REPORT FROM THE CHAIR

The Mary Ward Legal Centre (“the Legal Centre”) helped nearly 2,000 people with their legal issues during 2021-22, continuing to provide specialist advice casework and representation in the areas of debt, housing and welfare benefits, and a pro bono service offering advice on employment, housing, consumer, general civil litigation, and family law.

The Legal Centre is seeing a growth in demand in all advice areas following the impact of the pandemic and now the cost of living crisis. To address this increased demand the Legal Centre was able to secure some additional funding to provide housing advice to residents in Newham and Enfield with the aim of reducing homelessness.

The Legal Centre was successful in securing funding from the Legal Education Foundation’s Justice First Fellowship Scheme, to employ another trainee solicitor for two years from April 2023, which will increase its capacity to help more people whilst enabling a much-needed growth in future social welfare lawyers.

The need for help with Welfare Benefits appeals continues to grow and, as a result, the Legal Centre has been awarded continuation funding from Trust for London to provide specialist welfare benefits advice and representation to people in need across London.

Funding from the Money and Pensions Service through the Debt Free London partnership enabled the Legal Centre to provide much-needed debt advice to Londoners struggling with their debts. Through a partnership with other advice providers and food banks in Newham the Legal Centre is offering specialist advice to Newham food bank users with funding from the GLA and London Borough of Newham. Securing Kickstart apprenticeship funding enabled the Legal Centre to increase its capacity and help support a young person at the start of their career.

The hard work and commitment of the Legal Centre staff and pro bono volunteers has resulted in many successful outcomes for clients, including reducing homelessness, increasing incomes, reducing debts, improving housing conditions and wellbeing.

We are grateful to the following funders and donors for 2021-22: London Borough of Camden, Legal Aid Agency, Money and Pensions Service, Trust for London, Community Justice Fund, City Bridge Trust, Legal Education Foundation, London Legal Support Trust, Henry Smith Charity, GLA, AB Charitable Trust, St Andrew Holborn, Linklaters, Clifford Chance, Weil Gotshal & Manges, Powell Gilbert, and Farrer & Co.

FINANCIAL REVIEW

The results for the year are set out on page 16. There has been a deficit for the year of £65,669 (2020-21: surplus £108,937). Income, including the value in kind of pro bono donations of goods or services valued at £78,053 (2020-21: £107,987), fell overall by £329,759 to £1,010,139 (2020-21: £1,339,898). The fall reflects a drop in legal aid income and income received from LB Camden, the Money Advice Service Debt Free London project and lower grants and donations overall, following the generous response to the nationwide Covid-19 lockdown in 2020-21.

Income from the Debt Free London contract, at £206,583, was lower than the previous year (2020-21: £255,607), due to several trainee debt advisers leaving the Legal Centre to move onto different roles, following their period of training. Other income for specialist advice, which comes primarily from the Legal Aid Agency and the London Borough of Camden totalled £353,191, lower than the previous year (2020-21: £428,235), primarily because the LB Camden contract was renewed from April 2020 at lower value, but was protected in the first year as a response to the Covid-19 pandemic. Legal aid income remained low, following the national lockdown from March 2020 as a result of housing possessions being stayed. Although the stay on possession hearings was removed, the number of possession cases being listed was low, with a backlog of work in the Courts, and consequently the volume of legal aid work has remained lower.

Other sources of funding included the AB Charitable Trust, Henry Smith Trust, the London Legal Support Trust, St Andrew Holborn, Trust for London, City Bridge Trust and the Legal Education Foundation, jointly contributing £180,262. The two main corporate funders; Linklaters and Clifford Chance both continued with their generous funding, donating £65,000 and £30,000 respectively (2020-21: £80,000 and £20,980), and both continued to donate the services of trainee solicitors, pro bono, as in previous periods, which have been valued at a total of £75,000. Income of £4,974 was received from the government's Coronavirus Job Retention Scheme to support the salary costs of staff unable to work during the lockdown period.

REPORT OF THE BOARD OF TRUSTEES
FOR THE YEAR ENDED 31 JULY 2022

FINANCIAL REVIEW (continued)

Costs fell by £155,153 to £1,075,808 (2020-21: £1,230,961). Total salary costs were £869,193 (2020-21: £959,073), of which £75,000 (2020-21: £75,000) was the recognised value of donated services from Linklaters LLP and Clifford Chance LLP. This reflects an underlying decrease in operational staffing costs arising from reductions in staffing levels of trainee debt advisers, and a reduction in the specialist advice grants from the London Borough of Camden from April 2021, which impacted the full 2021-22 year. Other admin and premises costs fell during 2021-22 compared to 2020-21 as costs were tightly controlled during a period of lower activity and income levels.

Costs continue to be carefully managed where possible; however growth of services is essential in order to meet the future income targets for future sustainability, and the targets of our funders. The demand for the Centre's services remains high and the current disparity between income and costs reflect a commitment to an increase in provision, planned over the next few years.

TREASURY MANAGEMENT

Treasury management is the management of the Centre's cash flows, its banking, money market and capital market transactions, the effective control of the risks associated with those activities and the pursuit of optimum performance consistent with those risks.

There was a net decrease in the cash held by the Centre of £5,873 to £44,430 (2020-21: £50,303). Relatively low cash balances are indicative of the tight margins in the operational activity of the Centre. Careful treasury management will remain an essential focus for the Centre's Senior Management Team until the Centre's income flows build to a more stable, sustainable level.

RESERVES POLICY AND GOING CONCERN

The Centre aims to hold reserves equivalent of 1 to 3 months' expenditure so that it can continue to provide a service in the event of unexpected financial crisis. Unrestricted reserves at 31st July 2022 were £125,975 (2020-21 £191,644) a worsening from 2020-21 to 126% of the lower end of target, and 41% of the higher end (2020-21: 186% of lower end of target). This reflects the reported deficit during a third year impacted by Covid-19. The above-mentioned time lag to Legal Aid Agency income means that it is likely to be more than a year before the Centre sees a significant improvement in income streams. The expectation is that reserves will remain at the lower end of the target for 2-3 years until the longer term benefits of investment in the larger housing team are seen.

The Centre has developed detailed financial projections which include modelling the impact of Covid-19 on its plans for growth and the impact of key risks and uncertainties. This work has supported the Board's ability to consider the financial impact of the challenges and uncertainties created by the Covid-19 pandemic, and of other key risks. As such it considers that the Centre has adequate resources to continue in operational existence for the foreseeable future and until at least 12 months from the date these financial statements are signed. For this reason it continues to adopt the going concern basis in preparing the financial statements.

FUTURE DEVELOPMENTS

Looking forward the Legal Centre expects to be able to achieve the following:

- To continue to provide specialist advice in housing, welfare benefits and debt through a mix of face-to-face and remote appointments;
- To continue to provide a pro bono service through telephone appointments;
- To continue to develop new advice provision in Newham;
- To expand its housing advice service with additional solicitors and trainees;
- To take an active role in advice networks, and work in partnership with local advice providers.
- To continue to seek new sources of income and funding to deliver specialist legal advice services including raising unrestricted income.

FUNDRAISING

The Centre manages its own fundraising activities and aims to achieve best practice in the way in which it communicates with donors and other supporters. It takes care with both the tone of its communications and the accuracy of its data to minimise the pressures on supporters. It applies best practice to protect supporters' data and never sells or shares data, and ensures that communication preferences can be changed at any time. The Centre undertakes to react to and investigate any complaints regarding its fundraising activities and to learn from them and improve its service.

During 2021-22, the Centre received no complaints about its fundraising activities.

On selection, references will be taken up as to their suitability to be a trustee prior to a vote by the Centre's trustees.

REPORT OF THE BOARD OF TRUSTEES
FOR THE YEAR ENDED 31 JULY 2022

ORGANISATION

The Centre has its own Board of up to 14 members who are trustees, nominated by Mary Ward Settlement. For the period under review Mr J Edwards was a trustee of the Centre's Board only, until the date of his resignation, and from 9th November 2021 Ms E Wyatt, and Mr M Bassett until the date of his resignation, were appointed in his place and in place of one other vacancy. All other members were also trustees of the Mary Ward Settlement Board, which provides overall leadership and strategic direction. Sub-committees of the Settlement Board include a Finance Committee, Audit & Risk Committee and a Remuneration Committee which meet as necessary to manage key staffing, finance, fundraising and equal opportunities matters within a clear framework.

Day-to-day operational management of the Centre is delegated to the Chief Executive who is supported by a Senior Management Team consisting of the Director of the Centre and the Director of Finance and Resources.

The Chief Executive and her Senior Management Team oversee the smooth running of the Centre's staff who are divided into teams in accordance with Centre activities and projects.

RELATED PARTIES AND CO-OPERATION WITH OTHER ORGANISATIONS

None of the trustees receive remuneration or other benefit from their work with the Centre unless they are separately employed by the Centre as a member of staff. For the year under review, no trustee received remuneration in the year for their role as a trustee. There were no expenses and no related party transactions for the year ended 31st July 2022 (2020-21: none).

Any connection between a trustee or senior manager of the Centre and any organisation associated with the Centre must be disclosed to the Board in the same way as any contractual relationship with a related party. In the current year no such related party transactions were reported.

The Centre has built up strong positive relationships over many years with a range of agencies in both the public, private and charity sector. The Centre continues its outreach activities and the delivery of face-to-face legal advice to financially and socially excluded communities within London boroughs. As such, the Centre enjoys good co-operative working relations with an ever-growing number of partners and stakeholders in relation to a range of borough-based projects and activities that meet core charitable objectives.

PAY POLICY FOR KEY MANAGEMENT PERSONNEL

The trustees and the Senior Management Team comprise the key management personnel of the Centre in charge of directing and controlling, running and operating the Centre on a day to day basis.

The pay of the Senior Management Team is reviewed annually by the Remuneration Committee, which then makes recommendations to the full Board. The employment costs of the Senior Management Team for their work in relation to the Centre are allocated to the Centre.

RISK MANAGEMENT

The Board has a risk management strategy which comprises the following:

- Regular reviews by the Audit and Risk Committee of the principal risks and uncertainties facing the Centre;
- Regular reviews of the policies, systems and procedures in place to mitigate those risks and uncertainties;
- An annual request that trustees identify their own view of what the key risks are;
- An annual report on risk, by the Audit and Risk Committee, for the Board; and
- The implementation of systems and procedures designed to mitigate any potential impact should the risk actually arise.

This work has identified that financial sustainability is the most significant risk to the Centre, given that over half of its income, excluding value in kind donations, comes from three sources: the Debt Free London debt advice contract funded by the Money and Pensions Service, the Legal Aid Agency (LAA); and Camden Council.

**MARY WARD LEGAL CENTRE
REPORT OF THE BOARD OF TRUSTEES
FOR THE YEAR ENDED 31 JULY 2022**

RISK MANAGEMENT (continued)

The Centre has a strategy to expand its housing advice provision having secured additional legal aid contracts for the London boroughs of Southwark and Newham, leading to increased income streams as the services are developed and as the impact of Covid-19 on legal aid income begins to recede. The key risk from this strategy relates to the current uncertainty over how quickly legal aid income will grow, following the impact of Covid-19 on the volume of housing possession work, which has impacted both income and cash flow. In mitigation, the plan to grow the team has been temporarily stalled while legal aid income has been low, and a close watch is being kept on volumes and billing.

To address the risk of over-reliance on a small number of key funders, we continue to try to diversify our source of funds. The Centre has been successful in accessing new streams of funding, but these are small in comparison to the existing contracts and tend to be time limited to usually no more than 3 years.

Other significant risks facing the Centre are increasing demands being placed on already hard-working staff and quality failure in the advice being offered, and in our ability to recruit good staff either to replace leavers, or as we seek to grow the Housing Team. The first is mitigated by the use of an effective support and supervision system and regular team meetings, alongside a supportive culture and one that encourages open and honest communication. The second is minimised by the operation of an effective quality management system which is regularly externally assessed. To mitigate the risk of not being able to recruit suitably qualified staff, the Centre is investing in trainee solicitor/ apprentice roles.

Other operational risks are considered to be at a low level and are monitored by management.

The Centre's ultimate holding company, Mary Ward Settlement has, and will continue to be supportive of the operations of the Centre, including confirming that it would assist with the provision of financial support, within its own means, should it prove necessary.

MARY WARD LEGAL CENTRE
STATEMENT OF RESPONSIBILITIES OF THE BOARD OF TRUSTEES
FOR THE YEAR ENDED 31 JULY 2022

TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The Centre's trustees (who are also directors of the Centre for the purposes of company law) are responsible for preparing the trustees' Annual Report and Financial Statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the directors to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the charitable company and of the income and expenditure of the Centre for that period.

In preparing these Financial Statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable to the UK and Republic of Ireland (FRS102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the Financial Statements; and
- prepare the Financial Statements on the going concern basis unless it is inappropriate to assume that the company will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Centre and enable them to ensure that the Financial Statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Centre and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the Centre's web-site. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

STATEMENT AS TO THE DISCLOSURE TO OUR AUDITORS

In so far as the trustees are aware at the time of approving our trustees' Annual Report:

- there is no relevant information, being information needed by the auditor in connection with preparing their report, of which the Centre's auditor is unaware; and
- the trustees, having made enquiries of fellow directors and the Centre's auditor that they ought to have individually taken, have each taken all steps that he/she is obliged to take as a director in order to make themselves aware of any relevant audit information and to establish that the Centre's auditor is aware of that information.

Opinion

We have audited the financial statements of The Mary Ward Legal Centre (the 'charitable company') for the year ended 31 July 2022 which comprise the statement of financial activities, the balance sheet, the statement of cash flows, and the notes to the financial statements, including the principle accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- ◆ give a true and fair view of the state of the charitable company's affairs as at 31 July 2022 and of its income and expenditure for the year then ended;
- ◆ have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- ◆ have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue. Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Trustees' Report and Financial Statements, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report, which is also the directors' report for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report, which is also the directors' report for the purposes of company law, has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept;
- the financial statements are not in agreement with the accounting records or returns;
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the trustees' report and from the requirement to prepare a strategic report.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we obtained an understanding of the legal and regulatory frameworks that are applicable to the charitable company and determined that the most significant frameworks which are directly relevant to specific assertions in the financial statements are those that relate to the reporting framework (Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Companies Act 2006 and the Charities Act 2011), those that relate to data protection (General Data Protection Regulation), safeguarding, employment and health and safety; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the charity's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates were indicative of potential bias;
- used data analytics to investigate the rationale behind any significant or unusual transactions;
- tested authorisation controls on expenditure items, ensuring all expenditure was approved in line with the charitable company's financial procedures; and
- performed substantive testing on grant income to ensure the income recognised complied with the funding agreements.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reading the minutes of meetings of those charged with governance; and
- enquiring of management as to actual and potential litigation and claims.

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the trustees and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of this report

This report is made solely to the charity's trustees, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters that we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, or the opinions we have formed.

MARY WARD LEGAL CENTRE
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 JULY 2022

1. ACCOUNTING POLICIES

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the Financial Statements are laid out below:

a) Basis of preparation

The Financial Statements have been prepared for the year to 31st July 2022. They have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant accounting policies below, or the notes to these Financial Statements. They have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (Charities SORP FRS 102), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and the Companies Act 2006.

The Centre meets the definition of a public benefit entity under FRS102.

The Financial Statements are presented in sterling and are rounded to the nearest pound.

b) Preparation of the Financial Statements on a going concern basis

The Centre reported a cash outflow of £5,873 (2021: cash outflow of £118,927). The trustees are of the view that the immediate future for the Centre, over the next 12 to 18 months, is secure and, on that basis, the Centre is a going concern.

The fixed term nature of the major contracts on which the Centre relies continue to represent a significant risk. This has been mitigated, as far as it is possible to do so, by active contract management with a special emphasis on maintaining good working relationships with each of those key funders. Funding for each of the 3 major income sources has been confirmed until at least 2024, of which one, LB Camden, is secure until March 2027.

The Centre's ultimate holding company, Mary Ward Settlement has, and will continue to be supportive of the operations of the Centre, including confirming that it would assist with the provision of financial support, within its own means, should it prove necessary. Given the undertakings of support, the trustees are of the opinion that the charity will have sufficient resources to meet its liabilities as they fall due.

c) Critical accounting estimates and areas of judgement

Preparation of the Financial Statements requires the trustees to make significant judgements and estimates. The item in the Financial Statements where these judgements and estimates have been made consist of the recoverability of work in progress and any consequent provision needed against work-in-progress and related debtors, and estimating the value of donated goods and services.

d) Income recognition

Income is recognised in the period in which the Centre has entitlement to the income and the amount can be measured reliably and it is probable that the income will be received. Income is deferred only when the Centre has to fulfil conditions before becoming entitled to it or where the donor or funder has specified that the income is to be expended in a future accounting period.

Legal Aid Agency income is recognised for all work carried out on approved Legal Aid Agency cases at the point in time it is earned, at Legal Aid Agency rates. Where cases become eligible for payment at commercial, Inter Partes, rates, the higher fee is recognised only when the case is complete and ready to be billed.

Income comprises donations, bank interest, grants, fee and contractual income and other sundry income.

MARY WARD LEGAL CENTRE
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 JULY 2022

1. ACCOUNTING POLICIES (continued)

d) Income recognition (continued)

Donations and grants are recognised when the Centre has confirmation of both the amount and settlement date. In the event of donations and grants pledged but not received, the amount is accrued for where the receipt is considered probable. In the event that a donation or grant is subject to conditions that require a level of performance before the Centre is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the Centre and it is probable that those conditions will be fulfilled in the reporting period.

Fee and contractual income represent the amounts receivable for the services provided to clients, excluding value added tax, under contractual obligations which are performed gradually over time. Incomplete contracts at the balance sheet date are accounted for by reference to the fair value of the work performed and amounts due but not received at the balance sheet date are described in the Financial Statements as contractual income debtors.

Other sundry income is recognised to the extent that it is probable that the economic benefits will flow to the Centre and the revenue can be measured reliably. It is measured at fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

e) Donated services

Donated professional services are recognised as income when the Centre has control over them, any conditions associated with the donated service having been met, the receipt of economic benefit from the use by the Centre of the item is probable and that the economic benefit can be measured reliably. In accordance with the Charities SORP (FRS102), the time of general volunteers is not recognised.

On receipt, donated professional services are recognised on the basis of the value of the gift to the Centre which is the amount that the Centre would have been willing to pay to obtain those services on the open market; a corresponding amount is then recognised in expenditure in the same period as the receipt.

f) Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Centre; this is normally upon notification of the interest paid or payable by the Bank.

g) Fund accounting

Unrestricted funds are available to spend on activities that further any of the purposes of the Centre. Restricted funds are donations which the donor has specified are to be solely used for particular areas of the Centre's work.

h) Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the Centre to make a payment to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis and is classified as follows:

Expenditure on raising funds includes all expenditure associated with raising funds for the Centre.

MARY WARD LEGAL CENTRE
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 JULY 2022

1. ACCOUNTING POLICIES (continued)

h) Expenditure recognition (continued)

Expenditure comprises the costs of charitable activities in respect to the Centre's primary charitable purposes as described in the trustees' report.

All expenditure is stated inclusive of irrecoverable VAT.

i) Allocation of support costs

Support costs represent indirect charitable expenditure. In order to carry out the primary purposes of the Centre it is necessary to provide support in the form of personnel development, financial procedures, provision of office services and equipment and a suitable working environment.

Governance costs comprise the costs involving the public accountability of the Centre (including audit costs) and costs in respect to its compliance with regulation and good practice.

Support costs and governance costs are apportioned as detailed in note 8.

j) Leased assets

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged to the Statement of Financial Activities as incurred.

The Centre has an operating lease, until April 2023, with Meraki Holdings on the property it occupies at 10 Great Turnstile. The amount payable by the Centre under the lease (exclusive of rates and service charge) is £66,840 per annum. From April 2023 there is an agreement with Meraki Holdings for the Centre to enter into a new lease at 10 Great Turnstile for £32,500 per annum (exclusive of rates and service charge).

k) Tangible fixed assets

Individual fixed assets costing more than £1,000 or more are capitalised at cost and are depreciated over their useful economic lives on a straight line basis as follows:

Furniture, fixtures and office equipment	20%
--	-----

l) Work in progress

Work in progress is the estimated value of legal work that could potentially have been invoiced at 31st July of the year in question. The value is calculated with reference to the time recorded by case workers which is expected to result in billable work, and is valued at standard Legal Aid Agency rates.

m) Debtors

Debtors are recognised at their settlement amount, less any provision for non-recoverability. Prepayments are valued at the amount prepaid. They have been discounted to the present value of the future cash receipt where such discounting is material.

n) Cash at bank and in hand

Cash at bank and in hand represents such accounts and instruments that are available on demand or have a maturity of less than three months from the date of acquisition. Deposits for more than three months but less than one year have been disclosed as short term deposits. Cash placed on deposit for more than one year is disclosed as a fixed asset investment.

MARY WARD LEGAL CENTRE
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 JULY 2022

1. ACCOUNTING POLICIES (continued)

o) Creditors

Creditors are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Creditors are recognised at the amount the Centre anticipates it will pay to settle the debt. They have been discounted to the present value of the future cash payment where such discounting is material.

p) Pension contributions

Contributions in respect of the Centre's defined contribution pension scheme are charged to the Statement of Financial Activities when they are payable to the scheme. The Centre has no liability beyond making its contributions and paying across the deductions for the employees' contributions. The scheme is operated by the National Employers Savings Trust (NEST). Staff make a contribution of 2% and the Centre 6%.

2. LEGAL STATUS OF THE CENTRE

The Centre is a company limited by guarantee and has no share capital. In the event of the Centre being wound up, the liability in respect of the guarantee is limited to £1 per member of the Centre.

3. INCOME FROM DONATIONS AND LEGACIES

Donations:	2022 £	2021 £
Gifts	114,380	117,060

Donated services comprise the estimated value of pro bono legal services and the estimated value of seconded trainee solicitors by Linklaters LLP and Clifford Chance LLP. The equivalent expenditure of the donated services is included in operational staff costs and professional fees.

The Centre also benefits from the involvement and support of a number of other volunteers. In accordance with FRS102 and the Charities SORP (FRS102), the economic contribution of general volunteers is not recognised in the Financial Statements.
