## TRUSTEES' REPORT

### FOR THE YEAR ENDED 31 MARCH 2025

---

The Trustees present their annual report and financial statements for the year ended 31 March 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Trust's deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

#### Objectives and activities

The Trust's objects are:

- a) Advance Tibetan Buddhism.
- b) Promote a greater awareness of the culture, religion and way of life of the Tibetan people.
- c) Relieve the poverty of people of Tibetan origin and attend to the impoverished parts of the Tibetan community, particularly but not exclusively, in India and Nepal.

Consistent with the objectives of the Trust, the charitable activities undertaken by the Trust are aimed primarily at the education of the Tibetan children in exile in India, studying in different Tibetan schools. They are also aimed at providing the stipend to monks and nuns in the study of the Tibetan Buddhist philosophy and towards the care of the physically challenged and the elderly.

A calendar of events is prepared ahead of time for the following year to achieve over the months. These are discussed at the annual Trustees' Meeting. Estimated budgets for activities are presented by the Secretary and approved by the Trustees. The Trustees and the Secretary work closely to monitor the fund flow on a regular basis.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Trust should undertake. The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities and agreeing the grant making policy for the next year.

The policies adopted in furtherance of the objects are as stated in the Trust Deed and there has been no change in these during the year.

#### Achievements and performance

The preservation and promotion of the Tibetan language and culture remain among the primary objectives of the Trust. In this regard, the Trust is pleased to highlight the successful operation of the London School for Tibetan Language and Culture. The school, which operates exclusively on Sundays, currently accommodates 47 students who travel from various parts of the United Kingdom to study the unique Tibetan language and culture. This initiative addresses a significant challenge faced by Tibetan communities living outside India, where children primarily communicate in their host country's language both at school and in their daily lives.

To further support this mission, the Trust facilitates visits by experts and spiritual teachers who provide valuable insights into Tibetan religion, culture, and language during the school term. Additionally, the Trust extends financial assistance to Tibetan language schools in Bristol and Bournemouth to cover venue rental costs for their classrooms.

In line with its commitment to community engagement, the Trust organised two events delivered by His Eminence Ling Rinpoche: a talk on *Praise of Gratifying Sentient Beings* at Friends House, London, and the Trust's annual lecture on *Daily Practice of the Four Noble Truths* with a Q&A session at the Council Chamber, Cavendish Venues, London. These free events attracted a large audience, and to ensure wider accessibility, video recordings of the lectures and Pictures were shared on the Trust's social media platforms.

The Trust's annual activities, aligned with its core objectives, also include providing educational sponsorships for Tibetan students enrolled in various schools in India. Furthermore, the Trust offers financial aid and healthcare support to children with special needs and elderly members of the Tibetan community living in exile in care homes in India. Sponsors are regularly updated on the progress of their sponsored children through detailed reports and personal letters from the schools.

# TIBET HOUSE TRUST

## TRUSTEES' REPORT (CONTINUED)

### FOR THE YEAR ENDED 31 MARCH 2025

#### Financial review

The Statement of Financial Activities set out on page 8 shows the Trust's income and expenditure for the year ended 31 March 2025.

Total income amounted to £190,962 (2024: £145,697) which comprises donations of £177,638 (2024: £138,532), together with investment income of £7,684 (2024: £7,165) and other income of £5,640 (2024: £Nil).

Total expenditure amounted to £370,504 (2024: £688,627). During the year, the Trust made donations to charitable institutions totalling £337,515 (2024: £618,133) and the related support costs were £23,781 (2024: 51,042). Support costs included a loss of £6,300 made on foreign exchange movements and £17,481 of administrative costs set at 7% of the EC Grant receivable. The costs of managing and administering the Trust, excluding support costs, were £9,208 (2024: £19,452).

The statement of financial position on page 9 shows the financial position as at 31 March 2025.

Total assets less liabilities amounted to £620,811 (2024: £800,353), which is represented by the accumulated balances on both the restricted and unrestricted income funds. The net current assets of the unrestricted income fund of £601,086 (2024: £599,888) represent funds held in order to meet the Trust's operating overheads and also funds received that have yet to be applied towards the Trust's charitable objectives. The Trust has several projects that it supports on an ongoing basis and it is therefore the Trust's policy to maintain sufficient unrestricted income reserves to ensure that these projects can continue to be supported in the event that the level of donations received is reduced for any reason.

#### Risk Management

The Trustees has assessed the major risks to which the Trust is exposed, and believe that maintaining the free reserves at the levels stated above, combined with an annual review of the controls over key financial systems, will provide sufficient resources in the face of adverse conditions. The Trustees have also examined other operational risks which they face and confirm they have established systems to mitigate any significant risks.

#### Plans for future periods

The Trustees will continue to adopt a policy of making regular donations to charitable causes, having regard to the level of the Trust's annual income from year to year. They regularly appraise new opportunities for direct charitable expenditure consistent with the Trust's overall charitable objectives.

#### Structure, governance and management

The Trust was established by a charitable Trust deed on 28 February 1994 and is a registered charity No. 1037230.

The Trustees who served during the year and up to the date of signature of the financial statements were:

Viscount Michael Cowdray

Mr Hansjorg Mayer

Mr Sonam Tsering Frasi

(Resigned 6 November 2024)

Mr Tenzin Kunga

(Resigned 20 November 2024)

Ms Tsering Yangkey

(Appointed 6 November 2024)

Mr Phuntsok Norbu

(Appointed 20 November 2024)

The statutory power of appointing new or additional Trustees is vested in the Trustees. An additional Trustee may be appointed at any time but the total number shall not be fewer than three nor more than seven.

Other than its Trustees, the day to day administration of the Trust is supported by unpaid staff provided by the Office of Tibet, London, including the Secretary. The Trustees are responsible solely for the consideration and authorisation of the charitable donations made by the Trust,

## **STATEMENT OF TRUSTEES' RESPONSIBILITIES**

### ***FOR THE YEAR ENDED 31 MARCH 2025***

---

The Trustees are responsible for preparing the Trustees' Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the Trust and of the incoming resources and application of resources of the Trust for that year.

In preparing these accounts, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP FRS102;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the Trust and enable them to ensure that the accounts comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF TIBET HOUSE TRUST

---

### Opinion

We have audited the financial statements of Tibet House Trust (the 'Trust') for the year ended 31 March 2025 which comprise the statement of financial activities, the statement of financial position, the statement of cash flows and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Trust's affairs as at 31 March 2025 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

### Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The Trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the Trustees' report; or
  - sufficient accounting records have not been kept; or
  - the financial statements are not in agreement with the accounting records; or
  - we have not received all the information and explanations we require for our audit.
-

# TIBET HOUSE TRUST

## INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE TRUSTEES OF TIBET HOUSE TRUST

---

### **Responsibilities of Trustees**

As explained more fully in the statement of Trustees' responsibilities, the Trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the Trustees are responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Trust or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

### **Extent to which the audit was considered capable of detecting irregularities, including fraud**

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect irregularities, including fraud. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below. However, the primary responsibility for the prevention and detection of fraud rests with both those charged with governance of the entity and management.

Our approach was as follows:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the charity and determined that the most significant are those that relate to the reporting framework being the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and the Charities Act 2011.
- We understood how the charity is complying with those frameworks by making enquiries of management and seeking representations from those charged with governance. We corroborated our understanding by reviewing supporting documentation including Trustee's meeting minutes.
- Based on this understanding we designed our audit procedures to identify non-compliance with such laws and regulations. Our procedures involved enquiries of management and those charged with governance, review of legal and professional expenses and review of Trustees' meeting minutes
- We assessed the susceptibility of the charity's financial statements to material misstatement, including how fraud might occur by considering the risk of management override of internal controls and by designating income recognition as a fraud risk. We performed journal entry testing by specific risk criteria, with a focus on journals indicating large or unusual transactions based on our understanding of the charity.
- The charity is a regulated entity under the supervision of the Charities Commission. As such, the Senior Statutory Auditor considered the experience and expertise of the engagement team to ensure that the team had the appropriate competence and capabilities.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

# TIBET HOUSE TRUST

## INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE TRUSTEES OF TIBET HOUSE TRUST

---

### Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

# TIBET HOUSE TRUST

## NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED 31 MARCH 2025

---

#### 1 Accounting policies

##### Charity information

Tibet House Trust is a Charity registered in England & Wales. Its principal correspondence address is 1 Culworth Street, London, NW8 7AF. The nature of the charity's operations and principal activities are set out in the Trustees' Report.

#### 1.1 Accounting convention

The financial statements have been prepared in accordance with the Trust's deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The Trust is a Public Benefit Entity as defined by FRS 102.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the Trust. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

#### 1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of the Trust's charitable objectives and to meet ongoing governance costs.

Restricted funds are subject to specific conditions imposed by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the accounts.

#### 1.4 Incoming resources

Income is recognised when the Trust is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Trust has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid is recognised at the time of the donation.

# TIBET HOUSE TRUST

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

### FOR THE YEAR ENDED 31 MARCH 2025

#### 1 Accounting policies

(Continued)

##### 1.5 Resources expended

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the Trust to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings.

Charitable activities includes expenditure associated with grants payable, support costs and governance costs.

Grants payable are payments made to third parties in the furtherance of the charitable objects of the Trust. In the case of an unconditional grant offer this is accrued once the recipient has been notified of the grant award. The notification gives the recipient a reasonable expectation that they will receive the one-year or multi-year grant. Grant awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled condition attaching to that grant is outside of the control of the Trust.

Provisions for unconditional grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty as to the timing of the grant.

Governance costs comprise all costs involving the public accountability of the Trust and its compliance with regulation and good practice.

Support costs comprise all costs involving the essential administrative and operational functions that enable the Trust to deliver its activities effectively and efficiently.

The total support and governance costs attributable to charitable activities are apportioned pro rata to the cost of grants.

##### 1.6 Property, plant and equipment

Property, plant and equipment are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures, fittings & equipment	25% reducing balance
--------------------------------	----------------------

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

##### 1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less.

# TIBET HOUSE TRUST

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

### FOR THE YEAR ENDED 31 MARCH 2025

#### 1 Accounting policies

(Continued)

#### 1.8 Financial instruments

The Trust has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Trust's balance sheet when the Trust becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

##### **Basic financial assets**

Basic financial assets, which include trade and other receivables and cash and bank balances are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

##### **Basic financial liabilities**

Basic financial liabilities, including trade and other payables are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade payables are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

##### **Derecognition of financial liabilities**

Financial liabilities are derecognised when the Trust's contractual obligations expire or are discharged or cancelled.

#### 1.9 Foreign exchange

Transactions denominated in foreign currencies are recorded at the rate ruling at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. All differences are included in the statement of financial activities.

#### 1.10 Programme related investments

Programme related investments are measured at fair value if this can be measured reliably otherwise they are at carried at cost less impairment.

The gain or loss arising on the disposal of program related investments are determined as the difference between the sale proceeds and the carrying value of the investments, and are recognised in net income/ (expenditure) for the year.

# TIBET HOUSE TRUST

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

### FOR THE YEAR ENDED 31 MARCH 2025

#### 2 Critical accounting estimates and judgements

In the application of the Trust's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

#### Programme related investments

Programme related investments are stated at cost. The trustees perform an impairment review of the social investments by taking into consideration the financial performance, macro-economic factors of the jurisdiction, micro-economic factors and the political landscape surrounding the investments. There is an inevitable degree of judgement involved and the accuracy of any impairment can only be ascertained when the trustees start the disinvestment process.
