

TRUSTEES ANNUAL REPORT FOR THE YEAR 1ST MARCH 2023 – 29TH FEBRUARY 2024

AIMS & OBJECTIVES

Purpose of the Charity

- (i) To promote for the benefit of the inhabitants of Hamsteels Housing Estate and the neighbourhood (the 'area of benefit') without distinction of sex or of political, religious or other opinions by associating the local authorities, voluntary organisations and inhabitants in a common effort to advance education and to provide facilities in the interests of social welfare for recreation and leisure-time occupation with the object of improving the conditions of life for the said inhabitants.
- (ii) To establish or secure the establishment of a community centre/village hall and to maintain and manage or cooperate with any statutory authority in the maintenance and management of such a centre for activities promoted by the Association and its constituent bodies in furtherance of the above objects.
- (iii) The Association shall be non party in politics and non sectarian in religion. The Association shall have power to affiliate to the National Federation of Community Associations, the Durham County Federation of Community Organisations and to other organisations with similar charitable objects.

Summary of main activities

We have operated the community centre for the benefit of the local community and the wider public.

Activities taking place include karate, dance classes, carpet bowls, line dancing, exercise classes, healthy eating sessions, history group, indoor kurling, arts and crafts, bingo, art groups and baby and toddler sessions. New sessions starting during the year have included a monthly folk night and activities for pre-school children. Throughout the year a number of plays, community events, Christmas events and celebrations have also been held for the local community and during the winter months, we were able, once again, to offer a Welcome Space with free hot drinks and soup for people in the local community.

Charity Commission guidance

Trustees have had regard to the guidance on public benefit issued by the Charity Commission in relation to these activities.

Contribution made by volunteers

The exceptional contribution made by our team of volunteers and the hundreds of hours of time given during the year must be remarked upon.

Without this dedicated group of people, the community centre would not be able to function. From opening up the centre for user groups, organising events and activities, administration, cleaning, maintaining, decorating and so much more, these people are owed a huge amount of thanks for all that they do.

ACHIEVEMENTS & PERFORMANCE

Summary of main achievements

The community centre has had a successful year and is busy each week with art classes, karate, parent and toddler group, dance classes, carpet bowls, line dancing, yoga, indoor kurling, exercise classes and craft groups using the centre. This brings a wide range of activities to the local community and helps local people to participate without the need to travel.

A number of other events and activities have also taken place. Following feedback the previous year, we were able to bring another touring play this year. Children's discos and holiday activities have been organised, and events for the community and Christmas celebrations also took place.

The community centre is open during the day for local people to use to meet with others, access computers and the internet and read and borrow books. This year the community centre again offered 'warm space' sessions, opening for local people who were struggling

to afford to heat their homes during the cold weather. The sessions offered somewhere warm to spend time, hot drinks and light lunch and chance to meet and socialise with other people. These sessions built up a number of regular attendees.

We are also pleased that, despite being faced with rising costs for the running of the community centre, we have been able to avoid making any increase in charges to user groups which is of benefit to people with lower incomes as activities remain as affordable as possible to remain accessible.

Continuing our work to maintain and improve the building, the year we were able to complete redecoration and improvements to one of the multipurpose rooms and also a number of corridors and the toilets areas with further work planned in future years too.

The grant we obtained for environmental improvements has been used during the year with new LED lighting in the main hall, smart heating controls being fitted throughout the building and work commenced on the installation of a solar panel system too which will reduce the carbon footprint of the building and reduce energy costs too.

FINANCIAL REVIEW

Financial position of the Charity

We end the year in a healthy financial position. Despite having been faced with increased costs, Trustees and volunteers have worked extremely hard to generate additional income to support the running of the centre while maintaining affordable prices for local people and centre users.

At the year end, the sum of £27,663,66 was held. Of this, £6,000 had been allocated towards replacement windows for the main hall to improve natural light and ventilation, a further £6,000 towards continuing redecoration and improvements throughout the building and £2,500 towards replacement of furniture which is reaching the end of its life.

This left around £13,000 which, based on the general running costs of the building of approximately £11,000 is considered an appropriate amount to carry forward to support running costs of the centre and community events and activities next year.

Policy on reserves and amount held

Trustees have made provision for additional works in the next financial year maintain, develop and improve the community centre.

Trustees have also ringfenced £6,000 towards further redecoration and refurbishment of the building. While redecoration work undertaken to date has been carried out substantially by volunteers, it is anticipated that, due to its size and height, the main hall will require professional contractors to redecorate.

The sum of £3,000 has been ringfenced to cover unforeseen expenses such as breakdown of key equipment.

The funds remaining offer sufficient flexibility to support the day-to-day running of the centre, particularly as income is not consistent across the year, with much quieter periods in the summer and Christmas periods. While both gas and electricity are in contract at fairly reasonable rates, both fall due for renewal next financial year and it is considered prudent to retain sufficient flexibility as we recognise that these rates will increase substantially above the amount currently being paid.

(remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 29/02/2024

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. Delete [] if not applicable.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
