Influence Church

Report of the Trustees for the Year Ended 31 March 2024

The trustees present their report with the financial statements of the charity for the year ended 31 March 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

Influence Church is a multi-location Christian Church operating in the North of England with locations in Richmond, Barnard Castle, Penrith, Bishop Auckland and Workington. Influence Church exists to advance the Christian Faith and to support our communities in whatever way possible, including provision of goods, education and services, including Marriages and Funerals.

Significant activities

The main activities for Influence Church are the weekly Sunday church services held at the five locations with encouraging attendances at each one. Mid-week activities for parents and toddlers, at Richmond and Barnard Castle, and for teenagers through the Elevate ministry, at Richmond, Penrith and Bishop Auckland, have functioned well with increasing numbers. The Storehouse Foodbank operates at Richmond, Barnard Castle and Bishop Auckland, at an increased level. At the weekly Sunday meetings, children aged up to 11 years old have their own gatherings called Hero Factory.

In addition across all locations of church the Life Groups (formerly called Connect Groups) facilitated community and discipleship and have been such an encouragement and support to many in the church.

The youth programme, Elevate, runs across the 3 of the locations each week. On Fridays we see on average 100 young people visit the programme which provides a warm and safe space for young people to go to. Each week we provide a mix of snacks, games and activities and opportunities for them to discuss relevant topics and issues that they are facing in their lives. Alongside the Friday programme we provide additional support and counselling to 40 young people through our youth life groups. There are at least 2 trips away each year, to Manchester and to Knock in Cumbria. In all three locations we are striving to offer a faith filled and relevant programme for the youth of our communities.

The foodbanks in Richmond and Barnard Castle continued to supply donated food to our communities. With the current financial difficulties experienced by many individuals and families, demand has increased but the increased donations of food and finance to enable support to continue has been so encouraging. Grants from North Yorkshire County Council, in particular, for the Richmond Foodbank and donations for the Barnard Castle Foodbank have been so important in enabling the foodbanks to provide aid. Many individuals have donated generously and consistently too.

The school uniform bank was again able to take place in all locations and was a tremendous help to many families struggling to afford school uniforms.

In addition, the Breakfast Club continued to provide breakfast for children in the Bishop Auckland area and has been generously supported, particularly by Durham County Council.

Many of the above projects rely on unpaid volunteers who are part of the church congregation

We also support International Missions in Asia and Africa, partnering with a flourishing church in Phnom Penh, Cambodia, who work to stop child sex trafficking and alleviate poverty. Both our Senior Pastors have visited Cambodia at least once a year in recent years to teach and support the emerging church leaders. A team of twelve people from Influence Church went on a mission trip to Cambodia during the year, working with the children, teenagers and adults in both Phnom Penh and their other church in Prey Romeas.

In Uganda we work in co-operation with Compassion UK combatting poverty in that country. Individuals in the church sponsor around 120 children through Compassion UK.

For the first time, Alpha Courses were run at Richmond and Barnard Castle providing the opportunity for non-church people or those new to church to explore Christianity. These, having proved successful, will be repeated in the coming years at these and the other locations.

Report of the Trustees for the Year Ended 31 March 2024

OBJECTIVES AND ACTIVITIES

Public benefit

The trustees have regard to the Charity Commission's guidance on public benefit and all issues relating to running a charity.

The activities outlined above are the main activities undertaken to further the purpose for public benefit.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

When the name for the church was changed to Influence Church, the desire and aim of the charity was that we would be an influence for good in the community. Not only by providing opportunities for worship and associated Christian activities, with steadily increasing numbers attending, but to provide much needed support for needy people within the areas in which we operate.

The foodbanks particularly in Richmond and in Bishop Auckland through their Breakfast Club, have been a great asset to the community. The Richmond and Barnard Castle foodbanks have provided around 55,000 meals through the year. While primarily being a source of food supply, the foodbanks also provide a place where people can come, chat and share their problems and be helped in other ways.

The Elevate youth events too, are being a valuable asset in their local communities, seeking to provide safety, support and stability to this generation. Many young people are suffering with mental issues and Elevate has helped many combat these.

While being an influence for good in society can be a difficult and daunting prospect, the church is so grateful for all that the staff and the many volunteers do in seeking to fulfil this aim and we cherish all the successes that have been achieved through the year.

FINANCIAL REVIEW

Reserves policy

At 31 March 2024 available reserves were £46,288, being the balance of unrestricted funds and excluding the mortgage repayable after one year as this is secured against the property.

The 2023-24 year has been a difficult year financially for many businesses and charities. While the cost-of-living situation prevailing in the country has been one of the main reasons for this, Influence Church has found that income continues to recover, and now surpasses the level reached when the Coronavirus pandemic struck.

In the last few years Influence Church has planted at three new locations across the North of England. These new churches are therefore, initially, dependant on the original church and an older planted location for finance to enable them to function and grow. It normally takes several years before they are self-funding, but we believe this is an investment well worth undertaking and will add strength for future days.

In the current financial year 2023-24, donations of £78,787 were made towards the stability and future growth of Influence Church. While some of this was spent in that year, some of the income was carried over to this current year, adding to the financial strength and potential for future developments.

We own our building at Richmond and have a mortgage with Kingdom Bank with a balance of £64,676 at the year end, a sum estimated at much less than 20% of its market value and in addition we hold other non-designated reserves. The trustees consider current levels of reserves to be adequate at present, but will be under regular review due to the church being committed to growth in the coming years.

Trustees are continuing to monitor the financial situation of the charity. Overall we remain confident for the future.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Church is governed as per the Constitution and Trust deed adopted by the trustees on 23 January 2007 from a model supplied by Assemblies of God, with whom we are affiliated. Each Assemblies of God church is autonomous in its governance and finances. The Senior Ministers, Pastor Ben Dowding and Pastor Gale Dowding have spiritual and day to day oversight of the charity. Pastor Ben is chair of the trustees as per the Constitution and is answerable to them. They meet approximately 4 times a year.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Recruitment and appointment of new trustees

There is no external body or person affecting appointments of trustees.

New trustees are appointed with adherence to the Charity Commission guidelines CC30. It is essential that they are a person committed to the teachings of the Bible and have a personal knowledge of God through Jesus Christ. They should be in agreement with the objectives and core values of Influence Church. Trustees are nominated to join the team by the Church Leadership and approved and appointed by the existing trustees.

**Independent Examiner's Report to the Trustees of
Influence Church**

Independent examiner's report to the trustees of Influence Church

I report to the charity trustees on my examination of the accounts of Influence Church (the Trust) for the year ended 31 March 2024.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

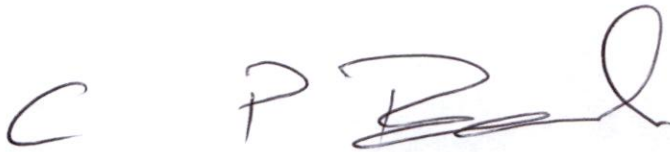

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the Year Ended 31 March 2024

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the and the Charities Act 2011.

The financial statements are prepared on the going concern basis under the historical cost convention.

The trustees believe that it is appropriate to continue to adopt the going concern basis of accounting in preparing the financial statements. The financial statements are prepared in sterling (£).

The principal accounting policies adopted in the preparation of the financial statements are set out below.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Grant income is accounted for in the year in which it is received.

Foodbank donations

The charity operates a foodbank using donations from a variety of sources. The value of foodstuff donations to the church and onwards to the beneficiaries is not included in the financial statements as the trustee's consider that the cost of valuing these donations would outweigh the benefit.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Allocation and apportionment of costs

Support costs directly attributable to an activity have been allocated to that activity. Where support costs cannot be directly attributed to any activity they have been allocated in proportion to direct expenditure.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property and improvements	- 2% on cost and not provided
Leasehold improvements	- 50% on cost
Fixtures and fittings	- 15% on cost
Computer equipment	- 15% on cost

The trustees consider that the residual value of the building within freehold property is equal to or greater than the carrying value within the accounts. Accordingly, no depreciation has been recognised in the period.

Tangible fixed assets are measured at cost less accumulated depreciation and impairment.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Influence Church

Notes to the Financial Statements - continued for the Year Ended 31 March 2024

1. ACCOUNTING POLICIES - continued

Fund accounting

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Basic financial instruments

Basic financial instruments are measured at amortised cost with changes recognised in income or expenditure.

Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The charity makes estimates and assumptions concerning the future. There are no resulting accounting estimates and assumptions that have a significant risk of causing material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Critical areas of judgement:

In the application of the charity's accounting policies the trustees are required to make judgements, estimates and assumptions about the carrying amounts of certain assets and liabilities. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. The items in the financial statements where these judgements and estimates have been made include:-

Depreciation - Depreciation is calculated so as to write off the cost of an asset, less its residual value, over the economic life of that asset. An estimate of the useful life of assets is detailed in the depreciation accounting policy.

Leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.
