SALV Health Trust

Report of the Trustees for the Year Ended 31 March 2021

The trustees present their report with the financial statements of the charity for the year ended 31 March 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives of the Charity

The original objects were amended in February 2000 with the agreement of the Charity Commission in order to widen the scope of the charity's activities. The objects are:

To help protect, improve and preserve the health of local people within the civil parish of Shere and adjoining parishes, by assisting with the provision and maintenance of:

- a) medical equipment, fittings and furniture;
- b) training, including the use of equipment and new techniques;
- c) other medical and healthcare services

Activities

The activities of the Trust are to help our doctors and local healthcare services. This is done in three main ways: by providing them with additional medical equipment and its maintenance; by training associated with this new equipment; and by helping to fund health care services that have inadequate support from the NHS and which would be of help to local patients.

Local Representatives

The trustees endeavour to appoint a SALV representative in each local village, who provide a channel of communication with the trustees and doctors.

The trustees have had regard to the guidance issued by the Charity Commission on public benefit.

ACHIEVEMENT AND PERFORMANCE

Another interesting year!

I think this year has been steadier balancing caution with a desire to move safely out of lock down.

Out of an abundance of caution we decided to keep our Spring Open Meeting on Zoom, and what a success it proved to be - we had over 60 people attending and the speakers rose to the occasion giving hugely professional and interesting presentations

Marcus McEwen spoke about the physical benefits of exercise, Douglas Wardrop on psychological benefits and Helen Esplen spoke about the importance of posture while sitting - hugely important for those home working and spending long period behind a computer screen. Ben Mead spoke about stress and anxiety and how to process it.

At the time of writing this, I am looking forward to seeing everyone in the flesh at our AGM and Autumn Meeting and cementing that SALV community spirit that underpins all we do.

On the purchase front we raised significant sums for the acquisition of a Pharmaself dispensing machine

We are hugely proud of our surgery, our doctors, and all the support staff who do so much to keep us well. At a time when GPs seem to be in the press - there does seem to be a disconnect between what is published and what we see on the ground - we couldn't ask for a better qualified, efficient, committed and hard working team - thank you to you all and how lovely to see you recognised as the second best practice in Surrey, and to be nominated for an award in the Royal Society for Public Health Awards.

SALV Health Trust

Report of the Trustees for the Year Ended 31 March 2021

FINANCIAL REVIEW

Financial position

By the nature of this report, it is always out of date by six to eighteen months so last year we referred to the brilliant Pharmarsel dispensary. The cash effect is reported in these accounts. So successful has it been that she is referred to as Brenda the Vendor by the surgery staff and during the current year we have added a fast hopper to speed things up further.

We continue to support the doctors and staff in any way possible within our constitution.

We have recently funded three sound proofed telephone booths where doctors can talk in total confidence to patients, freeing up consulting rooms for face-to-face consultations.

There are plans a foot where we will be able to help in the future

FUTURE PLANS

Finally our next initiative will be to see if we can motivate the Shere Community to drive forward a case for bringing Superfast fibre broadband to Shere and the Surgery. This is not something that SALV can drive or do on its own- we have to find a leader and committee from Shere to embrace the project and fire up the local community.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

The Trust's governing document is the Deed of Trust dated 10 December, 1992 and the charity was registered with the Charity Commission on 7 January, 1993.

Management and governance arrangements

The trust deed provides for a minimum of three and a maximum of ten trustees. When there is a requirement for new trustees, these are identified and appointed by the existing trustees. The chair of trustees is responsible for the induction of any new trustee, which involves awareness of a trustee's responsibilities, the governing document, administrative procedures, the history and philosophical approach of the charity. A new trustee would receive copies of the previous year's Annual Report and Accounts and a copy of the Charity Commission leaflet 'The Essential Trustee: What You Need to Know'.

**Independent Examiner's Report to the Trustees of
SALV Health Trust**

Independent examiner's report to the trustees of SALV Health Trust

I report to the charity trustees on my examination of the accounts of SALV Health Trust (the Trust) for the year ended 31 March 2021.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

SALV Health Trust

Notes to the Financial Statements for the Year Ended 31 March 2021

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

The Trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern.

Financial reporting standard 102 - reduced disclosure exemptions

The charity has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

There are no Restricted funds in the account at the year end.
