The Stanford Trust (Registered number: 02826331)

Report of the Trustees
for the Year Ended 31 August 2021

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 August 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

Objectives

The object for which The Stanford Trust ('the Trust') was established, as defined by the Memorandum of Association, dated 21 May 1993, is the advancement and support of education by making donations to support colleges of further education or universities including, in particular, Stanford University, provided that the donations shall be made for the purposes of the colleges and universities which are purposes being charitable under the law of England and Wales.

Aims

The Trust aims to advance education through the provision of funding to Stanford University to support scholarships and other charitable activities.

Objectives and strategies

- To distribute income in the most effective way possible and to monitor the impact of grants made.
- To increase the amount of income raised by the Trust.

Activities and public benefit

Income of £463,374 (2020 - £2,300,742) was raised during the year and £449,860 (2020 - £2,299,400) applied to the charitable purposes of the Trust. The Trust distributed grants to Stanford University to support its scholarship programmes and other educational activities, and the the Committee considers that its objectives have been adequately met during the year by making these funds available to Stanford University. The Committee confirms that it has regard to the Charity Commission's guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities; and that they are of benefit to the wider public.

Grantmaking

Grants are made by the Trust to achieve its objects of advancing education through funding made available to higher education institutions and ultimately for public benefit. Grants are not made until these have been scrutinised and agreed by the Committee. The Trust concentrates on providing funding to Stanford University, and offers funding for focussed purposes, including the provision of scholarships for students at Stanford University.

Future plans

Through an enhanced fundraising policy, the Trust hopes to increase the level of funds raised over the next few years.

Financial position & review

The Trust is operated as a grant making charity and the Committee's policy is to distribute the income received in each financial year, and as such minimum reserves of no more than £5,000 are held. The Committee takes the view that as a grant making charity with no employees and minimal overheads there is limited need for the Trust to hold reserves. The Trust receives the bulk of its income as donations from individuals, many of whom are alumni of Stanford University. In the current year £449,860 has been donated by way of grants to Stanford University in order to advance the objects of the Trust. At the end of the year, The Trust had a surplus on reserves of £40,029 (2020: surplus £30,283).

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Documents

Legal Status

The Stanford Trust ('the Trust') is controlled by its governing document, deed of trust, and constitutes a company limited by guarantee, as defined by the Companies Act 1985, having been incorporated on 11 June 1993 (Co.No. 2826331) and it is registered as a charity (Registered Charity No. 1022726). The Trust is administered by a committee, whose members are its directors for the purpose of company law and its charity trustees for the purposes of charity law. The committee members are the trustees in office during the year as mentioned in the information section.

Recruitment and induction of Committee Members

The Leland Stanford Junior University ("Stanford University"), as sole member of the Trust, appoints the members of the committee of the Trust at its Annual General Meeting. At each Annual General Meeting a third of the committee retires by rotation and may be re-appointed by Stanford University to serve for a further term of office. New committee members are requested to review the Charity Commission's guidance 'CC3: The Essential Trustee: what you need to know' and are expected to be conversant with their responsibilities. They are also given a copy of the Memorandum and Articles of the Trust.

Decision making

Under the Articles of Association of the Trust, dated 21 May 1993, the Committee manages the activities of The Stanford Trust and is empowered to exercise all the powers of the Trust in pursuance of its objects. The Trust is a small organisation and has no employees, but it does have an administrator that works for the Trust on an ad hoc basis. The Committee takes all the decisions on the allocation of funding.

Related parties

The directors regard Stanford University to be the company's ultimate controlling party. Stanford University, is also the main beneficiary of the charity's grants and it bears the cost of the company's audit and accountancy fees and makes contributions towards the company's bank charges from time to time. These contributions are shown as donated services of £1,440 (2020 - £2,750).

Risk management

The Committee considers that, as charity trustees of a grant-making charitable company which does not give advance funding commitments, their exposure to operational risks is minimal. The Committee members have reviewed the major risks faced by the Trust and are satisfied that steps have been taken to mitigate those risks.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
