THE INSTITUTE OF PROFESSIONAL SOUND

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 MARCH 2022

The trustees, who are also the directors of The Institute of Professional Sound for the purpose of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

THE INSTITUTE OF PROFESSIONAL SOUND

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2022

The trustees present their report and financial statements for the year ended 31 March 2022.

The trustees are also directors of the charity for the purposes of the Companies Act 2006. The trustees' report contains a directors' report as required by company law.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and activities

The charity's objects are to promote the widest understanding of professional audio in all its contexts and to promote the cultural and educational benefits resulting from producing sound of high technical and artistic quality; in particular, by encouraging the maintenance of the highest professional standards among sound operations personnel, securing improvements in the art and technique of operational sound resulting in such cultural and educational benefits, promoting and publishing the relevant results of experiment and research designed to secure such improvements, and providing a forum for the exchange of information.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

In performing our activities we have considered the Charity Commission's general guidance on public benefit per our duty outlined in s17(5) of the Charities Act 2011.

Significant activities

General activities maintained. The focus this year has been on remote support for members and planning for increased fund raising and support events in the future.

Achievements and performance

Membership of the IPS:

The membership is drawn primarily from audio professionals working in operational posts within the UK audio industry and related professional audio fields. There are a number of members from Europe and the rest of the world who share the same aims and ideals as those members in the UK.

The IPS has three main categories of member - Full, Affiliate and Student. The category of Affiliate also caters for those in related industries, for example, manufacturing and further education establishments who have expressed an interest in the work of the IPS and wish to be associated with it. Student members are those who are still receiving formal education on a full-time course or other relevant studies.

From the foregoing it will be seen that membership of the IPS is open initially to a wide group of individuals with a common interest in audio. Much of what IPS produces is also available to the public through the website and publications.

Funding of the IPS:

The primary source of funding for the organisation is by annual subscription. There is an additional source of income provided by commercial companies who wish to be associated with the activities of the IPS and have become Sponsor Companies of the Institute.

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

Financial review

Financial position

The trustees are pleased with the progress achieved in reviewing its financial position and implementing changes to its operational focus. Finances and activities are regularly monitored and sufficient reserves held to cover short term needs.

During the year under review a number of the members to whom the IPS had granted complimentary membership, due to their financial situation, had fortunately managed to start working again as the media industry came out of the Covid lock-downs and normal activities were resumed. This meant that they were able to resume paying their subscriptions to the Institute. There were, however, some who chose not to continue their membership as they had decided to leave the industry.

Given the difficult trading conditions that had prevailed through the year the Trustees took the decision to forgo sending invoices to the Sponsor companies for their financial support of the IPS for the current year in the hope that they would be able to resume their sponsorship in the following year when trading returned to more normal conditions. This was welcomed by the companies.

Additionally, given the success of the various on-line members' meetings that had taken place during 2020 it was decided to continue with that idea during 2021. This resulted in a much-reduced financial cost to the IPS which helped maintain the Institute's strong financial position throughout the year.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to twelve month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

The charity is a company limited by guarantee as defined by the Companies Act 2006. It is controlled by its governing document, a deed of trust.

The original deed was dated January 1993 and was updated in April 2018.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE INSTITUTE OF PROFESSIONAL SOUND

I report to the trustees on my examination of the financial statements of The Institute of Professional Sound (the charity) for the year ended 31 March 2022.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

1.5 Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

The assets' residual values, useful lives and depreciation methods are reviewed and adjusted prospectively if appropriate.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures and fittings	33% on cost
-----------------------	-------------

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.
