

- Evangelism – Events were organized in the community centre and invites were given to people to come. At these events evangelistic literature that the field workers have written and printed about the basics of the Christian faith and other booklets are given out. These books and literature enable the advance of the Christian faith and it has been effective. The latest book written has been printed and distributed around Serbia and other countries. There are plans of printing more copies of the latest book.
- Field workers provided New Testaments for the work in Gornji Milanovac to help with evangelistic outreaches.
- Regular Church Ministry led by the field workers - regular services in two locations, in Kraljevo and Chachak (Lighthouse Church) discipling both churches of believers through teaching and preaching the Word of God, worship, prayer, fellowship, encouraging, strengthening and supporting them in their faith and life challenges. The church is growing and new people are being added to it. Hospitality of refreshments is always provided for all regular services.
- Online Ministry – use of social media and live broadcasts that reaches people all over Serbia, Balkan countries, Europe and beyond. In this past year the Sound Equipment has been improved by purchasing a new PA System and video recording equipment. Also using Zoom for meetings online especially during the time when it was advised by medical professionals because of the covid pandemic.
- Regular pastoral visits - to believers in their homes, bringing practical help of groceries, praying for and encouraging them and witnessing as always in homes there are unbelievers present. Believers live from Vrnjacka Banja to Priboj – central to western Serbia, to the border of Bosnia, which is four and a half hours drive by car. They are reaching for the Gospel a vast unreached area in central and western Serbia travelling by car to all these places. So the field workers are regularly visiting believers in Kraljevo, Vrnjacka Banja, Chachak, Mrcajevci, Nova Varos, Kokin Brod.
- Travelling to minister in other churches in Serbia and Balkan countries – our field workers travel to other cities in Serbia to strengthen, build up and support churches and leaders – Pozarevac, Sabac, Kragujevac... They do the same in other Balkan countries.

Independent Examiners Report to the Trustees of

Light of the Gospel Ministries

Charity No. 1064271

I report on the accounts of the trust for the year ended 31 March ²⁰²²~~2020~~, which are set out above. As the charity's trustees are responsible for the accounts and for the preparation thereof you consider that the audit requirement of section 43(2) of the Charities Act 1993 (the Act) does not apply. It is my responsibility to state on the basis of the procedures specified in the general directions given by the Charity Commissioners under section 42(b) of the Act, whether particulars have come to my attention.

Basis of Independent Examiners Report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you trustees concerning such matters. The procedures undertaken do not provide all the evidence what would be required in an audit, and consequently I do not express an audit opinion on the view given by accounts.

Independent Examiners' Statement

In connection with my examination, no matter has come to my attention.

1) Which gives me reasonable cause to believe that in any material respect the requirements.

- To keep accounting records in accordance with section 41 of the act and to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the Act,

Have not been met or

2) To which. In my opinion, attention should be drawn in order to reach a proper understanding of the accounts reached.
