**REPORT OF THE TRUSTEES**  
**FOR THE YEAR ENDED 31 AUGUST 2023**

The trustees present their report with the financial statements of the charity for the year ended 31 August 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

**OBJECTIVES AND ACTIVITIES**

**Aim**

The principle purpose of Pennington Nursery is to enhance the development and education of children under statutory school age by encouraging parents to understand and provide for the needs of their children through community groups and by:

- a) Offering appropriate play facilities and training courses, together with the right of parents to take responsibility for and to become involved in the activities of such groups, ensuring that such groups offer opportunities for all children, regardless of race, culture, religion, means or ability;
- b) Encouraging the study of the needs of such children and their families and promoting public interest in and recognition of such needs in the local area(s).

The charity is constituted as an unincorporated charity and is controlled by its governing document.

The Nursery serves the local community but does not apply any form of restriction, geographical or otherwise to allow access to its services. The Nursery's educational operations regulated by Ofsted and Cumbria County Council. The Nursery is currently rated as 'Good' by Ofsted.

The services offered by the Trustees of the Nursery are deemed to be beneficial by their nature and are available to a large section of the public.

**ACHIEVEMENT AND PERFORMANCE**

**Charitable activities**

The year ending on August 31st 2023 has marked another successful year for Pennington Nursery with the new nursery building being fully utilised for nursery provision as well as for sharing with other nursery staff in the area to facilitate training and sharing good practice. Demand remains high for nursery places, including the baby room, as well as for the after school and holiday club. The relationship with Pennington School is strong, with many shared activities as well as the continuation of the shared trustee and Link Governor.

On June 19th 2023 the Nursery was inspected by Ofsted. The trustees are delighted that the Nursery was rated 'Good' in all areas and that the inspector particularly commented that 'the Nursery prioritises building positive relationships'. The trustees would like to thank the staff and managers for their continued hard work and commitment in providing high quality nursery provision to the local community.

The trustees remain committed to becoming an accredited Living Wage Foundation employer and it is expected that this will be achieved from April 2024.

Both the Nursery Manager and Education Manager are responsible for the management and education respectively within the Nursery and have continued to run things very well. They have full delegated responsibility for operational decision making from the trustees who meet as a body on a regular basis to receive reports from the Nursery managers.

**FINANCIAL REVIEW**

**Financial position**

The financial position of the Nursery remains strong, with income from Nursery fees and grants providing a total income of £424K and expenditure on charitable activities of £389K. This has resulted in a net surplus contribution to reserve of £34K. The cash position remains strong. The Nursery is able to meet its liabilities, including the bounce back loan repayments.

The trustees are very confident about the ongoing financial strength of the Nursery.

**FINANCIAL REVIEW**

**Reserves policy**

The charity wishes to accumulate sufficient reserves in order to ensure its future financial security in order to maintain its charitable activities and meet the needs of its key stakeholders.

**Going concern**

The purpose of the Nursery's reserves is to provide sufficient protection for the Nursery against changing financial circumstances and to support future business development to enable the Nursery to continue to fulfil its principal purpose. The level of general reserves as reflected in Note 11 to the financial statements is represented by tangible assets and net current assets and is considered sufficient for the Nursery to meet its short to medium term expenditure obligations. The Nursery's cash reserves significantly outweigh its short and long term liabilities.

The Trustees have a reasonable expectation that the Nursery has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

**Constitution**

The charity is governed by a constitution created in October 1993 and amended in February 2001.

**FUTURE PLANS**

Following the completion of the new building, the main objective of the trustees for the forth coming period is the consolidation of its position as a recognised quality provider of nursery and early years educational services. The trustees wish to establish the Nursery as the provider of choice for parents and carers as well as an employer of choice people wishing to work in the sector.

The Trustees intend to focus efforts in future years on the development of the outside play areas, including provision of an outdoor classroom to support this aspect of the Early Years' Framework.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing document**

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF  
PENNINGTON NURSERY**

**Independent examiner's report to the trustees of Pennington Nursery**

I report to the charity trustees on my examination of the accounts of Pennington Nursery (the Trust) for the year ended 31 August 2023.

**Responsibilities and basis of report**

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

**Independent examiner's statement**

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The financial statements have been prepared under the historical cost convention.

##### **Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

##### **Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

##### **Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

|                     |               |
|---------------------|---------------|
| Long leasehold      | - 3% on cost  |
| Plant and machinery | - 20% on cost |
| Computer equipment  | - 33% on cost |

##### **Taxation**

The charity is exempt from tax on its charitable activities.

##### **Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

##### **Pension costs and other post-retirement benefits**

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

##### **Grants**

Grants received are credited to profit and loss account in the financial period in which they are received.
