Report of the Committee of Management for the year ended 31 March 2025

The committee of Management presents their report together with the audited financial statements for the year ended 31 March 2025.

Principal Activity

The principal activity of the Charity is the provision of educational and recreational facilities in a safe and stimulating environment for children who require childcare out of school hours. We want to support families to achieve their goals by providing affordable, high-quality childcare.

The organisation is a charity registered with the Charity Commissioners for England and Wales.

Results

The financial results and position are given on pages 7 and 8. Overall there is a surplus of £11,975 for the year.

Services and Future developments

General

The reconstruction and merger of Lighthouse childcare services continues to successfully provide afterschool, holiday play and out of school child care services. The afterschool caters for each child to meet their individual play needs every week. Children were collected by vetted escorts from eight primary schools in the London Borough of Southwark covering Blackfriars, London Bridge, Westminster, Walworth, Peckham, and Dulwich. Furthermore, Saturday Booster Classes and Holiday Play Schemes were undertaken throughout the year.

During the year, we continued to improve the range and quality of our services to increase customer satisfaction for parents and children by providing effective training for staff. We have introduced new ways of establishing good links with families and children with special needs enabling us to provide better services that meet their individual needs.

We introduced the “Lighthouse Family “WhatsApp” Group which links parents to all staff before, during and after pickup. Parents are given the option to opt out if necessary. We are registered with the ICO. We have a strong privacy policy, and we collect only what we need and protect the information we collect. We work with other clubs to fill staff absences.

We promote 'British Values' in the afterschool curriculum to tackle discrimination, promote diversity and we are alert to the risks of radicalisation and extremism.

Lighthouse

We continue to provide parental support through individual meetings. Our youth services are well established through the Saturday Booser Club and after school clubs. We have also expanded volunteering within the organisation.

The charity has obtained level2 accreditation by undertaking PQASSO quality assurance programme. The charity has been awarded employer of excellence with Peninsula's Employment Law and Personnel Consultancy Support.

The Lighthouse Club @ St John's (TLC After-School club)

The project has improved and maintained reliable, quality and equal opportunities with parents as members and a variety of charges to users and widespread advertising. There was an average of 40 children in the club. The after-school club aims to raise educational standards among children aged 4-11 and 12-16 years.

We provide a wide range of activities including dancing, cooking and drama, French, homework support, literacy, numeracy, painting, arts and craft, health awareness and fit kid health and (football, basketball) sports. Play work staff and professional freelancers who have undergone Criminal Records Bureau checks run the activities. The project runs from 3:00pm to 6:30pm every day during term time. There is a charge for early and extended hours.

*During and after the Covid-19 Pandemic the club was maintained with 15 children in each bubble from March 2021. We are still Covid-19 and its variations secure and have updated all policies to adhere to Government and Department of Education guidelines.

Holiday Play Schemes

The holiday play scheme is run in the after-school site during the Easter break, half terms and the six weeks in the summer holidays. It is run from 8:30am to 6:30pm each day. Parents need to book earlier start and later finish. Activities in addition to above include whole day visits to Butlins, Chessington, Legoland, Museums, Palaces and healthy restaurants. We also run special Booster Sessions for SATS and GCSE preparation for an extra charge.

The Supplementary/ Saturday School (Booster Club)

The Saturday school continues to provide consistent educational support to children aged 4-16 years; over 80% of the children are re-enrolled in the New Year. It is integrated into the afterschool sessions through play activities, spell bee competitions and confidence in public speaking. The youth project under a separate contract aims to empower children to become confident achievers and reach their full potential.

Ongoing Future Plans

The charity will continue to raise its standards of service delivery and aim to utilise our monitoring systems more than once a year to provide data of self- evaluation and improvement.

We are committed to supporting and providing opportunities for members of staff to undertake training and personal development activities. We will seek to have the resources and procedures and build a culture where effective staff development is prioritised. 'British Values' is a priority with adequate risks identified and staff members have undertaken training, and we are working in partnership with the local police.

Lighthouse

We offer fulltime and parttime annual Childcare Membership. Parents sign a contract and full registration prior to children utilising our services. Weekly fees are due the Friday before the week starts. We encourage bank transfer and direct debit.

We aim to provide organised visits to safe and interesting places to ensure that children have fun and socialise whilst learning as a reward for their hard work, in informal settings. Parents are invited to accompany their children to strengthen the parent-child bond and meet with new parents. We will update our risk assessment policies monthly to keep with the Department of Education (DfE) guidelines regarding safety of staff, children and parents. We are committed to raising funds to build a safe, well maintained enabling play environment with durable, well constructed sanitized indoor and outdoor play areas.

Risk- Review

The management committee had conducted its own review of the major risks to which the charity is exposed, and systems and practices have been introduced to mitigate those risks. There is adequate insurance cover for all eventualities, transactions and activities of the charity are properly authorised, quality controls are operated in all locations so that risks are minimised. Risks to funding have led to the diversification of funding sources.

Lighthouse is registered with the ICO and is compliant with its new GDPR principles, policies and procedures and privacy notices.

Lighthouse is registered with Peninsula Consulting Services, ACAS, Childcare.co.uk and Out of School Alliance for all our organisation risk assessment, health and safety, recruiting and HR services.

Markel Insurance policies remain valid provided we adhere to government guidance. We also have access to ARAG's free legal advice line, staffed qualified solicitors and can advise on all aspects of business law, including the application of Covid-19 regulations.

It also includes an assessment of the significant estimates and judgements made by the Trustees in the preparation of the Financial Statements, and of whether the accounting policies are appropriate to the Charity's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement whether caused by fraud or other irregularity or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the Financial Statements.
