STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes an unincorporated charity. The charity was created by a trust deed dated 4 November 1993 and was registered with the Charity Commission on 4 November 1993. The Charity is a private charity controlled by its trustees.

Recruitment and appointment of new trustees

The current trustees are constantly searching for people who share the values and ideals of the charity and would make suitable trustees. In selecting persons to be appointed as trustees, the trustees shall try to take into account the benefits of appointing a person who, through residence, occupation, employment or otherwise has special knowledge of the area of benefit to make a contribution to the pursuit of the objects or the management of the charity.

New trustees shall be appointed by a resolution of the trustees passed at a special meeting. There is also statutory power to appoint new or additional trustees, where necessary.

The management and administration of the charity has been undertaken by Mrs Anita Alexander-Passe.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The aims of the charity are for the relief of sickness by the provision or improvement of medical facilities by the provision or improvement of medical facilities and the supply of equipment to the Rambam Medical Centre in Haifa, Israel. During the year the charity received a number of grants and donations which were used for the purpose of funding the purchases of equipment for the Medical Centre. The other ongoing fundraising activities carried out in the year by the charity were satisfactory.

FINANCIAL REVIEW

Reserves policy

It is the charity's policy that unrestricted funds that have not been designated for a special use should be maintained at a level equivalent to at least the next six month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a sudden drop in funding, the Foundation will be able to continue its current level of activity whilst consideration is given to ways in which additional funds may be raised.

The British Friends of Rambam Medical Centre
Report of the Trustees for the Year Ended 31 December 2024

Principal funding sources

The total incoming resources for the year amounted to £262,549 (2023: £439,659). The principal funding sources for the charity are voluntary donation income, including bequests and legacies, and interest income earned on the charity's funds. The charity earned interest in the year of £1,532 (2023: £1,800).

The charity contributed funds for the purchase of medical equipment at the Rambam Medical Centre amounting to £255,556 (2023: £367,720). The funds were used to purchase catheterization equipment for the Heart Hospital and surgical equipment for the Paediatric Orthopaedic/Oncology Department for children with bone cancer and limb impairment. Key to the hospital is the maintenance of the underground hospital for emergency medicine in times of war, which has also been used for intensive care of patients with covid and other highly infectious diseases.

Investment policy and objectives

The Trustees have invested the assets of the Designated Fund in The Charibond Charities Fixed Interest Common Investment Fund and in Charifund. The trustees hold the charity's other funds with CAF Bank to minimise risk and loss to the charity.

PLANS FOR THE FUTURE

The charity aims to pursue the relief of sickness through its continued support of the Rambam Medical Centre in Haifa by the provision of critical medical equipment financed through its fundraising activities in the United Kingdom. The equipment our hospital uses reflects the quality of healthcare it provides. Each of Rambam's nine labour-delivery rooms must be equipped with a wall-mounted, Radiant Baby Warmer to regulate the environment during the transition from the womb. These wall-mounted, Radiant Baby Warmers will allow new-borns to remain comfortably at their mothers' bedside when monitoring the baby's vitals, body temperature, and weight.

The charity has ongoing projects in Paediatric Orthopaedic Oncology for children with bone cancer and limb disfunction, support of the High Risk Obstetrics Unit and Heart Hospital, all part of the campus of the Medical Centre which is a beacon for research and innovation.

Approved by order of the board of trustees on 9 December 2025 and signed on its behalf by:

Ms G Alexander-Passe FCA FCCA - Trustee

Independent Examiner's Report to the Trustees of The British Friends of Rambam Medical Centre

I report on the accounts for the year ended 31 December 2024, which are set out on pages five to ten.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I have examined your charity's accounts as required under section 145 of the Charities Act 2011 ('the Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the Act.

My role is to state whether any material matters have come to my attention giving me cause to believe that in any material respect:

1. accounting records were not kept as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of the Act; or
4. there is further information needed for a proper understanding of the accounts.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of The Institute of Chartered Accountants in England & Wales (ICAEW), which is one of the listed bodies.

I have completed my examination and have no concerns in respect of the matters (1) to (4) listed above and, in connection with following the Directions of the Charity Commission I have found no matters that require drawing to your attention.

The British Friends of Rambam Medical Centre
Report of the Trustees for the Year Ended 31 December 2024

Balance Sheet at 31 December 2024 - continued

The financial statements were approved by the Board of Trustees on 20 November 2025 and were signed on its behalf by:

Ms Gabriella Alexander-Passe FCA, FCCA (Hon, Treasurer)

Mrs A Alexander-Passe - Trustee

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), the Charities Act 2011 and the requirements of the Statement of Recommended Practice, Accounting and Reporting by Charities.

Incoming resources

All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Resources expended

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees. Restricted funds can only be used for particular restricted purposes within the objects of the charity.

Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

2. INVESTMENT INCOME

	<u>3,650</u>	<u>3,972</u>

3. TRUSTEES' REMUNERATION AND EXPENSES

During the year, two trustees (2023: two) received remuneration for services provided to the charity. Both trustees are paid through the charity payroll.

- Mrs A Alexander-Passe, a trustee, received £9,000 (2023: £9,000) for services provided as Administrator of the charity.
- Mrs S Rose, a trustee, received £20,262 (2023: £37,000) for services provided as a fundraiser.
- All remuneration was permitted under the charity's governing document and was properly authorised by the board of trustees in accordance with the Charities Act 2011. Relevant conflicts of interest were declared and managed.

No trustees received reimbursement of expenses during the year (2023: none). There were no other related-party transactions involving trustees during the year.
