Small companies provision statement

This report has been prepared in accordance with the small companies' regime under the Companies Act 2006.

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2025. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) 'Accounting and Reporting by Charities' issued in March 2005.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The organisation is constituted as a charitable company limited by guarantee and is therefore governed by a Memorandum and Articles of Association, dated 3 November 1995, and registered with the Charity Commissioners.

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

In the event of the company being wound up members are required to contribute an amount not exceeding £10.

Recruitment and appointment of new trustees

The overall management and control of Auden Place Community Nursery lies with the Board of Directors (known as the Management Committee). As well as being responsible for the overall management of the nursery, the committee members are also the charity trustees of the nursery. The number of Directors shall never be less than two and, until otherwise determined by a General Meeting, shall not be more than 14. Full membership of the Company is open to parent/family members of nursery children, and affiliate members, with not less than 60% of Management Committee membership being parent members.

On the 31st of March 2025 the Board of Directors was comprised primarily of parent trustees.

The Management Committee meets quarterly, with the Secretary also sitting on the Committee. All members of the Management Committee give their time voluntarily and receive no benefits from the charity.

There are currently 3 Directors. Three more parents are expected to join by the end of 2025 with a further two more early in 2026.

Prior to commencement of being a trustee, individuals are Ofsted DBS checked, no conflict of interest is registered, all are provided with a Directors/Trustees Handbook upon commencement of their duties.

Subgroups

We divide the Management Committee's responsibilities into subgroups - Building, Curriculum, Emergencies, Finance, Health & Safety, Marketing & Fundraising, Parent Partnership, Staffing & Safeguarding and Tenant's Association. The subgroups help us to align a parent's skills with the most appropriate group, so that their knowledge and experience is best channelled for the nursery - as a result someone with a background in marketing or running their own business might be involved in the Marketing subgroup, or a local accountant will be supporting the Finance subgroup. Each subgroup has a section on the meeting agenda. Committee members may sit on more than one subgroup at any one time. Nursery management also form part of the various sub-groups.

Organisational structure

There is one full-time Manager, Nicola Aherne, who manages both the day-to-day running of the nursery and organises events such as fundraising initiatives, two Deputy Managers, Charly Read and Diana Mendonca, who support the Manager and are responsible for Curriculum and Operations respectively. Nicola Aherne was appointed Manager in September 2021 and has been part of Auden Nursery since 2009. She has held several positions within the nursery including SENCO lead and Deputy Manager. Both Charly and Diana have been with the nursery since they were apprentices. Charly is level 5 and Diana is waiting on confirmation of her level 5. Rachel Williams has been with the nursery since 2014 and holds position of SENCO role. The nursery has employed Janet Jobson as CEO, since June 2022, to assist with financial structure and governance. In addition, the nursery has 20 permanent staff of which 3 are apprentices and 2 are lunch time assistants. Auden place has a full time cook, Mary, and a full-time kitchen assistant. All our food is purchased daily and prepared and cooked on site. A pool of 3 regular bank staff is called on an as and when needed basis, providing continuity for both children and the daily routine. Day to day bookkeeping is outsourced which is closely monitored by the Finance Committee. Payroll has been outsourced for several years to Continuum Ltd who also look after the workplace pension for staff.

Risk Management

The Board of Trustees continues to conduct a review of the major risks to which the nursery is exposed. 'Risks and Concerns' is a standing agenda item in the Management Committee meetings. Where appropriate, systems or procedures have been established to mitigate the risks the charity faces. The trustees consider the key risks to be financial stability, staffing (including staff turnover), and child welfare.

As part of our risk management plan, the following key activities were undertaken in the year:

- Regular staffing updates, this includes 1 to 1's between MC and staff, supervisions with management and benchmarking.
- Annual staff appraisals
- Regular Policy reviews and implementation in line with regulatory updates to ensure the welfare of the children and staff.
- Regular review of waiting lists.
- Reviewing continuity when Management Committee members move on once their children leave the nursery.
- Government funding reviews and the implications.
- Continuing review of cost of overheads

OBJECTIVES AND ACTIVITIES

Auden Place Community Nursery

Trustees' Report

Objectives and Aims

Auden Place Community Nursery's mission is to provide a safe, healthy, fun, stimulating, learning and socially diverse environment for children, offering affordable, high-quality childcare for families. The Trustees have referred to the guidance in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in planning future activities.

Our major objectives are to have a quality team of staff engaged in continuous professional training and providing child-centred learning support; to provide a pleasant physical environment for children and staff; to secure funding support for subsidised nursery places for lower-income families; and to ensure high-quality management of the nursery by the Management Committee and nursery staff.

ACHIEVEMENT AND PERFORMANCE

We currently cater for, on average, 53 children per month with approximately 41% of these attending on a full-time basis and an additional 6 children before and after school (wrap). We were able to maintain social diversity with approximately 18% of children in subsidised concession fee places and a further 22% being fully funded.

We continue to offer the Government funded 15 hours childcare to all 3- & 4-year-olds, with 6 of those eligible for the enhanced 30 free hours. As of April 2024, eligible 2-year-old children received 15 hours of free childcare funding and from September 2024 working families also received the 15 hours of free childcare funding for children from 9 months. All the government childcare funding is based on 38 weeks term time. The wide range of ages in each room and the transition between them represents a challenge, however the staff are well trained to ensure that all children receive appropriate levels of care. Staff training is a continuous process, and we encourage and support continuous professional development within the nursery setting. In addition, hosting childcare students from several training providers, training them to our high standards with the hope they will join our staff team as either qualified staff or apprentices on their next level of qualification.

Rating and Awards

The nursery received a "Good" grade from Ofsted in May 2023. The nursery has continued to manage high occupancy levels with a long waiting list especially for babies.

Charitable activities

Fundraising activities this year included Bunny Hop and Christmas Bags. With help from parents, suppliers and staff, we were able to raise £1,749 from these activities. The proceeds were spent on various resources within the nursery.

FINANCIAL REVIEW

The statement of Financial Activities shows a net income on incoming resources for the year of £33,025 (2024 –£876). This is above the expectation of the nursery's aim to break even. Over the past couple of years, the financial position has improved with profitability resuming. Building and repairs costs were circa £23,500 with the main focus on Star room redecoration (3&4yr old room) and some new air conditioning units to cover the balance of the building. More repair and maintenance expenditure is expected in years 2025-26.

Salaries and related costs, which represent the biggest share of the running costs of a nursery, were £500,910 or 68% of the nursery's income generated by nursery fees (2024 – 72%).

A key area of concern for the Management Committee remains staffing costs, as well as generating sufficient fee revenues to support our objectives without compromising our ability to offer this affordably.

To account for the above, the Management Committee continue to engage in the following activities:

Auden Place Community Nursery

Trustees' Report

Annual review of nursery fees to ensure that the nursery generates adequate income to cover expenses and remains competitive within the industry for both fees and staff salaries in a challenging environment. During this financial year, there was an 8% annual fee increase, the previous increase was in September 2022. Moving into 2025-26, the Management Committee agreed a fee increase of 5% to be implemented in April 2025. These increases were mainly to cover the additional costs announced by government of increases in the National minimum wage (NMW) and the National Living Wage (NLW) but also an average of 5% wage increase to our loyal staff.

The continued Finance Committee meetings with Management throughout the past few years has benefitted everyone. Our CEO, Janet Jobson, continues to scrutinise costs whilst working towards as small as possible increases in fees. Her continued input has helped the nursery become more financially structured and return it to a net income position. In turn, this has also assisted the Management Committee as Janet brings continuity between old and new members. Amongst tasks undertaken, Janet assists with overseeing policy and governance, expense cutting exercises, some administration and planning and to help ensure the financial stability of the nursery. She works closely with the Manager Nicola Aherne and Deputy Managers to assist in staffing and reporting.

Bi-monthly monitoring and monthly reporting of profit/loss by the Finance subgroup of the Management Committee

The Marketing and Fundraising subgroup meet as and when required to agree strategy, researching and applying for available and suitable grants and the possibility of sponsorships, as well as internal fundraising activities.

The continued use of a formal Conflict of Interest Policy and Register, to further enhance the Safeguarding of the nursery.

Developing a partnership with our local VCS to support with finding and applying for government grants relevant to our services

A continuing priority for the Management Committee is to actively work to ensure that we maintain diversity at Auden Place Community Nursery. To this end, we will continue to benchmark fees to ensure that the nursery remains cheaper than private nurseries and continue to offer subsidised childcare places to low-income families and also provide the free 15 or 30 hours to all who are eligible, whilst maintaining reserves to support the nursery in the event of further future unforeseen events.

The address of its registered office is:

1 Auden Place
Manley Street
London

The principal place of business is:

Manley Street
London

These financial statements were authorised for issue by the trustees on 12 November 2025.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). They also comply with the Companies Act 2006 and Charities Act 2011.

Basis of preparation

Auden Place Community Nursery meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Exemption from preparing a cash flow statement

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Auden Place Community Nursery

Notes to the Financial Statements for the Year Ended 31 March 2025

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees's meetings and reimbursed expenses.

Government grants

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

Auden Place Community Nursery

Notes to the Financial Statements for the Year Ended 31 March 2025

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Depreciation and amortisation

Fixed assets are depreciated over their economic useful lives at the following rates:

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value. Interest receivable is shown under investment income in the Statement of Financial Activities.

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees's discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.
