.

**Cost of Living Project**

A project delivered in the city's Welcoming Spaces, and provides information to those affected by the cost of living crisis.

**Macmillan**

Macmillan Cancer Support are funding a Benefits Support Service for the Bristol CAB so that a personal advice service may be provided to people with cancer in Avon.

**Children of the 90s**

A generalist advice service to support the participants of this sociological research programme run by the University of the West of England.

**Community fund**

This Lottery funded project helped us increase our volunteer capacity and therefore our cost of living crisis response.

**East Bristol & North Bristol Foodbank**

Supports people who need foodbank help including budgeting, debt, and exploring other charitable support.

**Bristol NHS Trust**

Bristol NHS Trust is a generalist advice service for NHS staff.

**Screwfix**

Funded improvements to our building in order to make it more accessible for clients.

**SeeTec Plus**

Provides predominantly housing and money advice for those where the advice issue represents a barrier to employment.
