FIRST FRUIT
(A COMPANY LIMITED BY GUARANTEE)
REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31ST MARCH 2022

The trustees are pleased to present their report together with the financial statements of the charity for the year ending 31st of March 2022.

Reference and administrative details set out on page 2 form part of this report. The financial statements comply with current statutory requirements, the memorandum of association and in accordance with the Companies Act 2006 and Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019) - (Charities SORP (FRS102)).

Structure, Governance and Management.

First Fruit was incorporated as a company limited by guarantee on 28th November 1997 with company number 3477267 and is registered with the Charity Commission with number 1066749. The Charity operates from its premises at 34 Norwich Road, Forest Gate E7 9JH.

The trustees act as company directors for Companies Act purposes and meet regularly to manage its affairs. The charity itself employs two staff, one full time and one-part time. The group overall employs thirteen staff, 6 are full time and 7 are part time, who are engaged in charitable activities, finance and day to day administration.

Objectives and activities

The objectives of First Fruit are:

- 1 The advancement of the Christian Faith: This is done through teaching and training, and releasing people's skills to serve others as a demonstration of the churches' mission in the world and encouraging churches to work together to achieve this.
- 2 The advancement of education and the relief of poverty of people in needy circumstances: this involves providing assistance and training for the development of skills in coping with life and employment.

First Fruit has been pursuing these objectives through the running of homeless hostels, social enterprises and developing the network of churches. The aim in each of these areas is to provide a sense of security and belonging to develop basic work and domestic disciplines within a supported and caring but commercial environment. The work with the network of churches encourages Christians to pray and work together in every sphere of life to make a difference and bring the transforming love of God to the people and community of Newham and East London. Social enterprises are run through First Fruit, housing through Just Homes and the work with churches through an associated charity Transform Newham.

First Fruit's social enterprises are dependent on the work of volunteers. Apart from trustees First Fruit does not receive significant donations in kind or other intangible income.

Public Benefit

The charity aims to provide a variety of accommodation and support provisions for a spectrum of people falling under the homeless, unemployed and/or with a history of drug and alcohol abuse, women with young children with no recourse to public funds and families in low income brackets. The charity considers the provision of accommodation and support to the above client group and activities contributes to public benefit. Between the various projects the charity has the ability to provide accommodation based support to 48 and up to 12 women. During the course of the year, we have bought and refurbished a house for our men's work increasing our capacity from 48 to 56 for single homeless men for the period starting April 22. We also secured the places for our women's work by purchasing half one of the properties presently used for our women's work. The social enterprises also reached out to supporting between 10 to 15 voluntary work placements.

The trustees have had due regard to the Charity Commission's guide on public benefit in planning activities for the year.

**REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31ST MARCH 2022**

Achievements and performance

The social enterprises bore the brunt of the negative impact of lock down periods and have struggled to get back to post covid levels of activities. Although we re-opened Aspire post lock down and has been operating safely, we have not been able to bring operations back to pre-covid or sustainable levels. Hence the trustees are taking the decision to close Aspire at the end of the financial period of March 22.

We have had better results with Natural Harvest. On the positive front, since May 21 we have been working safely and slowly working at getting back to normalcy. Operating safely and abiding by social distancing measures does mean will be able to support fewer number of volunteers at any given point of time. However the operations levels are increasing and the income is getting back to pre covid levels.

Just Homes Charity stepped up to the mark and provided a commendable service right through the pandemic. We are operating safely having made some major adjustments to the layout of our buildings and facilities. We have revised the way we provide support and also made the support we deliver to cater to the post covid world with a focus on enabling residents to access and operate safely online.

Men's work: Over the course of the year we have supported 91 clients of which we moved on 35 men from our projects. In spite of very difficult circumstances presented by covid, we have been fairly successful in moving on residents. We have spent considerable effort in supporting our residents to adapt to the post covid world. Clients have been supported to gain electronic equipment and trained to access essential online services. Of the 35 that moved on 12 have moved on with employment, 16 moved into privately rented accommodation and 9 returned to friends and family. While with us 8 took up formal education and training, 5 took up work placements either with First Fruit group of projects or with external providers. last year we had a 99.6% occupancy rate.

Women's work: last year we have supported 19 adults and 22 children through our women's work. We have now developed a wide network of agencies to support these women in addition to the support we provide. 7 mothers and their 7 children moved on from our services last year. 4 were accommodated through the Housing Office and 3 were supported by Social Services to find move on accommodation.

Through our network of local partners we were able to offer counselling services to our women. This has proved to be a great benefit to the women as most of them have had a horrendous past and have been struggling to deal with the trauma. We were also able to access 15 hours of free childcare for some of the toddlers in our care. The networking has also enabled us to offer free parenting skills learning opportunities to our women clients. We have been able to provide laptops to each house enabling residents to access training on line and also participate in e-meetings.

In spite of everything, last year has been a very successful year in terms of proving our resilience and of staff and residents joining ranks and working together. Together we adapted to the pandemic environment and also managed to provide relevant support to clients both on our men's and women's work.

Other events

We have sadly decided to close Aspire East London as a post year end action. The pandemic seriously affected the business, and it was felt that it was no longer financially viable or safe to operate in the post pandemic environment.

Purchase of property 1. First Fruit Charity purchased half of one of the properties that is presently being used for our women's work. The landlord had given the charity advance notice to enable the charity to secure funds and purchase the property. The purchase was completed in the financial year ending March 22. The funds were taken from First Fruit Charity's reserves. This action has enabled FF group to secure the property for our work into the future.

Strategy to address end of lease on Property 2. This property currently used as men's hostel is reaching the end of the present lease on the premises. As the landlord intends to redevelop the site we are due to give the property back to the landlord in March 23. First Fruit has secured a mortgage with Charity bank with a view to replace this building with two smaller houses of our own. (One property is being replaced by 2 as we cannot find a single property with of the desired size within our local area) During the financial year 21 to 22 the first of these properties were purchased and refurbished. The property has a capacity to house 8 single men. The property started its occupancy on 1st of April 2022. As a post year end activity the second property has also been purchased and is currently being refurbished. The second property is expected to be ready for occupancy in time for when the lease ends in March 23.

The trustees are working hard to maintain our capacity and we continue provide supported accommodation in Newham.

For clarity the properties will be purchased by First Fruit and with the intention of Just Homes Charity providing accommodation-based support from these premises.

**FIRST FRUIT
(A COMPANY LIMITED BY GUARANTEE)**

**REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31ST MARCH 2022**

Financial Review

The First Fruit Group has a consolidated free cash reserve of £963,662 before long term liabilities. Just Homes the Housing arm continues to be the main activity of the charity.

During the course of the financial year 21 to 22, First Fruit Charity has negotiated a further mortgage with Charity Bank. This additional mortgage enables First Fruit Charity to purchase 2 properties and together address the potential loss of accommodation provision in Just Homes Charity. In 21 to 22 financial year, the first of the two properties were purchased and refurbished. The property was ready for occupancy on the 1st of April 22. This first property of 8 bed spaces, is now being managed by Just Homes Charity and operating at full capacity as a post year action. As another post year end activity, First Fruit charity has now purchased the second property. The property is currently being refurbished. It is expected that the second property will be ready for occupancy by the end of the 22 to 23 financial year.

Being an accommodation based provider of support it is in the interest of the charity to own its own accommodations facilities. We have also invested in improving the facilities of our accommodation provisions.

In the financial year 21 to 22 First Fruit Charity has also purchased half of a property that is currently being used for its women's work. The money for the purchase has come from the reserves of the charity. Since we have had advance notice from the landlord of his intention to sell, the charity had time to build up reserves to purchase the property.

Both Natural Harvest and Aspire have suffered adversely due to the covid crisis and have been facing an uncertain future since March 2020. However Natural Harvest is on a positive curve and we believe will stabilise in time. However the future for Aspire looks bleak and the trustees have taken the decision to close Aspire.

Risk Management

The trustees have reviewed the major risks to which the charity is exposed and are satisfied that systems are in place to mitigate those risks.

The above report is prepared in accordance with the special provisions within Part 15 of the Companies Act 2006 relating to small companies.

Management accounts are examined at every trustees meeting. During the year the trustees have carried out a review of the Charity's internal financial controls and checked that separate funds are accounted for and reported correctly in the accounts. The accounts presented are complete set of accounts. The Trustees are of the opinion that First Fruit group is a going concern and is in a financial position to settle outstanding invoices, bills and commitments as and when they fall due. The reserves levels of the charity and group were also examined during the course of the year and the trustees are happy with the levels of reserves.

**FIRST FRUIT
(A COMPANY LIMITED BY GUARANTEE)**

**REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31ST MARCH 2022**

Statement of Director's responsibilities:

The Trustees (who are also directors of First Fruit Charity for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

DISCLOSURE OF INFORMATION TO AUDITORS

Each of the persons who are Trustees at the time when this Trustees' report is approved has confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the charitable company's auditors are unaware, and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charitable company's auditors are aware of that information.

I approve the attached statement of financial activities and balance sheet for the year ended 31 March 2022, and confirm that I have made available all information necessary for its preparation.

Approved by order of the members of the board of Trustees on 13 December 2022 and signed on their behalf by:

Mrs C Baby

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF FIRST FRUIT

OPINION

We have audited the financial statements of First Fruit (the 'parent charity') and its subsidiaries (the 'group') for the year ended 31 March 2022 set out on pages 10 to 24. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements

- give a true and fair view of the state of the group's and of the parent charitable company's affairs as at 31 March 2022 and of the group's incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the group's or the parent charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

**FIRST FRUIT
(A COMPANY LIMITED BY GUARANTEE)**

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF FIRST FRUIT

OTHER INFORMATION

The Trustees are responsible for the other information. The other information comprises the information included in the Annual report, other than the financial statements and our Auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' report is inconsistent in any material respect with the financial statements; or
- the parent charitable company has not kept sufficient accounting records; or
- the parent charitable company financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit

RESPONSIBILITIES OF TRUSTEES

As explained more fully in the Trustees' responsibilities statement, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the group's and the parent charitable company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the group or the parent charitable company or to cease operations, or have no realistic alternative but to do so.

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

We have been appointed as auditor under section 151 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

**FIRST FRUIT
(A COMPANY LIMITED BY GUARANTEE)**

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF FIRST FRUIT

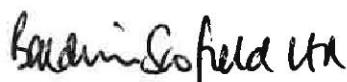

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the charitable company and determined that the most significant are those that relate to the reporting framework in conformity with the requirements of the Companies Act 2006, Charities Act 2011 and the relevant direct and indirect tax compliance regulations in the United Kingdom.
- We understood how First Fruit Group is complying with those frameworks by making enquiries of management to understand how the charitable company maintains and communicates its policies and procedures in these areas and corroborated this by reviewing supporting documentation and minutes of meetings of those charged with governance.
- We assessed the susceptibility of the group's financial statements to material misstatement, including how fraud might occur by considering the risk of management override to be a fraud risk. In addition, we considered the risk of management override by sampling from the entire population of journals, identifying specific transactions which did not meet our expectations based on specific criteria and investigated these to gain an understanding and then agree back to source documentation.
- Based on this understanding we designed our audit procedures to identify noncompliance with such laws and regulations. Our procedures involved verifying that material transactions were recorded in compliance with Financial Reporting Standards in conformity with the requirements of the Companies Act 2006 and Charities Act 2011.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' report.

USE OF OUR REPORT

This report is made solely to the charitable company's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable company's trustees those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its trustees, as a body, for our audit work, for this report, or for the opinions we have formed.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST MARCH 2022**

1. Accounting Policies

1.1) Basis of Preparation

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

First Fruit meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

Consolidation

The group consolidated financial statements combine the results of the charitable company First Fruit and its subsidiary undertakings, Aspire Community Enterprise (East London) Ltd, First Fruit Trading Limited and Just Homes Charity.

The net income and expenditure result for the year dealt with in the accounts of the First Fruit Charity accounts was £503,512 (2021/20: £139,639).

1.2) Material prior period errors and changes to previous accounts

No material prior period errors have been identified in this accounting period and there have been no changes to previous accounts.

1.3) Preparation of accounts on a going concern basis

Preparation of the accounts is on a going concern basis. The Trustees are of the view that the level of reserves will support the charity going forward.

1.4) Income

Income is included in the Statement of Financial Activities (SOFA) when:

- the charity becomes entitled to the income;
- it is more likely than not that the trustees will receive the resources; and
- the monetary value can be measured with sufficient reliability.

1.5) Interest receivable

Interest on funds held on deposit is included when receipt is probable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

1.6) Grants and Donations

Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS 102 SORP).

1.7) Income Tax Recoverable

Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation. Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

1.8) Legacies

For legacies, entitlement is taken as the earlier of the date on which either: the company is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Trust that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the company has been notified of the executor's intention to make a distribution. Where legacies have been notified to the company, or the company is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

**FIRST FRUIT
(A COMPANY LIMITED BY GUARANTEE)**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST MARCH 2022**

1.9) Donated services and facilities

Donated services or facilities are recognised when the company has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use of the company of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS102), the general volunteer time of the Friends is not recognised and refer to the Trustees report for more information about their contribution. On receipt donated professional services and donated facilities are recognised on the basis of the value of the gift to the company which is the amount the company would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market, a corresponding amount is recognised in expenditure in the period of receipt.

1.10) Government Grants

The charity has not received any government grants in the reporting period.

1.11) Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the company and which have not been designated for other purposes. Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the company for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements. Investment income, gains and losses are allocated to the appropriate fund.

1.12) Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Support costs are those costs incurred directly in support of expenditure on the objects of the company and include project management carried out at centrally. Governance costs are those incurred in connection with administration of the company and compliance with constitutional and statutory requirements. Charitable activities and Governance costs are costs incurred on the company's educational operations, including support costs and costs relating to the governance of the company apportioned to charitable activities. Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

1.13) Offsetting

There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.

1.14) Tangible Fixed Assets

The value of assets donated to the charitable company is not reflected in the financial statements unless the value is specifically advised.

Tangible Fixed Assets costing more than £250 are capitalised and included at cost including any incidental costs of acquisition. Depreciation is calculated at a rate to write off the cost less estimated residual value of tangible fixed assets over its expected life. The rates used are:

A mortgage was taken out by First Fruit with Charity Bank in 2019, for a period of 25 years, carrying an interest rate of 3% above the Bank of England base rate, with the first drawdown of £400,000 on 4th July 2019. This was secured on the property situated at Plashet Grove, London.

A further drawdown of £1,002,118 was taken on 13th September 2021 and used to repay the earlier mortgage and also assist in the purchase of Browning Road, London. This mortgage is secured on the properties situated at Cumberland Road, Browning Road and (since June 2022) Carlyle Road, London.

14. CONTROLLING PARTY

The charity First Fruit is limited by guarantee, and is controlled by its board of trustees (directors).

15. TAXATION

The charity First Fruit is a registered charity (number 1066749) and is exempt from taxation in accordance with Part 10 of the Income Tax Act 2007; all expenditure is applied for charitable purposes and therefore has no liability to corporation tax. Any corporation tax payable by subsidiary companies on trading profits is computed and paid separately. Value Added Tax is not recoverable by the charity and is therefore included in the relevant costs in the SoFA.

**FIRST FRUIT
(A COMPANY LIMITED BY GUARANTEE)**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST MARCH 2022**

16. COMPANY STATUS

The charity First Fruit is a company limited by guarantee. The members of the charitable company include the trustees named on page 2. In the event of the charitable company being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

17. PENSION COMMITMENTS

The charity First Fruit operates a defined contributions pension scheme. The assets of the scheme are held separately from those of the company in an independently administered fund. The pension cost charge represents contributions payable by the company to the fund and amounted to £15,704 (2021/20: £15,708).

18. POST BALANCE SHEET EVENTS

The charity First Fruit purchased a property located in Carlyle Road, London to provide supported housing accommodation. The purchase price paid by the charity was £630,000, and the sale completed in June 2022. A legal charge entitling the Charity Bank was also filed with Companies House in June 2022.

The Directors of Aspire Community Enterprises (East London) Limited, (which is a subsidiary undertaking included in these financial statements, the Board of which is appointed by First Fruit) have sadly made the decision to close in 2022. The pandemic seriously affected the business and it was felt that it was no longer financially viable or safe to operate in the post pandemic environment.

19. LEASING COMMITMENTS

The annual commitments under non-cancelling operating leases and capital commitments are as follows:

	2022/21	
	£	
Rolling lease	165,360	per annum
Leases expiring within one to five years	-	per annum
Leases expiring in over 5 years	41,127	per annum
	<u>206,487</u>	

Rentals applicable to operating leases are charged to the SoFA over the period in which the cost is incurred. Assets purchased under finance leases are capitalised as fixed assets. Obligations under such agreements are included in creditors. The difference between the capitalised cost and the total obligation under the lease represents the finance charges. Finance charges are written off to the SoFA over the period of the lease so as to produce a constant periodic rate of change.

20. CONTINGENT LIABILITY

The charity First Fruit has become aware of a potential debt on withdrawal from the pension scheme in which they participate. The debt would only crystallise if all active members leave the Plan. Once the pension pot gets to a fully funded solvency position there would no longer be a debt on withdrawal payable should the members leave the Plan. The estimated employer debt on withdrawal from the Plan (as calculated by the Scheme Actuary) at 30th September 2021 is £3,238.
