

KLCF Annual Report for Charity Commission for year to 31st March 2023

During 2022/23, we have continued to run regular Sunday services for members and non-members alike. These have incorporated praise and worship, prayer, preaching and teaching. Teaching for children has also been provided and there have been opportunities for social interaction and practical support.

We have run: regular meetings for prayer, pastoral support, encouragement, teaching and practical help; events for young people and teenagers; social and fun events for church members and others. We have hosted events to which people from other churches are invited. We have continued to stream church meetings to ensure that those who are vulnerable or shielding feel connected.

Our building has been used by local voluntary, charitable and other groups for appropriate activities including Blood Donors, The Stroke Association and the Purfleet Trust. We have supported Christians Against Poverty and Foodbank, providing facilities and funding to support people in severe financial need. Our Community Impact group continues to provide practical support for people in the community who are struggling financially. Over the winter period we offered a warm space for those who might benefit from it. We have supported church members and attenders when in hospital.

In addition to meetings held at The King's Centre, from September 2022 we began holding regular Sunday meetings, and occasional other meetings, at Terrington St Clement Village Hall.

We have supported financially a number of overseas organisations with humanitarian aid and other practical support. We have also supported churches and Christian organisations locally, regionally and nationally.

We have offered subsidies to church members engaged in theological and leadership training and development.

We have a plan for reviewing policies and procedures at appropriate intervals and have provided appropriate training where required.

We are meeting our obligations to provide a pension scheme for employees.

We have a Finance and Investment Policy, reviewed annually, which allows for the retention of reserves up to 200% of annual income in order to smooth out fluctuations in income and expenditure but also to purchase additional properties and/or make significant improvements to our existing properties. During this last year we continued to make upgrades and enhancements to the facilities in the church building. We are retaining funds to enable us to purchase additional or alternative premises, should that be appropriate.

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below *) in connection with the examination which gives me cause to believe that in, any material respect;

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
