TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 DECEMBER 2022

The trustees present their annual report and financial statements for the year ended 31 December 2022.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

Objectives and activities

The charity's objects are that of the promotion and improvement of agriculture, horticulture and the breeding and rearing of livestock in the Henley and surrounding area. In so far as the income cannot be applied in this way it may be applied in the support of other charities that work with the disadvantaged and disabled through the use of agriculture, horticulture and / or animals.

Public Benefit

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Charitable Activities

On an annual basis, the Association holds a number of events including The Henley Show, Sheepdog Trial, a Ploughing Match and Crop Competitions. The events attract large numbers of visitors, and during these events popular agricultural and livestock competitions take place that promote high standards of animal welfare and practice, as well as increasing public awareness of farming in Henley and the surrounding area.

Achievements and performance

The Association has held the following three events during the year:

Henley Show

Ploughing Match

Crop Competition

Attendance at these events was approximately 20,000 and the popular agricultural and livestock competitions that take place continue to promote high standards of animal welfare as well as increasing public awareness of farming and related activities in the Henley area.

For various reasons The Association was unable to hold the Sheepdog Trial in 2022.

Financial review

A surplus of £5,864 (2021: £14,789) is recorded in the financial statements.

The company is limited by guarantee and therefore has no share capital. As part of the "Business and Development" planning a Reserves policy has been drawn up:

Unrestricted Reserve - to build up enough funds to cover the annual running costs of the Henley Show in the event of its cancellation. The running costs are approximately £150,000.

In the financial statements, all items are included under 'Unrestricted Reserves' as they are not subject to restrictions under law.

Risk Management

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Charity information

Henley and District Agricultural Association Limited is a private company limited by guarantee incorporated in England and Wales. The registered office is 50 New Street, Henley-On-Thames, Oxfordshire, RG9 2BX, United Kingdom.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's [governing document], the Companies Act 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

1.3 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

The charity received a government grant in respect of the Coronavirus Job Retention Scheme. Income from government and other grants are recognised at fair value when the charity has entitlement.

1.4 Resources expended

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

(Continued)

1.5 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Plant and equipment	15% on reducing balance
Fixtures and fittings	25% on reducing balance
Computers	15% on reducing balance

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.6 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.7 Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition. Items held for distribution at no or nominal consideration are measured the lower of replacement cost and cost.
