The directors present their twenty-fifth Annual Report and Financial Statements of the Company for the year ended 31 December 2021.

Objectives and Activities

The Mission is established for the advancement of evangelical Christianity in Spain. To this end it supports financially, practically and in prayer the activities of its sister organisation Misión Evangélica Española.

These aims are carried out through pastoral and evangelistic work in 3 churches in Spain and through the operation of the Mission House, a Christian conference centre.

We believe these aims are of public benefit. Due to COVID-19 restrictions a number of normal activities were not able to take place. Those that could were limited to:

- Sunday services at the 3 churches in Spain which are open to everyone.
- Other Bible-based activities in these churches.
- The distribution of a twice-yearly magazine and a monthly prayer update to supporters of the Mission in the UK.

There have been no changes since the last report.

Structure, Governance and Management

The Company is a registered charity under a Trust Deed registered with the Charities Commission.

The Memorandum and Articles of Association set this out. We also have a set of Principles and Practices which cover some of the day-today matters affecting the running of the Mission.

Selection of Trustee Board Directors:

First and foremost we look for those who are evangelical christians with an interest in the proclamation of the gospel in general and in Spain in particular. Within those parameters our aim is to have a balance of skills and experience appropriate to the work of the Mission. Suitable candidates are generally drawn from those with whom we have had previous contact in a variety of ways.

The following persons served as directors of the Company throughout the year:

Mrs J. Thackeray
P. E. Cresswell
W. P. Thackeray
C. L. Pomeroy
M. C. Lane
S. Nowak
S. Nobbs

The Directors retiring by rotation are C. L. Pomeroy and S. Nowak who, being eligible, offer themselves for re-election.

All Directors are members of the Company and guarantee to contribute to the assets of the Company in the event of it being wound up such amounts as may be required not exceeding £1.

Achievements and Performance

The Mission continues to support pastoral and evangelistic work in three evangelical churches in Spain as well as similar work in a number of other locations where there is no formal church connection. Work continued on the renovation of the Mission House in Valdepenas. The Mission House now hosts classes as part of a three year theological seminary course.

The Risks to the Charity

The risk to the Charity is being dependent on donations being received which are by way of cheque and standing orders, but there are no systems to control this.

The geographical areas of operation and the scope of the work carried out by the Mission are such that we do not believe that our workers are subject to any risks over and above those of everyday life. There have been instances in other areas of the world of missionaries being taken captive and held to ransom. Although we see this as unlikely in the areas in which we operate, the Principles and Practices of the Mission set out our position in the event of such an occurrence.

Financial Review

The trustees have established a reserves policy whereby the unrestricted funds are sufficient to cover 3 months' overhead expenses. However, as the Mission relies entirely on voluntary donations the degree to which this is achieved fluctuates.

A number of legacies were received reducing the Net Loss for the year to	£(5,330)
which is added to the balance brought forward of	<u>£24,349</u>
Leaving to be carried forward a balance of	<u><u>£19,019</u></u>

Plans for Future Periods

We have no specific plans for the future development of the work of the Mission. There are many areas of Spain with little or no clear gospel witness and our desire would be to extend the work into these areas. However, as has always been the case, we wait upon God to call men and women to serve Him in Spain and when that happened we would determine, in consultation with the workers in Spain, where such additional personnel could be best used.

Directors' responsibilities

Company law requires the directors to prepare accounts for each financial year. Under that law the directors have elected to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these accounts, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small company provisions

This report has been prepared in accordance with:

- the provisions in Part 15 of the Companies Act 2006 applicable to companies subject to the small companies regime; and
