## **TRUSTEES' ANNUAL REPORT**

**YEAR ENDED 30 NOVEMBER 2024**

---

### **Objectives & Activities**

The Parivar Trust was set up at the end of 1993 for the following charitable objects:

“The relief of poverty and sickness, the provision of education, and the preservation and protection of good health among children, young people and women resident in the United Kingdom and India”.

### **Achievements and Performance**

In this financial year the trustees have made grants totalling £428,830. They have continued funding English charitable organisations as in previous years, mainly to charities in Herefordshire and the Bristol area, with donations totalling £16,500.

The trustees are still supporting various branches of Sarada Mission in India, including for building an extension to a girls' school at Siriti, Calcutta. The trustees have made grants for GAP projects in various locations in India run by Ramakrishna Mission, which provide activities in schools for the physical and mental development of underprivileged children. Further donations have been made to Ramakrishna Mission for the continuing construction of a boys' primary school and hostel building at Taki in West Bengal, which is expected to be completed by autumn 2025.

The Trustees have had due regard to the public benefit guidance issued by the Charity Commission and will continue to do so.

### **Financial Review**

As The Parivar Trust is solely a grant-making trust with no employees or substantial administrative costs the Trustees do not consider any policy in respect of reserves to be necessary.

Total Funds as at 30<sup>th</sup> November 2024 were £569,308 of which (£69,625) are considered to be free reserves of the charity. As at the year end, the charity is holding £638,933 in investments that can be utilised to cover the deficit in the year.

Attached to this report is the Statement of Accounts for the Trust for the year ended on 30th November 2024.

### **Structure, Governance and Management**

The Parivar Trust was established by Trust Deed dated 30th December 1993.

**Statement of trustees' responsibilities**

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed/constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees declare that they have approved the above Trustees' Report. Signed on behalf of the trustees

## INDEPENDENT EXAMINERS REPORT

YEAR ENDED 30 NOVEMBER 2024

---

### Independent examiner's report to the trustees of The Parivar Trust

I report to the trustees on my examination of the accounts of The Parivar Trust (the Charity) for the year ended 30 November 2024.

#### Responsibilities and basis of report

As the charity trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

#### Independent examiner's statement

Since the Charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
- the accounts do not accord with those records; or
- the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 30 NOVEMBER 2024

---

### 1 Accounting policies

#### **Accounting convention**

The financial statements have been prepared in accordance with the historical cost convention (except where otherwise stated in the accounting policy note) and in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019, and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), and the Charities Act 2011.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The charity is a public benefit entity as defined under FRS102. The Trustees consider that there are no material uncertainties affecting the ability of the charity to continue as a going concern.

#### **Income**

Income from donations is included in income when these are receivable, except as follows:

- I. When donors specify that donations given to the charity must be used in future accounting periods, the income is deferred until those periods;
- II. When donors impose conditions which have to be fulfilled before the charity becomes entitled to use such income, the income is deferred until the pre-conditions have been met.

Investment income is included on a receivable basis.

Donations in kind comprise donated services where the costs are measurable and the services would otherwise have to be paid for to maintain operational effectiveness.

#### **Expenditure**

Expenditure is recognised in the period in which it is incurred. Expenditure includes attributable VAT which cannot be recovered.

#### **Charitable Activities**

Grants awarded are allocated to charitable activities.

Grants awarded are treated as expenditure and a liability in the accounts as soon as they become legal or constructive obligations. In the case of multi-year grant awards, the funding for all years is immediately recognised unless there are conditions which need to be met by the recipient to enable the release of subsequent years' funding.

#### **Governance costs**

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the audit fees and costs linked to the strategic management of the charity. Governance costs are included within support costs.

### 1 Accounting policies (*continued*)

#### **Allocation and apportionment costs**

Certain expenditure is directly attributable to specific activities and this has been included in those cost categories. Other costs, which are attributable to more than one category, are apportioned across cost categories on the basis of an assessment of workload carried out from time to time.

#### **Fixed asset investments**

Investments are included at market value at 31 November. The SOFA includes the net gains and losses arising on revaluations and disposals during the year.

#### **Fund accounting**

Unrestricted funds can be used in accordance with the charitable objects at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Designated funds form part of unrestricted funds and have been identified as being for particular purposes by the Trustees. They are not restricted and can be transferred to general funds at any time at the discretion of the Trustees.

Further explanation of the nature and purpose of each fund is included in notes of the financial statements.

#### **Cash at bank and in hand**

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

#### **Creditors**

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.
