PA Aim & Achievements:

Support the school and enhance the educational experience of it's pupils through collaboration between parents, teachers and the wider school community

We undertake various events through the school year in order to raise funds for enrichment for the pupils, including workshops, school library enhancements and experiences not covered by school budget. We work closely with the headteacher and other staff to see what equipment is needed that we can help use funds to purchase.

We host inclusive and enjoyable events for families and staff, including disco's, summer fayres, Easter, Christmas and Halloween celebrations.
