## THE DROMINTEE TRUST

### TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2023

The Trustees present their annual report together with the audited financial statements of the Charity for the 1 April 2022 to 31 March 2023.

#### Objectives and activities

##### • Policies and objectives

The objectives of the Trust are such exclusively charitable purposes as the Trustees may determine and in particular but without prejudice to that general statement:

1. To provide relief for those who by reason of their age, youth, infirmity, disablement, poverty or social and economic circumstances are suffering hardship or distress or are otherwise in need.
2. To provide relief for charitable purposes connected with children's welfare in the United Kingdom or elsewhere, in particular (but without limitation to the trustees' powers) the relief of need, hardship, suffering, distress of underprivileged, deprived and abused children.
3. To advance the education about and the enhancement of health in general and to provide, maintain and replace (where not readily available from statutory resources) medical equipment to be used in the care and treatment of the sick and for the relief of poverty amongst the sick.
4. To promote research into the causes of and a cure for those suffering from rare diseases or disorders and in particular metabolic disorders.
5. To make donations to any charitable institution or foundation for the purposes of such institution's or foundation's charitable objects of such amount or amounts and in such manner generally as the trustees shall in their absolute discretion determine.

There have been no changes to these objectives and policies since the Trust was established.

It is not the intention of the Trustees to raise funds for the charity from the public.

The Trustees confirm they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities and setting the grant making policy for the year.

##### • Grant making policies

The Trustees consider all written applications for grants at Trustees' meetings. Applications are considered on merit based on how closely the activities of the applicant fit with the objectives of the charity.

The Trustees have sought to benefit the public through a range of grants to charitable causes within the conditions of the trust deed.

## THE DROMINTEE TRUST

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2023

#### Achievements and performance

- **Review of activities**

The Trust received donations which, with the tax recovered, amounted to £706,250 (2022 - £343,750), dividends on unlisted investments of £180,000 (2022 - £120,000) and bank interest of £2,951 (2022 - £47).

17 donations were made totalling £844,964 (2022 – 18 donations totalling £430,612). The donations were spread over the causes that the Trustees felt were worthy of supporting and which fulfilled the objectives of the Trust. They were spread between local charities, the UK and Third World countries and included donations for medical charities, health, education, children's charities and caring for the sick and their families.

The income exceeded the expenditure by £151,785 (2022 - £61,050) which has been added to the accumulated fund. At 31 March 2023 the total assets of the Trust were £3,544,500 (2022 - £3,392,715).

- **Investment policy and performance**

Whilst the Trust has funds awaiting distribution, these are maintained to give rise to the best rate of return.

#### Financial review

- **Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

- **Principal funding**

The Trustees are satisfied that the Trust's assets are available and adequate to fulfil its obligations.

#### Structure, governance and management

- **Constitution**

The Dromintee Trust is an unincorporated charity established under a Deed of Settlement by Hugh Patrick Murphy dated 11 October 1995.

The Trustees during the year and at 31 March 2023 were as follows:

Hugh Patrick Murphy  
Margaret Ann Murphy  
Robert Henry Smith  
Paul Tiernan  
Mary Agnes Middleton  
Patrick Hugh Murphy  
Joseph John Murphy

## THE DROMINTEE TRUST

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2023

#### Structure, governance and management (continued)

##### • Methods of appointment or election of Trustees

The settlor has the power to appoint new or additional Trustees during his lifetime. Individual Trustees are able to resign at any time by notice in writing.

The current practice is to appoint new Trustees who are known to the settlor and no formal checks are therefore considered to be necessary.

##### • Organisational structure and decision-making policies

The Trustees have the same full and unrestricted powers of investing and transposing investments as if they are beneficially entitled to the Trust Fund.

##### • Policies adopted for the induction and training of Trustees

Appointees are invited to a Trustee meeting prior to appointment. New Trustees receive a copy of the governing document, financial statements and Charity Commission Publication CC3 "The Essential Trustee".

##### • Risk management

The Trustees have assessed the major risks to which the Charity is exposed, in particular those related to the operations and finances of the Charity, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks.

#### Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**THE DROMINTEE TRUST**

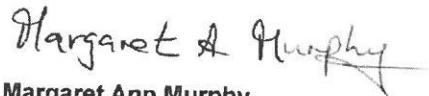

**TRUSTEES' REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 MARCH 2023**

**Disclosure of information to auditors**

Each of the persons who are Trustees at the time when this Trustees' report is approved has confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the charity's auditors are unaware, and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

Approved by order of the members of the board of Trustees and signed on their behalf by:

**Margaret Ann Murphy**  
Trustee

Date: 13 October 2023

## THE DROMINTEE TRUST

### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE DROMINTEE TRUST

#### Opinion

We have audited the financial statements of The Dromintee Trust (the 'charity') for the year ended 31 March 2023 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2023 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

#### Other information

The other information comprises the information included in the Annual report other than the financial statements and our Auditors' report thereon. The Trustees are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## THE DROMINTEE TRUST

### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE DROMINTEE TRUST (CONTINUED)

#### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

#### **Responsibilities of trustees**

As explained more fully in the Trustees' responsibilities statement, the Trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

## THE DROMINTEE TRUST

### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE DROMINTEE TRUST (CONTINUED)

#### Auditors' responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Based on our understanding of the charity and the sector, we have identified the principal risks of non-compliance with laws and regulations related to UK Tax legislation and breaches of the Charities Act, and we have considered the extent to which non-compliance might have a material effect on the financial statements.

We also considered those laws and regulations that have a direct impact on the preparation of the financial statements such as the Charities Act 2011 and provisions of the Charities SORP (FRS 102). We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls) and determined that the principal risks were related to posting inappropriate journal entries, and management bias in accounting estimates. Audit procedures performed included:

- Enquiries with management for consideration of known or suspected instances of non-compliance with laws and regulations and fraud.
- Identifying and testing journal entries, in particular any journal entries posted with unusual account combinations, journal entries crediting revenue, journal entries crediting cash and journal entries with specific defined descriptions.

There are inherent limitations in the audit procedures described above. The more removed non-compliance with laws and regulations is, from the events and transactions reflected in the financial statements, the less likely we would become aware of it. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by forgery or intentional misrepresentation, for example, or through collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Auditors' report.

THE DROMINTEE TRUST

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE DROMINTEE TRUST (CONTINUED)

**Use of our report**

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees, as a body, for our audit work, for this report, or for the opinions we have formed.

## THE DROMINTEE TRUST

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

#### 1. Accounting policies

##### 1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The Dromintee Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

##### 1.2 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

##### 1.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

##### 1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated to the applicable expenditure headings.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

##### 1.5 Going concern

The Trustees have prepared the financial statements on the basis that the Trust is a going concern.

##### 1.6 Investments

Fixed asset investments consist of shares gifted to the Charity by Hugh Patrick Murphy, a Trustee. The initial value of the gift was based on other share transactions that occurred on a commercial basis at a similar time to the gift being made and was the Trustee's reasonable estimate as to the value of the gift. The shares are revalued annually based on a formula which applies a percentage discount from the net asset value of either the most recent year end accounts or an updated valuation, multiplied by the number of shares.

## THE DROMINTEE TRUST

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

#### 1. Accounting policies (continued)

##### 1.7 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the bank.

##### 1.8 Cash at bank and in hand

Cash at bank includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

##### 1.9 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt.

#### 2. Judgements in applying accounting policies and key sources of estimation uncertainty

Certain of the amounts included in the financial statements involve the use of judgement and/or estimation. The judgements and estimates are based on the Trustees' best knowledge of the relevant facts and circumstances and have regard to prior experience, but actual results may differ from the amounts included in the financial statements. Information about such judgements and estimation uncertainty is contained in the accounting policies and/or notes to the financial statements and the key areas are summarised below:

Critical accounting estimates and assumptions:

The Charity carries its fixed asset investments at fair value as set out in note 1.6 above and note 9 on page 17.
