

**Summary of the objects of the charity set out in its governing document**

The objective of Oakworth Pre-school is to enhance the development and education of children primarily under statutory school age by:

- Offering appropriate play, education, and care facilities, together with the right of parents to take responsibility for and to become involved in the activities of such groups, ensuring that such groups offer opportunities for all children whatever their race, culture, religion, means or ability.
- Encouraging the study of the needs of such children and their families and promoting public interest in and recognition of such needs in the local areas:
- Instigating and adhering to and furthering the aims and objects of the Pre-school Learning Alliance.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

Oakworth pre-school is a long standing and well respected community group within the village of Oakworth, which we believe has enhanced the quality of life and education of children and parents through encouraging and supporting a broad range of learning and development to prepare children for the transition to their next setting or Primary School.

In managing the pre-school the trustees have kept in mind the Charity Commission guidance on public benefit.

The local community are provided with affordable subscription fees for convenient childcare in a village centre location.

Our pre-school is welcoming and inclusive of all children whatever ability, cultural, religious or social background and we work hard to understand each child's individual needs on an ongoing basis. We provide a broad range of activities to understand and develop social, emotional and cognitive needs of each child.

We employ five part time staff from the local area which mutually benefits the pre-school and employees by creating employment which fits around the school day and term times.

**Additional details of objectives and activities (Optional information)**

You may choose to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

A great contribution is made by our volunteers and students. We are extremely grateful for the many hours volunteers have spent working within our setting. As a setting we now support the local community by supporting apprentices within the setting.
