### **Report of the Trustees for the year ended 30 September 2024**

The Trustees present their report and the financial statements for the year ended 30 September 2024. The Trustees who served during the year and up to the date of this report are set out on page 1.

#### **Structure, governance and management**

The Charity's objects and regulations are regulated by a trust deed dated 6 March 1995 and, under that deed is constituted as an unincorporated charity.

The objects of the charity are:

- (i) the advancement of the Christian religion either in the United Kingdom or overseas,
- (ii) the advancement for the public benefit of religious or other education and,
- (iii) relief of the aged, poor, sick or disabled.

To meet these objectives the Charity intends to establish a fund by means of subscription, collections, appeals for donations, bequests and other lawful means. There have been no changes in the Charity's objects or policies during the year, except for an update to the Safeguarding Policy, under the guidance of 31:8.

The Charity has a Chief Executive Officer who is in charge of the day to day running of the Trust and who is assisted by an Operations Manager and wider staff team in areas of hospitality, administration, finance, housekeeping, maintenance and development work.

The Trustees may invest monies at their absolute discretion in any investments or securities of any nature whatsoever and wheresoever, including land of any tenure, with the fullest power to vary or change such investments for other authorised investments as freely as if the Trustees were absolutely and beneficially entitled to the monies concerned.

The Trustees and the Principal Officer may make suggestions on the suitability of new Trustees but their appointment is decided upon by existing Trustees only.

The Trustees are actively investigating a change in status to become a Charitable Incorporated Organisation and a specialist solicitor is currently working on this matter.

#### **Objectives and activities**

The period covers the 28th full year of the work of The Jonas Trust as a Christian charity, during which accommodation and facilities continue to be offered at The Jonas Centre, Redmire for:

- a) Residential and retreat facilities for churches, Christian ministries and charities.
- b) Subsidised holidays and respite breaks for those experiencing a range of difficult circumstances, referred to the Centre by support services (churches, GP surgeries, local councils etc.) as part of the newly named Jonas Respites scheme.
- c) Conference facilities for day use by church leadership teams and others.
- d) Week, midweek and weekend holiday accommodation for individuals, couples, families and friendship groups.
- e) A venue for family celebrations, such as milestone birthdays.
- f) Peaceful space for resting, seeking, and engaging with God.

In planning the charity's activities for the year, the Trustees have paid due regard to the Charity Commission's guidance on public benefit. The Trustees believe that the Trust's activities continue to be for the public benefit, consistent with that guidance.

### **Report of the Trustees for the year ended 30 September 2024**

#### *Staffing of the Centre*

During the reporting period, Sebastian Rab continued as Chief Executive Officer. Rachael Rab went onto maternity leave half way through the period, and the CEO role became a full time post. Philippa Udy was appointed in the new role of Prayer and Development Lead, part time. Amanda Oliver was appointed as Maternity Cover Operations Manager. They were supported in maintenance, grounds work and housekeeping by a staff team of four other part-time employees.

The trustees would like to again place on record their sincere appreciation to all the staff for the manner in which they have carried out their duties and responsibilities.

#### **Achievements and performance**

The Trust continued to pursue the vision of 'people knowing God more', adding the clarifying statement, 'through residential Christian ministry'. The mission remained the same: 'welcoming all to share in a beautiful place, set aside for resting, seeking and engaging with God'.

The Centre was pleased to welcome 53 primary-purpose groups, over double the number compared to the previous reporting period, with approximately 40% first-time groups. These groups were predominantly churches, Christian ministries, Christian Unions and church leadership teams. The Princes Trust also brought three groups to the Centre for residential courses with local company Outdoor Ambition.

For the first time, the Centre team was pleased to host a week of 24/7 prayer with participants from across the UK, and it's own men's retreat weekend on the theme of prayer.

During the month of January, the Centre offered retreats to anyone working in Christian ministry on a 'pay as you feel' basis. This initiative was received enthusiastically and the month was unusually busy with guests.

Significant development work took place to refurbish the upstairs of the Granary Barn, adding additional bunk accommodation. The site also benefitted from the drilling of a new bore hole.

The team continued to serve in the local communities of the Dales and is pleased to be making positive connections, building relational support networks of prayer. A highlight from the reporting period included a second speaking engagement with the local cross-church worship evening, Wensleydale Filling Station.

During the reporting period, significant funds were donated for the purchase of Elm House, the other half of the estate that the Jonas Centre occupies.

#### **Financial review**

The statements which follow show the financial outcome for the year. Coming into the year, the financial position was stable, with significant savings remaining. Some of this funding surplus was well invested in site development work. If this capital improvement work is discounted from expenditure, the Centre covered it's running costs, not least because of generous donations from supporters encouraged by the vision and use of the Centre.

Moving forward, extra time is being given to grant fundraising and refreshing the supporter base of the Trust, in order to continue with key improvements to the site whilst covering basic running costs.

## **The Jonas Trust**

### **Report of the Trustees for the year ended 30 September 2024**

#### *Reserves*

It is advisable for all charities to have a reserves policy which takes into account immediate operational needs, has due regard for the composition of its asset base and earmarks funds which are necessary to carry out future plans.

The trustees consider that an appropriate level of free reserves i.e., those funds not tied up in fixed assets should equate to approximately three months of operational expenditure (average running costs). For the reporting period, the trust has been able to guard this level of reserves and will continue to do so going forward.

To support the Centre's site development scheme, Vision 21, the restricted fund has been maintained. None of the funds donated for Vision 21 have been used to sustain the Centre's general operation. Expenditure for the Vision 21 project is also managed and reported separately.

#### **Plans for future periods**

The Trust will continue to engage with churches, Christian ministries and charities across the North, and to offer a range of residential options in support of local church and other Christian ministry.

The Jonas Respite scheme will continue to be made available on a referral basis for those who would otherwise be unable to afford to visit the Centre.

The January 'pay as you feel' offer for those working in Christian ministry will run again.

The Trust continue to pursue funds for the purchase of Elm House, in order to take up this significant opportunity to expand its facilities and impact.

#### **Statement of trustees' responsibilities**

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year. In preparing these financial statements the Trustees are required to:

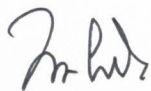

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

## **The Jonas Trust**

### **Report of the Trustees for the year ended 30 September 2024**

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and the Charity (Accounts and Reports) Regulations 2008. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## The Jonas Trust

### Independent examiner's report to the trustees on the unaudited financial statements of The Jonas Trust.

I report on the accounts of The Jonas Trust for the year ended 30 September 2024 set out on pages 7 to 14.

#### Respective responsibilities of Trustees and independent examiner

As the charity's Trustees you are responsible for the preparation of the accounts, you consider that the audit requirement of section 144(2) of the Charities Act 2011 (the Act) does not apply and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Act;
- to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the Act; and
- to state whether particular matters have come to my attention.

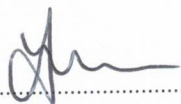

#### Basis of independent examiner's statement

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

#### Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (i) which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep proper accounting records in accordance with section 130 of the Act; and
  - to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the Act have not been met; or
- (ii) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

## Notes to financial statements for the year ended 30 September 2024

### General information

The charity is an unincorporated charity, registered in England and Wales. The address of the registered office is The Jonas Centre, Redmire, Leyburn, North Yorkshire DL8 4EW.

### 1. Accounting policies

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and the preceding year.

#### 1.1. Basis of accounting

The financial statements are prepared under the historical cost convention, and in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) and the Charities Act 2011.

The financial statements are prepared in sterling, which is the functional currency of the entity.

#### 1.2. Income and endowments

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included.

Gifts donated for resale are included as incoming resources within activities for generating funds when they are sold.

Income from investments is included in the year in which it is receivable.

#### 1.3. Expenditure

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

#### 1.4. Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Land and buildings	-	Straight line over 25 years
Fixtures, fittings & equipment	-	20% reducing balance
Motor vehicles	-	25% reducing balance

#### 1.5. Stock

Stock is valued at the lower of cost and net realisable value.
