RELATE MILTON KEYNES

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2022

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Principal Objectives and activities

Relate Milton Keynes is an independent charity which operates within a federation of charities affiliated to Relate, a national charitable organisation. The national organisation supports Relate Milton Keynes and other members of the federation by providing training for counsellors, advice and guidance in connection with marketing, human resources and professional services as well as monitoring for quality control purposes and the maintenance of professional standards.

Relate Milton Keynes shares the vision statement of Relate of a future in which healthy relationships are actively promoted as the heart of a thriving society.

Relate Milton Keynes supports clients through delivering relationship counselling for adult individuals, couples, young people and families as well as psychosexual therapy for couples and individuals, irrespective of gender orientation. The aim of our couples services is to alleviate emotional distress caused by relationship problems and to reduce the financial cost of relationship breakdowns in the unitary authority of Milton Keynes. Working with families and young people, we aim to reduce the emotional cost of family breakdowns, particularly for young people to enable them to reach their full potential despite the inevitable stresses and problems within a family. Feedback from our clients continues to report that they experience positive impacts from our services, which result in fewer separations, happier, safer family relationships and more intimate love lives. This is reflected in reduced absenteeism from workplaces or schools and a reduction in general health problems.

Relate Milton Keynes continued to provide counselling for young people and families through a contract with the Child and Adolescent Mental Health service; therefore, benefitting young people who are experiencing difficulties as a result of parental separation or adjusting to new family arrangements or other relationships. The charity, in common with the national organisation has identified an increasing need for counselling among children and young people. We are therefore seeking to increase the number of our counsellors trained in assisting this group and looking at ways in which the service can be delivered.

It has been a challenging year for the charity. Our core service has always been based on the concept of face-to-face counselling services with clients attending our centre in Wolverton for counselling. The restrictions imposed during the Covid pandemic and the need to ensure the safety of our counsellors and clients meant that it was no longer possible to deliver the services in that way during the financial year. The administrative office was also closed for a substantial part of the year. We had, however, transitioned our work to remote working using the Zoom platform and were able to continue to deliver services in that way throughout the year, although this required significant changes in the method of operation. There has also been a noticeable reduction in demand for our services which continue to operate below the levels which we expected prior to the Covid pandemic. We consider that the change to largely remote services is likely to continue for the foreseeable future, and are actively considering how this will affect our requirements for premises and staff.

The charity welcomes all who live or work in the unitary authority of Milton Keynes and makes its services available to all. The trustees, in reviewing service provision to the whole population of Milton Keynes have noted that the ratios of ethnic minorities using our services mirrors in large measure the ethnic diversity of Milton Keynes. In conjunction with the Relate national body, Relate Milton Keynes has adopted a policy in relation to equality, diversity and inclusion and is actively working to increase diversity and inclusion in all facets of the charity's operation.

FINANCIAL REVIEW

Reserves policy

The trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should generally be expended within 3 and 6 months. This amounts to a figure of between £45,892 and £91,785 in general funds. At this level, the trustees feel that they would be able to continue the current activities of the charity in the likely event of a significant drop in funding.

It would obviously be necessary to consider how the funding would be replaced or activities developed to compensate. At present the general reserves (excluding designated funds) which amount to £141,018 are comfortably above this band. The trustees will keep this policy under constant review.

The trustees are confident that Relate Milton Keynes is able to continue to meet its liabilities as they fall due for the foreseeable future and that the accounts should be prepared on a going concern basis.

FUTURE STRATEGY

By supporting children, young people, families, parents, individuals, couples and organisations both through counselling and training, Relate Milton Keynes continues to take a holistic view of relationship support and is a leading early intervention, targeted, community based, front-line service provider in the city.

The trustees of Relate Milton Keynes intend to develop a further rolling three-year strategic plan which will be informed by a rebranding exercise being rolled out by the national Relate organisation. Our key strategic goals, however remain:

1. To ensure the continuing delivery of Relate's core services through electronic communications to the population of Milton Keynes;
2. To make face-to-face counselling available to clients who need or prefer this form of service delivery;
3. To develop and find ongoing funding for the bursary scheme to make our services available to all, irrespective of ability to pay;
4. To build and enhance the skills of the counselling team through further recruitment and development training;
5. To ensure we maintain best practice in implementing our policy for equality, diversity and inclusion in all facets of the agency's functions.

In pursuance of those goals, the trustees have set aside funds to implement a bursary scheme for those unable to afford the full charge for our services. The scheme has proved successful and the trustees will continue to consider ways of extending it and making our services more widely available. We will also continue to seek and extend the scope of external funding for additional bursary services.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is a company limited by guarantee, as defined by the Companies Act 2006. Members of the charitable company guarantee to contribute an amount not exceeding £1 to the assets of the charitable company in the event of winding up. The total number of guarantees at 31st March 2022 was 25.

The word 'Limited' is omitted by license of the Secretary of State for Trade and Industry.

Relate Milton Keynes is an independent charity that is part of a Federation of Relate Charities, receiving training and overall policy decision from Relate Central Office.

RELATE MILTON KEYNES

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2022

STRUCTURE, GOVERNANCE AND MANAGEMENT

Executive Board

The Executive Board should consist of a minimum of six and a maximum of eighteen Members, including the Chair, Vice Chair and Treasurer, who are elected at the Annual General Meeting. The remaining Executive Board Members are elected by the Members of the Centre at the Annual General Meeting and shall hold office for a year but shall be eligible for re-election. The chair's period of office shall be two years renewable to a maximum of eight years. The maximum period on the Executive shall also be eight consecutive years for all other Members. The Executive Board may also co-opt up to two people, whether members of the Centre or not, to join the Executive Board. Any co-opted Member of the Executive shall cease to be a co-opted Member if he/she becomes an elected Member. The Executive Board currently comprises the three officers plus three trustees elected at the Annual General Meeting (two other trustees elected at the Annual General Meeting having resigned in the course of the year.).

Remuneration

Relate Milton Keynes operates a remuneration policy whereby an annual percentage award is considered for all directly employed staff, from 1st April each year, and that the individual percentage be so calculated to include:

- a) Financial performance of the organisation as a whole; and
- b) Personal performance of the employee during the year under review.

Given the size of the organisation, the trustees do not believe that a set salary scale for each post is appropriate or beneficial. As a member of the Living Wages Foundation, Relate Milton Keynes ensures its payscales are in line with the annual recommended increases in the Living Wage.

The average employee headcount during the financial year was 11 (full-time equivalent was 4). No employees earned in excess of £60,000 and the total remuneration paid to the key management personnel during the year was £42,913.

During the period the trustees received no remuneration and no trustees claimed reimbursement of expenses in this financial year (2021: £6 – one trustee).

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. The trustees have developed and continue to monitor a rolling three-year strategic plan and regularly review status reports highlighting potential risks and prioritising actions.

Internal risks are considered minimal by the implementation of financial procedures that are periodically reviewed to ensure they are working efficiently.

TRUSTEES' RESPONSIBILITIES STATEMENT

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements¹;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The charitable company's trustees consider that an audit is not required for this year (under section 144(2) of the Act) and that an independent examination is required.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', and the Companies Act 2006. The financial statements have been prepared under the historical cost convention with the exception of investments which are included at market value.

Going concern and Covid-19

In response to the Covid-19 pandemic, the Trustees have performed a robust analysis of forecast future cash flows taking into account any potential impacts on the charity of any possible future scenarios arising from the impact of Covid-19. This analysis also considers the effectiveness of available measures to assist in mitigating the impact. Based on these assessments and having regard to the resources available to the charity, the Trustees have concluded that there is no material uncertainty arising from the Covid-19 pandemic and that they can continue to adopt the going concern basis in preparing the annual report and accounts.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- Straight line over 50 years
Fixtures and fittings	- Straight line over 5 years

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow-moving items.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.
