Friends of Carlisle Cathedral
Trustees' Report for the Year Ended 31 December 2020

The financial statements have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

Organisational structure

The charity was established in 1934 and is governed by its Trust Deed.

The Trustees who acted during the year are shown above. Trustees are appointed by the board of the Trustees for an initial period of three years. Meetings usually take place four times a year.

Risk Assessment

The Trustees have reviewed the risks facing the charity, including the impact of the pandemic, and are satisfied that there is no significant risk at present. The Trustees will continue to monitor this area.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The charity's objectives are set out in its governing document and are as follows:

- (a) To further such religious and other charitable works of Carlisle Cathedral as the Trust, after consultation with The Chapter of Carlisle Cathedral, shall deem appropriate.
- (b) To co-operate with The Chapter in beautifying and maintaining the fabric, fittings, ornaments, books, manuscripts, and vestments of and in Carlisle Cathedral, the Fraternity and other Chapter buildings and grounds within the Cathedral Close of Carlisle Cathedral in the Diocese of Carlisle.
- (c) To assist The Chapter in the maintenance of the music and services of the Cathedral.
- (d) To assist in the general maintenance of the Cathedral and other Chapter houses, buildings, and grounds within the Cathedral Close.

In determining these objectives, the Trustees have paid due regard to Charity Commission guidance on public benefit.

FINANCIAL REVIEW

Reserves

The Trustees also aim to ensure the Trust maintains sufficient reserves to meet its pledges to the Cathedral. At the year end, the charity had unrestricted reserves of £417,356 and free reserves of £39,450.

Overall Income

Total income during 2020 amounted to £28,582 compared with £32,662 in 2019 as detailed in the Notes to the Accounts. Welcome legacies were received of £1,000 (2019 £500).

Grants to the Cathedral

The Trust awarded grants to the Cathedral during 2020 of £44,432 (2019: £20,440). This was made up of music grants of £12,500 (2019: £14,500), fraternity grants of £25,000 (2019: £nil) and fabric grants of £6,932 (2019: £5,940).

Administration Costs

Other expenditure includes the cost of producing the Annual Review of £nil (2019: £380).

Friends of Carlisle Cathedral
Trustees' Report for the Year Ended 31 December 2020

Assets

On 31 December 2020, the investment portfolio was valued at £564,676 (2019: £603,646) and cash reserves stood at £60,043 (2019: £65,050). Although shares have proved to be a good long-term investment, we recognise the need for a flexible investment strategy. With the advice of our financial advisors who operate on a discretionary basis, we aim to protect the value of the capital by responding appropriately to changing conditions.

Post Balance Sheet Events

There are no post balance sheet events to report.

FUTURE PLANS

The Trust is committed to making a contribution during 2021 towards Cathedral Music of £12,500.

IMPACT OF COVID-19

Though the pandemic appeared to trigger a fall in the valuation of our portfolio over the year, the resilience which we have tried to build into our diverse holdings seems to have helped restore value during the following quarter.

Approved by the Trustees on 13 May 2021 and signed on their behalf by:

D B Armstrong
Trustee

Friends of Carlisle Cathedral

Trustees' Responsibilities in relation to the Financial Statements

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards.

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations and the provisions of the trust deed. They are responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection fraud and other irregularities.

Independent Auditors' Report to the Trustees of Friends of Carlisle Cathedral

Opinion

We have audited the financial statements of Friends of Carlisle Cathedral for the year ended 31 December 2020, set out on pages 9 to 19 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 (FRS 102) The Financial Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2020 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to smaller entities; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the original financial statements were authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, including the trustees' report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Independent Auditors' Report to the Trustees of
Friends of Carlisle Cathedral**

..... continued

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Financial Statements is inconsistent in any material respect with the Trustees' Report; or
- sufficient accounting records have not been kept; or
- the Financial Statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors report.

Responsibilities of trustees

As explained more fully in the Trustees' Responsibilities Statement set out on page 4, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Independent Auditors' Report to the Trustees of Friends of Carlisle Cathedral

..... *continued*

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditors under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and then design and perform audit procedures responsive to those risks, including obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion.

In identifying and assessing risk of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we considered the following;

- results of our enquiries of management about their own identification and assessment of the risks of irregularities;
- any matters we identified having obtained and reviewed the charity's documentation of their policies and procedures relating to:
 - identifying, evaluating and complying with laws and regulations and whether they are aware any instances of non-compliance;
 - detecting and responding to risks of fraud and whether they have any knowledge of any actual, suspected or alleged fraud;
 - the internal controls established to mitigate risks of fraud or non-compliance with laws and regulations;
- the matters discussed among the audit team regarding how and where fraud might occur in the financial statements and any potential indicators of fraud.

As a result of these procedures, we considered the opportunities and incentives that may exist within the organisation for fraud and identified the greatest potential for fraud to be in relation to management override which, in common with all audits under ISAs (UK), we are required to perform specific procedures to respond to this risk.

We also obtained an understanding of the legal and regulatory framework that charity operates in, focusing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations considered in this context included the Charities Act 2011.

As a result of performing the above, in response to the risks identified, we did not identify any key audit matters related to the potential risk of fraud or non-compliance with laws and regulations.

In addition, to the above, our procedures to respond to risks identified the following:

- reviewing the financial statements disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- enquiring of the trustees concerning actual and potential litigation claims;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- reading minutes of meetings of those charged with governance; and
- in addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of potential bias; and evaluating the rationale of any significant transactions that are unusual or outside the normal course of the charity's work.

**Independent Auditors' Report to the Trustees of
Friends of Carlisle Cathedral**

..... *continued*

We also communicated relevant identified laws and regulations and potential fraud risk to all engagement team members and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with The Charities Act 2011. Our audit work has been undertaken so that we might state to the trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Friends of Carlisle Cathedral

Notes to the Financial Statements for the Year Ended 31 December 2020

1 Accounting policies

Statement of compliance

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Basis of preparation

The charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Restatement of Comparatives

The 2019 comparative figures have been restated. The cash balances within investments have been shown against current assets, rather than investments. There are no changes to the overall totals on the balance sheet and no changes to any figures on the Statement of Financial Activities.

Going concern

These financial statements have been prepared on a going concern basis.

Fund accounting policy

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.

Restricted funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Further details of each fund are disclosed in note 14.

Income and endowments

Legacies are recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability.

Investment income is recognised on a receivable basis.

Income from charitable activities includes income recognised as earned (as the related goods or services are provided) under contract.

Friends of Carlisle Cathedral

Notes to the Financial Statements for the Year Ended 31 December 2020

..... continued

Expenditure

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Grants payable are payments made to third parties in the furtherance of the charitable objectives. Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specific service or output.

Grants payable without performance conditions are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Investments

Fixed asset investments are included at market value at the balance sheet date.

Realised gains and losses on investments are calculated as the difference between sales proceeds and their market value at the start of the year, or their subsequent cost, and are charged or credited to the statement of the financial activities in the period of disposal.

Unrealised gains and losses represent the movement in market values during the year and are credited or charged to the statement of financial activities based on the market value at the year end.
