Annual Report

Another busy year for our Charity, raising funds to look after our dogs. Veterinary fees are particularly high, and some of our dogs have needed urgent operations. We regularly hold tombola, raffle, and sales events at local businesses or if there is a local show. We have been established over 30 years, so are well known in the Rescue world. We also hold our own dog shows which are always successful. We also have a successful Vinted Auction site which helps.

We have made improvements to our kennels – an extra storage room, extra dog pen, racking, etc.

Been quite a traumatic year for us: bereavement, illness etc, but we are all still committed to the cause (just getting older!)

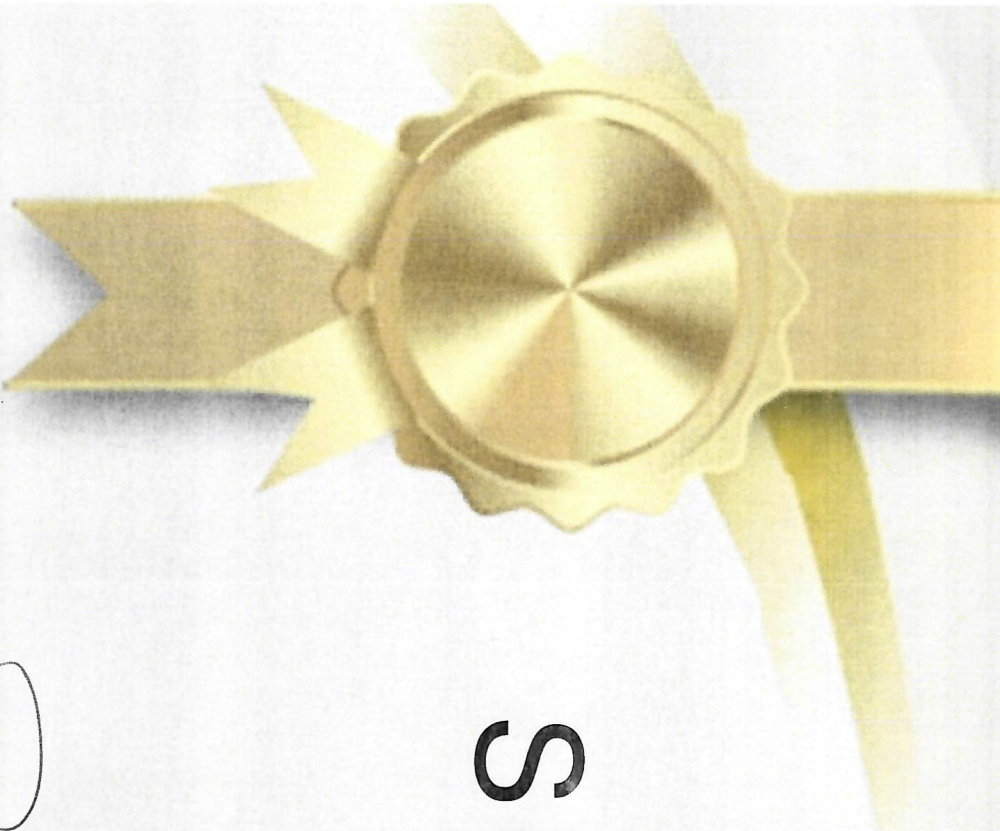

We are fortunate in having excellent supporters to look after our dogs and assist the two Managers.

We appreciate our Registrattion very much and are looking forward to meeting the undoubted challenges.
