A.W.L.N. FOALS & HORSES SANCTUARY

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2021

The trustees present their report and financial statements for the year ended 31 March 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

Objectives and activities

The charity's objects are to relieve the suffering of horses, foals and ponies and in particular to provide and maintain a sanctuary for such unwanted animals and treat the sick and ill, as well as providing a good quality of life for our charges. Where appropriate, we rehome suitable horses and ponies. There has been no change in these objects during the year.

The charitable company was set up in 1994 by Olive Lomas and others with the aims of relieving the suffering of foals, horses, ponies, stallions, brood mares, yearlings and other horses and live-stock of every description, which were in need of care and attention. Since then the sanctuary has continued to provide and maintain facilities for the reception and care of unwanted equines and the treatment of sick or ill-treated equines.

Looking to 2022 and beyond.

The trustees remain mindful of the need to generate continuous and stable sources of income. We hope to facilitate the recruitment of new trustees with expertise in areas of fund raising and new income generation, accounting and finance, project management of building works and maintenance for the site we currently occupy, equine welfare, human resources, press and public relations and marketing.

Future plans

Our vision is to become more community-focused by engaging with the general public. Although a great deal of work has been done to improve the land and buildings used by the charity, much remains to be done and in particular we will be concentrating on improving the facilities at the house/offices to make them safe and comfortable for staff and visitors. We plan to have a new isolation unit built to separate new animals on intake to ensure we minimise the passing on of potential infection. We plan to build a new field shelter for our animals.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

A.W.L.N. FOALS & HORSES SANCTUARY

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2021

At present the charity provides care for approximately 52 horses, 2 donkeys and 2 goats at its 22-acre site in Oswaldtwistle. Many were rescued from slaughter for meat and have been with us for a decade or more. They came to us with severe trauma or ill-health, such that for them re-homing was not an option. Consequently, we have evolved a specialism in the care and well-being of predominantly elderly, sick, neglected, abused or vulnerable equines. New cases are accepted on the basis of most dire need or danger, and are usually referred by third parties. Where possible, we seek to loan or re-home younger equines (under 20 years) who are fit enough to enjoy the role of special companion to other equines. Re-homing is subject to a strict vetting procedure and regular supervision. We are privileged to provide a comfortable retirement for our horses in refuge, to administer, under veterinary guidance, appropriate care and medication regimes where necessary and to see our equines at peace in an environment where public visiting is encouraged while at the same time carefully managed and supervised.

In the year to 31 March 2021, the charity was severely affected by the Covid-19 pandemic. The sanctuary and its charity shop were closed to the public and most volunteers, so our fundraising efforts were largely put on hold. However, we were very fortunate to receive a major legacy, for which we are very grateful. This enabled the trustees to arrange for much-needed improvement work to be carried out to the sanctuary. This included having the whole of the stable buildings re-wired, the roof made safe and waterproof, together with work to improve the front of the sanctuary, including the provision of better car-parking, improved surfaces between the sanctuary and the fields, re-fencing work and work to treat the land for weeds to ensure the safety of our animals during the summer.

We encourage volunteers of all ages and from all walks of life to join us and help move the Charity forward. Volunteers are under the supervision of Management and any issues are reported to the Board on a monthly basis.

Achievements and performance

Financial review

In 2020, the charity had struggled to maintain a good level of income to cover its extensive outgoings and the trustees were concerned about the levels of reserves to give the charity a degree of financial stability.

However, in 2021, the charity was the recipient of a legacy of £314,000 together with other generous legacies and donations and at the end of 31 March 2021, the trustees are much more positive about a sustainable future for the charity.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. At the end of this financial year, the charity has sufficient reserves to meet this policy.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

The company is registered as a charitable company limited by guarantee and is constituted under a Memorandum of Association dated 15 March 1994 as amended by special resolution dated 19 October 1995.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Mrs L Moir

Miss J Knowles

Ms Susan Cocker

Mr Malcolm Williams

(Resigned 16 September 2020)

A.W.L.N. FOALS & HORSES SANCTUARY

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2021

Referral and word of mouth recruitment is preferred. We seek key skills in each trustee, so that the overall competency of the board is improved and maintained.

We regard the training of our trustees as compulsory. Comprehensive training is routinely provided by Hyndburn and Ribble Valley CVS.

Our constitution requires a minimum of three trustees, each serving a maximum three-year term, and one to act as Chairman. Trustees are proposed, and elected, by the membership and appointed at the annual general meeting.

Our equine sanctuary is based in Oswaldtwistle, Lancashire, and we currently maintain grazing for a diminishing number of elderly ponies in Scotland.

Our operational trading name is Only Foals and Horses Sanctuary. The organisation was previously known as Animal Welfare Liaison Network.

A.W.L.N. FOALS & HORSES SANCTUARY

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2021

Risk Management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The accounts are prepared off-site by a reputable and long-established firm of accountants.

The trustees are aware of their duty to ensure that employees who hold key management positions, Office Manager/ Co-ordinator and Animal Welfare/Yard Manager, are fully competent to assess risks in their specific areas of responsibility.

Four key goals for the current administration are:

- a) To develop sustainable funding for the future
- b) Minimise reliance on legacies
- c) Raise wider awareness of the Charity and its aims
- d) Widen our trustee and volunteer skills base.

The trustees have set up a reserve account and are working towards achieving a dedicated "emergency" amount enough to cover 6 months costs. Generation of alternative income is a top priority. We have concentrated on raising awareness of our charity and its aims, through outreach to traditional media, and with the selection and engagement of professional partners in web-site developments and bidding for funds, and pro bono professional support in marketing. The trustees, together with funding partners, will look at ways in which the charity can benefit the community and engage with community-orientated initiatives, in order to access new funding sources.

Structure and Governance

None of the trustees, nor the Chairman, receive any salary or financial remuneration for their work and involvement on behalf of Only Foals and Horses. Nor do they claim expenses for mileage to and from the Sanctuary.

The Board audits the combined skill set of its trustees to achieve optimum competency, and also to identify skill deficiencies in relation to a specific goal. Where necessary, outside consultants are engaged to give expert guidance. Their assistance is sought on a voluntary or costed basis, wherever and whenever possible.

As an organisation we are committed to continuous improvement in line with the standards of good governance expected by the Charity Commission. Changes in legislation and regulations will be monitored, and our policies and procedures will be assessed and reviewed to ensure that Only Foals and Horses Sanctuary is operating within the legal framework. The board as a whole has responsibility for ensuring that policies and procedures are in line with legislation and regulations changes.

Other matters

One of the key assets of Only Foals and Horses Sanctuary is the inspirational story of its founder, the late Olive Lomas. She was particularly successful at attracting legacies and the trustees hope to continue to build on her legacy.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF A.W.L.N. FOALS & HORSES SANCTUARY

I report to the trustees on my examination of the financial statements of A.W.L.N. Foals & Horses Sanctuary (the charity) for the year ended 31 March 2021.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the ICAEW, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

BALANCE SHEET (CONTINUED)

AS AT 31 MARCH 2021

The company is entitled to the exemption from the audit requirement contained in section 477 of the Companies Act 2006, for the year ended 31 March 2021.

The trustees acknowledge their responsibilities for ensuring that the charity keeps accounting records which comply with section 386 of the Act and for preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its incoming resources and application of resources, including its income and expenditure, for the financial year in accordance with the requirements of sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

The financial statements were approved by the Trustees on 23 November 2021

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2021

1 Accounting policies

Charity information

A.W.L.N. Foals & Horses Sanctuary is a private company limited by guarantee incorporated in England and Wales. The registered office is Redshell Lane, Haslingden Old Road, Oswaldtwistle, Lancashire, BB5 3RW, United Kingdom.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's [governing document], the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

A.W.L.N. FOALS & HORSES SANCTUARY

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2021

1 Accounting policies

(Continued)

1.5 Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to each category of expense shown in the Statement of Financial Activities. Expenditure is recognised when the following criteria are met:

- there is a present legal or constructive obligation resulting from a past event
- it is more likely than not that a transfer of benefits (usually a cash payment) will be required in settlement
- the amount of the obligation can be measured or estimated reliably.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold land and buildings	No Depreciation
Leasehold improvements	10% on cost
Plant and equipment	25% on Reducing balance
Fixtures and fittings	25% on Reducing balance
Motor vehicles	20% on Reducing balance

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition. Items held for distribution at no or nominal consideration are measured the lower of replacement cost and cost.

Net realisable value is the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

A.W.L.N. FOALS & HORSES SANCTUARY

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2021

1 Accounting policies

(Continued)

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.11 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

Payable other than by instalments	(130,000)	130,000

The long-term loans are secured by fixed charges over the land at Redshell Lane

In July 2001, the Charity was lent the sum of £130,000 by Mr G Quinton, a supporter of the charity, in order to assist it to purchase the land at Redshell Lane from which the Charity operates. The terms of the loan are that no repayment is required providing interest is payable twice-yearly to Mr Quinton's wife at a rate equal to the base-rate published by Lloyds TSB Bank plc. Mr Quinton has a legal charge over the property which would be invoked in the event of various conditions being breached including that concerning the prompt payment of interest, as well as the care of the land at Redshell Lane.
