Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The aims of the charity shall be to provide recreational, social and educational facilities for people within the area of St Just, Penwith, Cornwall:
 To provide and maintain a centre;
 To provide facilities for training in technical and social skills, recreation, information, counselling, education, music, drama, sport, and sharing of interests and hobbies;
 To raise funds and to invite and receive contributions to support our aims;
 To do any other lawful thing deemed necessary in furtherance of the

charity's objects;
That all decisions of the association should wherever possible and in the first instance be arrived at by consensus.

We run weekly youth club sessions for young people, and also provide space for local music, drama and dance groups to rehearse.

The trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

Summary of the main achievements of the charity during the year

We have successfully delivered weekly youth club sessions throughout the year with various focuses including using our music room.

We put in bids for a number of grants throughout the year to be able to provide these services to the local community and were successful in a number of bids. We also received generous donations from local businesses and individuals.

We have maintained the centre as much as possible, with the focus on some major upgrades over the next couple of years. The planning application for the replacement of windows has been approved and we secured funding for a professional assessment of the remaining refurbishment of the building. The next phase for the building is gaining the funding for completing the refurbishment per the assessment.

Section E Financial review

Brief statement of the charity's policy on reserves

As some reserves are grants from specific bids, these are included as restricted funds having been allocated to particular sessions/spending categories. The remaining donations are unrestricted and will be used to continue general youth club sessions and building maintenance/cleaning.
