**BERKSHIRE COUNTY SCOUT COUNCIL**  
**REPORT OF THE TRUSTEES**  
**FOR THE YEAR ENDED 31 MARCH 2024**

---

The trustees present their report with the financial statements of the charity for the year ended 31 March 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

**Objectives and activities**

The charitable object of the Berkshire County Scout Council (the County) is to promote the development of young people in achieving their full physical, intellectual social and spiritual potential as individuals, as responsible citizens and as members of their local, national and international communities.

**The Values of Scouting**

As scouts we are guided by the following values:

- Integrity – we act with integrity; we are honest, trustworthy and loyal;
- Respect – we have self-respect and respect others;
- Care – we support others and take care of the world we live in;
- Belief – we explore our faiths, belief and attitudes; and
- Co-operation – we make a positive difference: we cooperate with others and make friends.

**The Scout Method**

Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting; and

- Enjoy what they do and have fun;
- Take part in activities indoors and outdoors;
- Learn by doing;
- Take responsibility and make choices;
- Undertake new and challenging activities; and
- Make and live by their promise.

The delivery of scouting activities in Berkshire is through volunteers with the exception of the three Local Development Officers and the County Administrator. Without the dedication and support of all the adult volunteers in the many and varied roles that they undertake, we would not be able to offer the quality and variety of activities we currently deliver. We currently have 2,794 active volunteers and we are continuing to attract new adult volunteers and look forward to welcoming more in the future.

**Public benefit**

The County meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings and the Trustees have had regard to the charity commission's public benefit guidance when deciding upon the activities of the charity. We believe that we continue to bring life-changing experiences and opportunities to large numbers of Berkshire's young people.

**Grant making**

Grants are made available from the general, designated and restricted funds as deemed appropriate by the County Trustee Board.

**Sustainability**

To help minimise the environmental impact of our governance and management activities, trustee meetings and associated subcommittee meetings are generally held virtually. Where appropriate other meetings held to support the activities of Berkshire Scouts are held virtually. A carbon offsetting fund has also been established, supported by a small component collected within the participant cost for major overseas activities. The fund is available to support sustainability activities/initiatives identified by Groups, Districts and County Programme/Activity teams. In 2024 some of the fund will be used to support sustainability in local communities in Malawi.

**Achievement and performance**

It has been an exciting year for Scouting in Berkshire as we continue to enable young people to benefit from the vast range of programme activities delivered in our 110 Scout Groups and Explorer Scout Units.

The County continued its work in establishing new ways of working as volunteers and welcoming new volunteers, including workshops and a Lead Volunteers' Conference in March 2024.

Whilst we had small decreases in the Beaver, Cub, Scout and Explorer Scout Sections, we opened 17 new Squirrel Dreys across the County for young people aged 4 to 6, supported by our Local Development Officers. We anticipate growth in all Sections over the coming year with the opening of new Scout Groups, additional Sections and more Squirrel Dreys.

The County continues to provide and facilitate activity permit training to enable leaders to deliver adventurous activities to young people.

The County had two Units participating in the World Scout Jamboree in South Korea in the Summer of 2023, with each Unit comprising 36 young people and 4 adult leaders. The young people represented all of our 11 Districts within the County.

The County continues to run targeted activities and events to support Groups and Districts.

The County continues to support high quality mandatory, specific and targeted training for our leaders, and continues to achieve the national targets for compliance on safety and safeguarding mandatory training.

The County, in valuing and supporting Trustees at District level, has established a District Chairs Network. The Network held two meetings during the year, a frequency that will be maintained going forward.

The hard work of our adult volunteers over the past year, has been remarkable, and puts us in a very good place to further develop Scouting in the County over the coming year.

Since the start of 2019, our 'staff' have been direct employees of Berkshire County Scout Council. To support this arrangement, we use the services of a specialist organisation to provide ongoing advice on employment law, human resources, and health and safety matters. This support is invaluable in assisting us to meet our responsibilities as an employer.

**Financial Review**

Investment policy and objectives

The funds of the County are all held in bank accounts and deposits. With bank interest rates having risen from their previously low levels, there has been a modest interest income this year, and the Trustee Board remains open to consider other investment plans as they arise.

Reserves policy

The accounting practices of the County Trustee Board require that a constant review be conducted on the variable financial risks associated with each income stream, this being different for each income stream, and to examine the risks associated with projected expenditure.

The review is conducted on a regular and on-going process by the Finance and Risk Sub-Committee (reporting to the County Trustee Board) rather than it being an annual global total. The Reserve Policy of the County Trustee Board requires that there are sufficient reserves to cover the level of risk identified by this regular and on-going review.

As at 31 March the reserves comprise the General Fund including designated funds, totalling £249,418 (2023: £270,357) in addition to Restricted Funds totalling £26,236 (2023: £36,576).

The Restricted Fund, Friends of Berkshire Scouts fund, currently stands at £19,205 (2023: £29,545). The Fund is under the control of the County Youth Commissioners/Leads and the County Treasurer. It is available to make grants to support young people at the request of the County Commissioner/Lead Volunteer.

The General Fund at the year-end is maintained at such a level to provide £196,088 (2023: £193,527) of reserves to carry forward into the current year to meet any additional expense not covered by the subscription income that will be received in April 2024. The balance of the reserves is held to enable the County to fund future operations, developments and events.

Other Financial Review Details

The main source of income for the County Scout Council is the County Subscription, which is collected with the HQ subscription. The County Subscription for the 2023/2024 was set at £16.80 per person (2022/2023: £16.80) and generated income of £153,838 (2022/2023: £113,824).

Overall the County recorded a net deficit for the year of £31,279 (2023: £39,577). The deficit was the result of strategic investment in Berkshire Scouting.

**Future Plans**

The main tasks of the County during much of this coming year will be to support our leaders, as well as Groups and Districts, in a major National transformation in the way we volunteer. As one of 10 'Early Adopter' Counties in the UK, we are in the forefront of this transformation work.

The County will support significant growth of Scouting in Berkshire including planned opening up of further new Sections and Groups, and the continued introduction of the new Squirrels Section, supported both financially and with Local Development Officer assistance.

We will continue to take all opportunities to develop a more youth shaped movement across the County in all aspects of management and programme development. The Trustees want to encourage the recruitment of trustees, including non-member trustees, in the 18-25 age range on County, District and Group Trustee Boards.

The County will continue to support its members in Groups and Districts in core programme activities, organising County activities to support and enhance the local programme.

The County is supporting a patrol on Roverway 2024, as well as organising a repeat ALPS25 jamboree following the successful 2022 event for Explorer Scouts and Scout Network.

The County has commenced work on organising the next WINGS camp jointly with Girlguiding Royal Berkshire in 2026, following the cancellation of the previous WINGS due to Covid restrictions.

The County will continue to expand our support for our valued adult volunteers through improved induction, training and support, as well as recognising the significant contribution made by our volunteers. The County is committed to making our 'volunteer journey' as enjoyable, simple, and rewarding as possible, as it is recognised that our leaders play a key role in ensuring Scouting thrives and expands in Berkshire.

The County will continue to maximise compliance at all levels in training, permits, activities, safety, safeguarding, etc..

Risk review

Berkshire County is led by the County Commissioner/County Lead Volunteer and managed by the County Trustee Board. They are accountable to the County Scout Council for the satisfactory running of the County. They conduct an on-going review of the risks that the charity might be exposed to and systems have been established to mitigate those risks. Risks are minimised by the implementation of procedures for authorisation on all projects undertaken by members and these procedures are periodically reviewed to ensure that they continue to meet the needs of Scouting in Berkshire.

The County Trustee Board follows, without question, the policies issued by the Scout Association in relation to the safe operation and administration of all activities involving its youth and adult members in accordance with PO&R.

The County Trustee Board keeps under review all insured risks and the policies maintained by the County Administrator to ensure that all insurable risks are adequately covered.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;

## Independent examiner's report to the trustees of Berkshire County Scout Council

I report to the trustees on my examination of the accounts of the Berkshire County Scout Council (the Charity) for the year ended 31 March 2024, which are set out on pages 9 to 23.

This report is made solely to the charity's trustees, as a body, in accordance with section 154 of the Charities Act 2011. My independent examiner's work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity, the charity's members as a body and the charity's trustees as a body for my independent examiner's work, for this report, or for the opinions I have formed.

## Responsibilities and basis of report

As the charity trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

## Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

BALANCE SHEET (CONTINUED)  
AT 31 MARCH 2024**

The financial statements were approved by the Board of Trustees on 17 June 2024 and were signed on its behalf by:

.....

The notes on pages 12 to 23 form part of these accounts

**BERKSHIRE COUNTY SCOUT COUNCIL**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 MARCH 2024**

---

**1. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

The accounts have been prepared in accordance with the Charities SORP (FRS102) applicable to charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The accounts have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Berkshire County Scout Council meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

The charity has cash resources and has no requirement for external funding. The Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. They continue to believe the going concern basis of accounting appropriate in preparing the annual financial statements.

**Critical accounting judgements and key sources of estimation uncertainty**

In the application of the charity's accounting policies, which are described in note 1, Trustees are required to make judgements, estimates and assumptions about the carrying value of assets and liabilities that are not readily apparent from other sources. The estimation and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects the current and future periods.

In the view of the Trustees, no assumptions concerning the future or estimation uncertainty affecting the assets and liabilities at the Balance Sheet date are likely to result in a material adjustment to their carrying amounts in the next financial year.

**Financial instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

**Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

The following specific policies are applied to particular categories of income:

**BERKSHIRE COUNTY SCOUT COUNCIL**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 MARCH 2024**

---

**1. ACCOUNTING POLICIES - continued**

Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Investment income is included when receivable.

Incoming resources from charitable trading activity are accounted for when earned.

**Expenditure**

Expenditure is recognized on an accrual basis as each liability is incurred.

Costs of generating funds comprise the costs associated with fund raising activities.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Charitable expenditure is reported under the sub headings detailed in note 6.

Grants in support of the charity's aims.

Support costs are detailed in note 8.

In previous years Governance costs (costs associated with meeting the constitutional and statutory requirements of the charity, the independent examiner fees and costs in respect of the strategic management of the charity) were shown separately in the Statement of Financial Activities. To comply with Charities SORP FRS 102 Governance costs have been included within support costs.

Capital items costing under £500 are written off when incurred.

Grants payable are recognised as expenditure in the year in which a binding commitment to make payments is entered into.

**Tangible assets**

**Earleywood Camp Site**

The costs relating to the Camp Site are written off as incurred since the property is inalienable during the life of the lease and its use is restricted to Scouting.

Since October 1st 2006 the day-to-day management and financial reporting for the site came under the direction of two local Scout Districts, but the lease for the site remains in the name of Berkshire County Scout Council.

**Other Equipment**

Equipment used by the Council is depreciated at 25% of written down value. Individual items of equipment with a purchase price of £500 or less are written off when acquired.

**BERKSHIRE COUNTY SCOUT COUNCIL  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2024**

---

**1. ACCOUNTING POLICIES - continued**

**Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

**Taxation**

The charity is exempt from tax on its charitable activities.

**Fund accounting**

Unrestricted funds held by the charity are those which can be used in accordance with the charitable objectives at the discretion of the Trustees.

Restricted funds are where specific conditions are imposed by the donor which restricts the use of unspent funds. The income is taken directly to the relevant restricted funds.

**Foreign currencies**

Transactions in foreign currencies are translated into sterling at the prevailing rate of exchange on the date of the transaction.

**Pension costs and other post-retirement benefits**

The charity operates a defined contribution money purchase scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate. There were no outstanding contributions at the year end. The Charity has no liability beyond making its contributions and paying across the deductions for the employees contributions.

**Investments**

Investments are a form of basic financial instrument and are initially recorded at their transaction value and subsequently valued at closing mid-market value at the Balance Sheet date. Any gain or loss on revaluation is taken to the Statement of Financial Activities.

**Debtors**

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid after taking account of any trade discounts due.

**Creditors and provisions**

Creditors and provisions are recognised when the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.

**Cash and cash equivalents**

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.
