

OBJECTIVES AND ACTIVITIES

General Progress

During the years, we have worked with the community raising funds to equip our outdoor and indoor provision. Fundraising continues to replace worn resources and creative materials. This year has had the comeback of fundraising events, sponsored events, tombola's and cake stall. We have received donations from local companies and from local authorities.

Early Years Pupil Premium this year has seen only 2 children accessing it.

This year the local authority has provided a grant (Contain Outbreak Management Fund) to support children's wellbeing for the impact of the pandemic. The nursery was able to provide weekly sessions of 'Relax Kids'.

Development plans for the new Nursery has steamed ahead. The plans were submitted and granted by the MBC. We have secured a lease from the Lenham Parish. We are now seeking capital funding.

Staff training, including refresher courses, has continued albeit online. All staff have taken their qualifications online to support their professional development in their responsibilities; First Aid, Food Hygiene, Health and Safety, Fire Safety and Child Protection. One member of staff is continuing their next level of professional development through the Early Years Foundation Degree training. DBS certificates are monitored regularly through supervisions.

Parents continue to be involved in their children's care and education through the online platform Tapestry.

Input of volunteers and donations in kind

The Charity has resumed face to face events. Volunteers have been supporting our events and we have started receiving donations.

Public Benefit

In planning our activities the trustees keep in mind the Charity Commission guidance on public benefit.

Lenham Nursery School Limited

Report of the Trustees
for the Year Ended 31 August 2022

The trustees, of whom S Hebborn Esq, Mrs E B Porter, Mrs S Barr, Mrs L Westcott and Mrs C Norey are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st August 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for Smaller Entities "Accounting and Reporting by Charities" (effective 1st January 2015).

OBJECTIVES AND ACTIVITIES

Objectives and aims

Lenham Nursery School is governed by its Memorandum and Articles of Association and aims to provide high quality pre-school education in a safe environment for children below the compulsory age. Parental involvement is encouraged.

Policies to further our objectives

In order to ensure that the aims of the Nursery School are met, policies have been developed and are available to parents and prospective parents covering: admissions, behaviour management, child protection, complaints, confidentiality, diet, equal opportunities, health and hygiene, parental involvement, safety, settling -in, equipment selections, special needs, staffing and employment. These are regularly reviewed to ensure that they meet the standards of current 'best practice'. There have been material changes to the policies since the last report to maintain current legislation with regards to child protection and wellbeing.

The manager liaises closely with the local Health Visitor, the Pre-School Learning Alliance and, in appropriate cases representatives from Social Services.

Staff are actively encouraged to gain additional qualifications.

Description of our organisation

The Nursery School is managed in a two-tier structure:

1. A management committee consisting of all trustees meets approximately every two months. The manager and her assistant attend these meetings in an advisory capacity. A parent representative is also invited to attend. The committee:

- Reviews the financial position; and
- Considers policy and/or other changes recommended by the School Management Team or required by outside bodies.

2. A School Management Team (SMT) consisting of the Nursery School manager, Accounts Manager and deputy is responsible for day-to-day running of the school. A trustee is always available to the SMT in the event of an urgent problem arising.

A trustee is nominated as the 'nominated person' as required by Ofsted Regulations.

The Secretary is responsible for maintaining all the weekly contact with the SMT and for the maintenance of accounting records, banking of receipts and assisting the manager in resolving minor problems.

Significant activities

Our main activity has always been to support children through their early year's education. Encourage them to learn through play and build on the areas that parents /carers may need guidance and support.

We support school readiness, working in partnership with Primary Schools. July 2022 we welcomed teachers to come and visit their new cohort.

The nursery reviewed their occupancy for September 2022 and opened 100%.
