### Report of the Board of Trustees for the year ended 31st October 2022

The Board of Trustees presents their report and the accounts for the year ended 31st October 2022.

#### Reference and administrative information

These details are shown in page 1.

#### Structure, Governance and Management

The charity has adopted Memorandum and Articles in place of a trust deed. It is a private company limited by guarantee with each member guaranteeing £1.

The members of the charitable company's Board of Trustees during the year were as follows:

Mrs M Bakewell  
Mrs H Dix  
Mrs J Finnerty  
Mrs G Gettings  
Mrs P Goddard (Chairman)  
Mrs S Griffey (Resigned 20th July 2022)  
Ms J Kingdon (Vice Chairman)  
Mrs T Strain  
Mrs D Taylor  
Mrs V Wilson (Treasurer)

Every two years the Trustees are nominated and voted onto the Board by WI members of the Federation.

The Board of Trustees has assessed the major risks to which the charity is exposed and is satisfied that systems are in place to mitigate these risks.

#### Objectives and Activities and Public Benefit

The principal activity of the charitable company is that of furthering the purpose of the WI movement in Oxfordshire and elsewhere.

The Oxfordshire County Federation of Women's Institutes exists for the benefit of 119 WIs within Oxfordshire and is a member of the National Federation of Women's Institutes. It offers these WIs a mixture of events fulfilling our educational brief.

The Trustees, in exercising their powers and conducting their duties, have paid due regard to the guidance on public benefit published by the Charity Commission. They have satisfied themselves that their approach complies with this guidance.

#### Achievements and Performance

This has proven to be another difficult year with the shadow of the Covid Pandemic still affecting many of us.

Our aim was to instill confidence in our members if they wished to attend events, offer alternative solutions to meeting face to face and ensure they felt they were being offered value for money with their membership.

Our team of WI Advisers worked closely with all the WIs assigned to them with help, support and information. This was vital in encouraging some of the smaller WIs that Oxfordshire Federation was "there for them".

On a lighter side, coach trips gradually became more popular as members gained in confidence with meeting up again and mini trips returned to our schedule of events. We resurrected the quiz, held in two venues simultaneously. There was also a competition for - the best programme for the WIs and the gold medal competition, which remains a popular ever-changing goal to appeal to the artistic amongst members.

### Report of the Board of Trustees (continued) for the year ended 31st October 2022

#### Financial Review

The total income raised during the year was £155,332 (2021: £85,555), expenditure was £164,537 (2021: £94,709) and investment gains were £2,720 (2021: £13,199), giving a net deficit for the year of £6,485 (2021: surplus for the year of £4,045) This has decreased the reserves of the Charity to £465,327 at 31st October 2022.

#### Reserves policy

The Board of Trustees reviews annually the amount of free reserves held by the Charity. These should be adequate to cover working capital and a contingency for unforeseen costs.

Proceeds from the sale of the property have been designated as a special reserve to generate income to support office provision. The interest is currently supporting rented accommodation and the fund retained to support future office provision whether by way of rent or purchase.

The committee considers the current level of free reserves (excluding fixed assets and designated funds) of £24,604 to be adequate but not excessive.

#### Investment policy

Funds are retained to generate income to support revenue expenditure. The larger percentage of invested monies is placed with COIF and this met the Trustees' wish to avoid risk although foregoing possible capital appreciation. This policy is however being reviewed.

The Charity currently holds the following fixed rate deposit:

- £76,574 for one year at 1.30%, maturing March 2023

The charity has £120,856 invested in the COIF property fund.

#### Plans for future periods

The Board of Trustees is reviewing Oxfordshire WI's operating strategy with a view to meeting the changing needs of modern members.

#### Key Management Personnel Remuneration

The Trustees consider that the key management personnel of the charity comprises the Board of Trustees as they are in charge of directing and controlling the charity and running and operating the charity on a day to day basis. All Trustees give of their time freely and no Trustee remuneration was paid in the year. Details of Trustee expenses and related party transactions are disclosed in note 17 to the accounts.

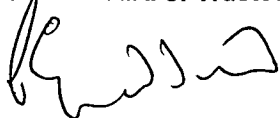

Trustees are required to disclose all relevant interests and in accordance with the Trust's policy withdraw from decisions where a conflict of interest arises.

#### Related parties

In carrying out its activities the Oxfordshire County Federation of Women's Institutes (OFWI) follows policies laid down by the National Federation of Women's Institutes (NFWI) as do all other County Federations. OFWI collects affiliation fees on behalf of NFWI.

This report has been prepared having taken advantage of the small companies' exemption in the Companies Act 2006.

## Notes to the Accounts for the year ended 31st October 2022

### 1 Accounting policies

#### **Basis of accounting and assessment of going concern**

The financial statements have been prepared under the historical cost convention. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective 1st October 2019, the Charities Act 2011, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Companies Act 2006.

The charity constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

#### **Company status**

The charity is a private company limited by guarantee, incorporated in England. The members of the company are the Trustees named on page 1. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

#### **Income**

Income represents the amount derived from fees and the provision of goods and services falling within the company's activities in the UK.

All income is included in the SOFA when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

#### **Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity.

#### **Expenditure**

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with use of the resources.

*Governance costs are those incurred in connection with administration of the Charity as a legal entity and are not connected with generating income or charitable expenditure.*

Liabilities are recognised as resources expended as soon as there is a legal or constructive obligation committing the charity to expenditure.

#### **Leases and hire purchase contracts**

Rentals applicable to operating leases, where substantially all the benefits and risks of ownership remain with the lessor, are charged to the Statement of Financial Activities as incurred.

#### **Tangible fixed assets and depreciation**

Tangible fixed assets are capitalised and included at cost including any incidental expenses of acquisition.

Depreciation of fixed assets is calculated to write off their cost or valuation less any residual value over their estimated useful lives as follows:

|                         |                      |
|-------------------------|----------------------|
| Furniture and equipment | 25% reducing balance |
|-------------------------|----------------------|

#### **Investments**

Investments are recognised initially at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are measured at fair value with changes recognised in 'net gains/(losses) on investments' in the SOFA if the shares are publicly traded or their fair value can otherwise be measured reliably. Other investments are measured at cost less impairment.

#### **Stock**

Stock is valued at the lower of cost and net realisable value. Cost is computed on a first in first out basis. Net realisable value is based on estimated selling price less the estimated cost of disposal.

**1 Accounting policies (continued)**

**Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

**Debtors and creditors receivable/payable within one year**

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

**Taxation**

The charity is registered for Value Added Tax, and is recoverable against the activity for which the expenditure is incurred.
