STRUCTURE, GOVERNANCE AND MANAGEMENT

The Charity

Shepperton Community Church was registered under a Deed of Trust on 7 July 1993 with the registration number 1023505 originally with the name Shepperton Christian Fellowship. The name Shepperton Community Church was adopted in April 1995. In the autumn of 2009, the Charity Commission approved the use of the working name Jubilee Church Shepperton and in October 2012 approved the additional working name of Debtscape Shepperton. The Deed of Trust was amended with a Supplemental Deed of Trust on 1 October 2013. Jubilee Church Shepperton is part of Commission, a Sphere of the Newfrontiers family of churches, and a member of the Evangelical Alliance.

Recruitment, induction, and training of new Trustees

The Trust Deed specifies that all Trustees are appointed by the Elders. Trustees attend training courses when suitable courses are identified. They also receive copies of the Charity Commission News when they are published.

Trust Management

Within the church the primary decision-making body is the Eldership, and it is the role of the Trustees to implement their policy whilst ensuring that at all times adherence to the requirements of both the Trust Deed and relevant legislation is maintained. The Elders together govern the church, and the Trustees implement the policy decisions of the Elders. Mr D Webb-Peploe and Mrs J Jones are the only remunerated Trustees.

Risk management

The Trustees regularly review the risks associated with the charity. Financially this is achieved by setting an annual budget for unrestricted funds. The Trustees use budget holders for different areas of the church to assist in the budget setting and monitoring process. However, the ultimate responsibility still lies with the Elders and Trustees.

The financial position of the Trust is regularly reviewed by means of the treasurer providing the Trustees and Elders with management accounts of both spend against budget and income figures on a monthly basis. The Trustees have a number of policy documents in place to manage the charity and premises, these are currently being reviewed and updated. General risks are covered with two insurance policies. The first is a general insurance policy designed for churches without premises (in addition Thamesmead School provides insurance cover for the building) which includes Trustees' Liability Insurance which provides a limit of indemnity of £100,000. This insurance policy is with Ansva Insurance. There is also a Professional Indemnity Insurance policy with Markel International Insurance Company Limited which provides a Professional Indemnity limit of indemnity of £1,000,000 and Management Liability limit of indemnity of £500,000 to cover the work of Debtscape Shepperton.

The Trustees undertake a Health and Safety survey of the premises regularly. We have reviewed the data protection legislation and are registered with the ICO for the work of Debtscape Shepperton and the Church. We have a Safeguarding Lead and Deputy Safeguarding Lead who are both members of the church, and not Trustees. The church continues to be a member of Thirtyone:eight. The church continues with its policy of DBS checks for all children and youth workers and for those working with vulnerable adults. There is also a requirement that all Debt Advisors with Debtscape Shepperton are checked. We check all new workers and existing workers; trustees and Elders are rechecked regularly.

Since March 2020 we have experienced the effects of the COVID-19 pandemic. The majority of our income is received by Standing Orders and BACS payments, some income that was previously received via the collection baskets on Sunday mornings moved to being sent by BACS or Standing Orders. Towards the end of 2021 this began to impact on our income as people moved churches following the lifting of restrictions. Trustees therefore took the decision to temporarily reduce the hours of the Lead Elder and Youth and Children's Coordinator by 1 day a week from January 2022 to reduce staffing costs. Should the situation change further we have sufficient reserves to enable us to continue with our objectives for several months, this is being kept under regular review by trustees.

Public Benefit

We continue to review the activities of the church in order to identify ways in which we can provide a greater service to the community in which it is situated.

Although there has been an impact on our activities since March 2020 the church has continued to provide public benefit in numerous ways which include the following activities: -

- Jubilees which is a Mother and Toddler group which is attended predominantly by mothers from the local community who do not attend the church. Jubilees was suspended in March 2020 and restarted in September 2021 with a reduced capacity and pre-booking requirement to manage numbers attending.
- Bublees is a similar group to Jubilees but is for mothers with babies up to 1 year old. Bublees was suspended in March 2020 however as a support group it was able to restart in person meetings in September 2020 under strict Covid guidelines for support groups. Bublees ceased in August 2021.

**Jubilee Church Shepperton

for the year ended 31 December 2021**

Public Benefit (continued)

- Debtscape Shepperton, our debt advisory service, provides debt advice to the community in which the church is situated. Debtscape closed on 31st October 2021.
- The Alpha courses enable non-believers or those on the threshold of faith to learn about issues of faith and to bring their own questions and voice their personal concerns in a non-threatening atmosphere. We did not run an Alpha course during 2021 but our next course begins in April 2022.
- The church runs a weekly small group (Oak Tree Café) for those with mental health issues. It is open to anyone in the local community. Oak Tree Café suspended in person meetings in March 2020, they continued to meet weekly on Zoom until August 2020 when they were able to restart in person meetings initially in the garden at the Jubilee Centre under strict Covid guidelines for support groups.
- The church runs a weekly small group (Addiction Recovery) for those with substance abuse issues. It is open to anyone in the local community. Addiction Recovery suspended in person meetings from March 2020 until November 2020 when they were able to restart in person meetings once a month at the Jubilee Centre under strict Covid guidelines for support groups. Addiction Recovery ceased in April 2021.
- The church runs a project which we call Bags of Food. This involves providing people, predominantly families, who are in need with bags of food and hygiene items. This project has escalated during the Covid-19 pandemic, and we have taken responsibility for the TW17 postcode. The local community has supported this project with significant and regular donations throughout the Covid 19 pandemic.
- The church has a Christmas Hamper project. Since 2020 this has been rebranded as Bags of Christmas to run alongside Bags of Food. In December 2021 the church gave away 49 bags to families in need in the local community, these contained food supplies as well as other Christmas treats. We were given some of the food by local schools that had been given it for their harvest celebrations, the rest was given by members of the church and the community. Local businesses also supplied some donations of food and financial support.
- Themba Theatre is a children's theatre group. It is open to anyone in the local community. Themba suspended in person meetings from March 2020, they were able to meet in person at the Jubilee Centre under strict Covid guidelines for youth groups and the Performing Arts during October and December 2020 and then restarted meeting regularly from April 2021.

In these ways, the Trustees have complied with the duty in section 17(5) of the 2011 Charities Act to have due regard to the guidance issued by the charity Commission in respect of public benefit.

OBJECTIVES AND ACTIVITIES

Objectives and aims

During the last year, the church has continued to fulfil the objectives of the charity, which are:

- to advance the Christian Religion by proclaiming the gospel of God and His Son, the Lord Jesus Christ, and to preach and teach the Christian Faith.
- to relieve poverty, hardship, and distress in such matter as the Trustees shall from time to time decide.
- to advance education whether of children (above or below compulsory school age) or of adults.

Significant activities

These objectives have been achieved by holding regular weekly worship services on Sunday mornings, in March 2020 in person services were suspended but services continued every week on YouTube. In April 2021 we began to hold in person services on Sunday mornings with a strictly limited capacity, the service was also livestreamed for those unable to attend. Attendance capacity was gradually increased until August 2021 when restrictions were lifted. Livestreaming of services also stopped from August 2021.

Small group meetings take place mid-week, these also moved online from March 2020 with groups meeting together via Zoom or other online video platforms, some groups were able to meet in person outside at times depending on the current restrictions in place. Since restrictions have been lifted, some groups have continued to meet online while others are now back to meeting in person. Together these have given members of the church opportunities to worship God and to be taught the Christian faith, even while in person meetings were suspended. The proclamation of the Gospel to non-believers has been undertaken through the church services, small group meetings, outreach events including a programme of social action and, in particular, through the medium of Alpha courses. Alpha courses enable non-believers, or those on the threshold of faith, to learn about issues of faith and to bring their own questions and voice their personal concerns in a non-threatening atmosphere. Moving our church services online allowed us to reach a much wider audience, while our social action work, specifically Bags of Food, has been a significant activity within the local community since 2020.

Report of the Trustees
for the year ended 31 December 2021**

Significant activities (continued)

There are currently nine small groups, which give opportunity for members to explore faith further, to develop closer relationships within the church and to provide another forum through which to introduce non-Christian friends to the Gospel. One of these is for young people. Since March 2020 groups moved to meeting online rather than in person, groups began meeting in person as restrictions allowed although some groups have continued to meet online. Crowning Years were unable to meet online however contact was maintained with this group by delivering a printed news sheet and CD of the sermon to members weekly as well as other informal contact, either phone calls or garden visits, as restrictions allowed.

During the last year, the church has continued its activities within the local community

The Mother and Toddler group (Jublees) that runs one morning a week at The Jubilee Centre is managed by one of our church members who is a primary school teacher. We are now at the stage where we have virtually reached the capacity for the premises. This has been achieved through recommendations and no formal advertising. In addition, we had a group for mothers of young babies (Bublees) which was run by another of the church members. Jublees was impacted by the Covid 19 pandemic and was unable to meet from March 2020 to September 2021.

The Youth Work continues, and they meet on Thursday evenings. Although in person meetings were suspended in March 2020, they continued to meet every week on Zoom, with in person meetings restarting in April 2021 initially in the garden of the Jubilee Centre under strict covid guidelines.

The church ran two support groups one for those with mental health issues and the second for those suffering with substance abuse (this group ceased from April 2021). They are open to anyone in the local community.

The church has a Christmas Hamper project (Bags of Christmas) where in December 2021 the church gave away 49 bags to families in need in the local community. We were given Christmas food and luxuries by members of the church, the local community and local schools. Local businesses also supplied some donations of food and money. The bags consisted of Christmas food and luxuries which the recipients may not have been able to afford. The recipients were mainly referrals from Bags of Food, Debtscape Shepperton and local schools.

Since March 2020 our Bags of Food project has served as the food bank for the TW17 area. This involves giving people, predominantly families, who are in need bags of food. Food is collected and delivered on a weekly basis with volunteers sorting and packing during the week. Food is given by members of the church as well as the local community with volunteers also coming from within the community as well as the church. A local bakery also donates their leftover goods one day a week. Since the beginning of the Covid-19 pandemic, we have seen increased demand and support for this service. Bags of Food receives referrals from Debtscape Shepperton, local home school link workers, job centres, social services and other agencies, we have also received support in terms of donations of food, money and time from the local community, local groups and businesses which has enabled us to provide food and hygiene items to those in need. While activities that usually used the Jubilee Centre were suspended or greatly reduced Bags of Food was able to use more space within the building during this time which has helped it to meet the increased demand. In preparation for groups restarting, we invested in new storage cupboards to enable Bags of Food to continue to meet demand and not impact on the space available within the Jubilee Centre.

The majority of other church activities continued by either YouTube or Zoom and have restarted in person as restrictions were lifted.

ACHIEVEMENTS AND PERFORMANCE

Charitable activities

Jubilee Church Shepperton continued with all the normal church activities as far as possible as well as those listed as benefits to the community. The Mother and Toddler group (Jublees) and the group for mothers of young babies (Bublees) both continued to thrive without the need for any publicity and were at full capacity when they reopened. Debtscape Shepperton had 6 new referrals in 2021, no new referrals were taken on after 31st March 2021. There were 36 active cases of which 17 cases were helped to become debt free before Debtscape Shepperton closed on 31st October 2021, 2 more were on Debt Management Plans, and some were enquiry only cases. Oak Tree Café usually has 10 to 15 attendees each week and the Addiction Recovery group had up to 15 attendees each month. The church has a Christmas Hamper project (Bags of Christmas) where in December 2021 the church gave away 49 bags to families in need in the local community. The Bags of Food project has become very successful in meeting the needs of people and predominantly families who are in need in the local community by giving them bags of food. The Elders are always looking for new projects that will benefit the community particularly where social justice is involved.

FINANCIAL REVIEW

The largest item of expenditure continues to be Ministry expenses, and these include gifts to visiting preachers. Expenditure on Ministry fees this year has been £81,390 (63.4%) of the church's unrestricted income, mainly salaries for the current full-time Elder (Mr D Webb-Peploe), Children's and Youth Work Coordinator (Mrs J Jones) and Treasurer and Communications Coordinator (Mrs J Wilsher).

The heading 'Missionary and charitable giving' shows £15,291 (11.9%) of the church's unrestricted income was given to other organisations and individuals for the relief of poverty. The restricted funds under the heading 'Missionary and wider gifts' are specific gifts, which have been given in support of other charities and individuals. The only recipients of the unrestricted gifts were Commission. Commission is a family of churches in the UK and other nations led by Guy Miller and his team. It is passionate about planting churches, equipping the Saints, training leaders, reaching the unreached and caring for the poor with which the charity is associated, and which helps the development of like-minded churches throughout the world. The church spent £90 (less than 1%) of the unrestricted funds on attendance at conferences, training, and outreach (this was lower than usual due to the Covid 19 restrictions on in person training and conferences).

The church had one interest free loan of £16,000 from a member of the church. The purpose of this loan was for the installation of solar panels on the roof of the Jubilee Centre. The terms of repayment are that we repay them with the feed-in tariff payments that we receive from the Government. The outstanding balance of £610 was paid off in February 2021.

The premises continues to be a shared facility with Thamesmead School, which is using the main hall as a drama facility during school time, in return for which the land is leased to the charity at a nominal rent and we continue to be able to use the school classrooms rent-free on Sundays.

In addition, to minimise costs and risks associated with the building project, the Trust appointed Jubilee Centre Developments Limited ("JCDL") as the development company to deliver the completed project to the Trust. This company is limited by share capital and registered in England and Wales. David Webb-Peploe is one of the two directors and shareholders, the other director and shareholder being another member of the church. This company is no longer trading, having fulfilled its purpose and contract to the Trust. The church also has a further account known as New Covenant Trust. This account is for the benefit of the members if and when they face financial hardship. It is not a trust fund and is not related to the church's trust funds, and accordingly, has not been included in these accounts.

RESERVES POLICIES

The terms of the Trust Deed allow the Trustees to invest monies in stocks and shares or other investments or property. Alternatively, the monies may be left invested on deposit at a bank as the Trustees see fit. The major source of monies that the church has had at its disposal to invest during the last year has been the general funds. In these circumstances the Trustees have invested the money in a deposit account which currently gives the best rate for practical operations.

The church's income reserves policy is to aim to have £10,000 of general funds available to meet current needs.

At the end of the reporting period, the church had £31,922 in unrestricted funds. In addition, the church had restricted funds totalling £525,606 consisting of the building fund of £507,468, the Themba fund of £5,028.13, the Bags of Food fund of £13,037.78 and the Christmas Hampers fund (Bags of Christmas) of £71.69.

Respective responsibilities of Trustees and Examiner

The charity's Trustees are responsible for the preparation of the accounts. The charity's Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

3. to state whether particular matters have come to my attention.

Basis of Independent Examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as Trustees concerning any such matters. Independent Examiner's statement

In connection with my examination, no matter has come to my attention other than that disclosed below

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 130 of the 2011 Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act and the regulations made thereunderhave not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Your attention is drawn to the fact that the charity has prepared the accounts (financial statements) in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn. We understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

No other matter has come to my attention in connection with my examination to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Jubilee Church Shepperton
Notes to the Financial Statements
for the year ended 31 December 2021

1. ACCOUNTING POLICIES

1.1 General information

The charity is a registered charity in England and Wales and is unincorporated. The Trustees are the members of the church named on page 1. The address of the principal office is The Jubilee Centre, Manygate Lane, Shepperton, Middlesex, TW17 9EE

1.2 Statement of Compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

1.3 Basis of preparation

The objectives of the charity are to advance the Christian Religion, relieve poverty, hardship and distress, and to advance education. The charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

The financial statements are prepared in sterling, which is the functional currency of the entity.

Monetary amounts within the financial statements are rounded to the nearest £.

1.4 Preparation of the accounts on a going concern basis

The Trustees have assessed whether the use of the going concern assumption is appropriate in preparing these financial statements. The Trustees have made this assessment in respect to a period of one year from the date of approval of these financial statements, and they are of the view that the level of reserves will support the charity going forward.

1.5 Significant judgements and estimates

In the opinion of the Trustees, no significant judgements or estimates were made during the preparation of the financial statements that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

1.6 Income

Income recognition

Income is recognised in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- it is more likely than not that the Trustees will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Offsetting

There has been no offsetting of assets and liabilities, or income and expenses.

Donations

Donations are only included in the SoFA when the general income recognition criteria are met.

Tax reclaims on donations and gifts

Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the Trustees' annual report.

Income from interest

This is included in the accounts when receipt is probable, and the amount receivable can be measured reliably.

Income from membership subscriptions

Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.

Jubilee Church Shepperton

Notes to the Financial Statements
for the year ended 31 December 2021

1. ACCOUNTING POLICIES (*continued*)

1.7 Expenditure

Expenditure

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category.

Governance and support costs

Support and governance costs incurred are apportioned across the charitable activities on a basis consistent with the use of resources.

Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

Grants payable without performance conditions

Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.

1.8 Basic financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value. Financial assets held at amortised cost comprise cash at bank and in hand, together with other debtors. Cash at bank and in hand is defined as all cash held in instant access bank accounts and used as working capital. Financial liabilities held at amortised cost comprise all creditors except social security and other taxes.

Fittings and equipment	-	20% on cost
Solar panels	-	straight line over 15 years

1.10 Taxation

The charity is a registered charity and is exempt under Part 11 of the Corporation Tax Act 2010 on its income and section 256 of the Taxation of Chargeable Gains Act 1992 on its capital gains.

Designated funds represent funds earmarked for specific reasons as decided by the Trustees.
