## TRUSTEES' REPORT

### FOR THE YEAR ENDED 28 SEPTEMBER 2021

---

The Trustees present their annual report and financial statements for the year ended 28 September 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Trust's deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2019)

#### **Objectives and activities**

The Trust continues to support charitable causes by making grants and donations of income and capital in the support and monitoring of projects that enhance, promote and progress the principal objectives of the charity in the advancement and development of education, research and development of ecology and environmental issues.

There has been no change in policy since the last report.

The Trustees have paid due regard to the terms of the Trust and the wishes of the Trust Founder and guidance issued by the Charity Commission in deciding what activities the Trust should undertake.

#### **Achievements and performance**

##### **Financial review**

Total income during the year was £31,268 (2020: £50,084) which included £11,154 compensation in respect of bad investment advice. Total expenditure was £230,291 (2020: £61,860), including grants totalling £217,395 (2020: £37,000) to Ambios Limited, a not for profit organisation. At the 28 September 2021, the charity reported an overall reduction in value of £201,906 due to the grant provided to Ambios Ltd together with net losses on investments of £2,883 arising in the year.

At 28 September 2021 the Trust held unrestricted reserves of £438,559 (2020: £640,465).

##### **Reserves policy**

It is the policy of the Trust that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The Trustees considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Trust's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

##### **Major risks**

The Trustees has assessed the major risks to which the Trust is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

##### **Plans for future periods**

For some years now, the Trust has adopted Ambios Ltd, a registered not-for-profit company limited by guarantee, as their preferred beneficiary as the work and policies of this organisation significantly mirrors the particular objectives and wishes of the Trust Founder and of the Trustees.

The Trustees are in the process of rationalisation and reconfiguration of their structure, funds and activities to most expeditiously optimise the future effectiveness of their preferred primary charitable objectives.

##### **Structure, governance and management**

The Conscience Trust is an unincorporated charity constituted by a Trust Deed

The Trustees who served during the year and up to the date of signature of the financial statements were:

Mr A Miller

Mr S Whewell

Mr J Anderson

Mr D Acland

## INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE CONSCIENCE TRUST

---

I report to the Trustees on my examination of the financial statements of The Conscience Trust (the Trust) for the year ended 28 September 2021.

### **Responsibilities and basis of report**

As the Trustees of the Trust you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the Trust's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

### **Independent examiner's statement**

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Trust as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 28 SEPTEMBER 2021

---

### 1 Accounting policies

#### Charity information

The Conscience Trust is an un-incorporated charity registered in England and Wales.

#### 1.1 Accounting convention

The financial statements have been prepared in accordance with the Trust's deed dated 29 September 1994 and Supplement deed dated 8 January 2003, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2019). The Trust is a Public Benefit Entity as defined by FRS 102.

The Trust has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the Trust. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of investments. The principal accounting policies adopted are set out below.

#### 1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

#### 1.4 Incoming resources

Income is recognised when the Trust is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Income received by way of grants, legacies, donations and gifts is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity are recognised when the charity becomes unconditionally entitled to the grant.

Investment income is represented by:

- Dividends and interest receivable from investments listed on a recognised Stock Exchange
- Notional interest on the loan to the Torquay Coast and Countryside Trust

#### 1.5 Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with managing and maintaining the Trust's investment portfolio.

# THE CONSCIENCE TRUST

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

### FOR THE YEAR ENDED 28 SEPTEMBER 2021

#### 1 Accounting policies

(Continued)

Grants payable are charged in the year when the offer is conveyed to the recipient. In those cases where a grant is conditional, such grants are recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

Other costs comprise all costs incurred in running the Trust which are necessary for furtherance of the Trust's objectives.

#### 1.6 Tangible fixed assets

The tangible fixed assets of the charity consist of a reversionary interest of £1 each in three long (999) year leases granted on the Trusts land at Marley Road, Exmouth.

#### 1.7 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

#### 1.8 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value, except property and investments which are shown at their fair (market) value.

#### 1.9 Taxation

Under Section 505 of the Income and Corporation Taxes Act 1988, the Trust, as a Charity, is exempt from certain taxes.

#### 1.10 VAT

The charity is not registered for Value Added Tax. In these financial statements, where applicable, expenditure is shown inclusive of VAT.

<b>Total debtors</b>	<u>170,868</u>	<u>187,934</u>

#### The Loan

1.The purpose of the loan is to purchase specified equipment and other costs relating to the installation of a Solar panel (PV) array.

2.Interest on the loan is calculated on the following basis:  
Interest shall accrue on the loan at a rate of 4% per annum above the base rate of Barclays Bank plc, as varied from time to time.

3.Subject to paragraph 4 below, the amount due from TCCT to The Conscience Trust in repayment of the loan during the term of this agreement shall equal the Feed in Tariffs (FITS) payable in respect of the installation from the date of the installation up to the repayment date.

4.On the repayment date, the lender will calculate an amount which shall equal the sum of the Advances plus interest thereon on the assumption that no repayment of the loan has been made at any time prior to the repayment date.

If the amounts that the lender has received from FITS during the term of the agreement are less than the total repayment sum, *and TCCT has observed the agreement*, The Conscience Trust will notify TCCT that it waives the outstanding balance of the Total Repayment Sum.

If the amounts that The Conscience Trust has received from the FITS during the term of the agreement are equal or more than the Total Repayment Sum then The Conscience Trust will notify TCCT that the loan has been repaid in full.

5.However, if TCCT elects (in writing) to repay the loan before the repayment date The Conscience Trust will calculate the sum due on the Early Repayment Date.

On this basis the year end position is reported as if early repayment has been nominated at the year end date.
