**KASIM BIN MOHAMMED AL-THANI MAYFAIR
ISLAMIC CENTRE TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2022**

Trustees Report & Accounts for the year ended on 31 December 2022.

The Board of Trustees present their report, together with the audited financial statements of Kasim Bin Mohammed Al-Thani (the charity) for the year ended 31 December 2022.

The trustees confirm that the financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, applicable law, and the requirement of the Statement of Recommended Practice (SORP FRS 102), "Accounting and Reporting by Charities" (effective January 2016) and in accordance with the Charities Act 2011.

Structure, governance, and management:

The charity was formed by a trust deed dated 6 November 1998 and registered on 7th April 1999.

Under the terms of the Trust deed, the trustees are appointed to the board of trustees and there are currently five (5) trustees (Dr. Mohamad Al Kaabi resignation of the health treatment at 25 of July 2021).

On the appointment of trustees, they are given a copy of the charity's constitution to read and fully understand to ensure that they act in the furtherance of the charity's objectives.

They are also given various booklets issued by the charity commission to ensure that they understand the regulations governing the charity.

The Board of Trustees meets quarterly. Other ad hoc meetings and telephone conferences involving either the whole Board or selected members of the Board are also held as required. Office bearers – Chairman, Treasurer and CEO - are responsible for the day to day running of the charity and manage the staff and volunteers of the charity on behalf of the trustees.

Risk management:

The Trustees have assessed the risks the charity faces and have drawn up a risk matrix which identifies the major risks by area of activity, the nature of those risks, the likelihood of those risks happening, and the measures taken to manage them. The trustees review this risk matrix from time to time.

The trustees are satisfied that systems are in place, or arrangements are in hand, to manage the risks that have been identified. Insurance cover is in place and the finances of the Mosque are kept under review. Appropriate Disclosures DBS checks, supported by regularly reviewed policies, are made for all those who work with children or other vulnerable groups within the Mosque or community centre.

Strategies:

We want to make our centre an accessible and welcoming venue where all Muslims, or those who wish to know more about our faith, can gather to learn about the religion and worship. An important part of our strategy is community welfare and education. All our community facilities and activities welcome the participation of all in our local community, Muslims, and non- Muslims alike.

Most of our activities are free and supported by donations or grant funding. Where a charge is made, concessions are made for students, people on means-tested benefits and pensioners.

We also endorse interfaith dialogue with other religious groups to clarify misconceptions, finding common ground, and enhancing civil society through promoting harmony and common values.

Our values

Transparency by communicating internally and externally with unwavering people, honesty, and respect.

Integrity: We act transparently with our mission, being honest and transparent in what we do and say. We openly collaborate in pursuit of the truth. We have no tolerance for politics, hidden agendas, or passive-aggressive behaviour.

Respect: We affirm the dignity, potential and contribution of participants, donors, partners, staff, and volunteers.

Partnerships: We always aim to work to serve the wider community.

Quality: We constantly challenge ourselves to the highest levels of learning and performance to achieve greater impact.

Objectives of the charity:

- 1) To provide a religious place of worship in the locality of London to advance and promote the knowledge of the religion of Islam for the public benefit.
- 2) To advance education of Muslims.
- 3) To provide facilities for the establishment of a library and resource centre for the promotion of Islamic education.
- 4) To relieve poverty within the Muslim community.

Our objectives are set to reflect our faith and community aims. Our dual aims to remain to provide a facility where Muslims can worship and to provide a community facility for all the inhabitants of in the locality of London.

It also aims to advance the education of Muslims and to relieve poverty within the Muslim community. The policies adopted in furtherance of these objectives are shown in the review of activities below, and there has been no change in these during the year.

Public benefit statement:

The charitable objective of Mayfair Islamic Centre set out in its Memorandum and articles of association is to advance and promote the knowledge of the religion of Islam for the public benefit.

The Trustees have considered how our work may most effectively further our charitable objectives for the benefit of the public and have had regard to the charity commissions guidance on public benefit when reviewing the aims and objectives of the charity and planning future activities.

Review of activities:

Activities and achievements:

The charity carries out a wide range of activities in pursuance of its charitable aims. The trustees consider that these activities provide benefit both to those who worship at our Mosque and the wider community of Westminster and surrounding areas.

Religious activities:

Our Mosque provides a centre for prayers and worship and for the activities associated with our faith. During the year under review, we offered a range of religious services and activities including:

Prayers: The Mosque is open all day for daily and Friday prayers. During the week we have hundreds of people who regularly attend daily prayers and around 500 who regularly attend Friday and Ramadan prayers. Due to Covid-19 in the beginning of year 2021 we had to adapt to safety measures including social distancing and even close the Mosque during the lockdown.

The reading of the Quran and Hifz: Reading and memorisation of the Quran are considered an important element of religious education and training.

Community activities:

Festivals: The Mosque prepares food during the month of Ramadan for those attending our Mosque who wishes to break their fast together. Eid El ADHA was also celebrated at the Mosque with a family day. During this year because of the Pandemic, we did not open for Ramadan and no activities took place.

Food Parcels: The Mosque Provided about 500 food parcels to the most vulnerable in the local community and have set up a helpline for counselling and bereavement support; and initiated a campaign in the Mayfair area to educate the community about the importance of social distancing.

Nikkah: The Mosque provides Muslim couples with an appropriate location for Nikkah (Islamic marriage). Subject to civil registration. The charity completed many marriage contracts and acted as mediators in divorce cases under Sharia Law. It also acted as a mediator to help resolve family disputes in many cases.

Lectures and Study circles: The Mosque organises weekly lectures and study circles for its community in a daily basis on issues related to the religion of Islam, also, from time to time we invite guests and Scholars to give lectures on different topics of Islam. During this year because of the Pandemic, we did not have this activity from the beginning of year 2021.

Weekend School: The charity supports financially, AL Najah Educational Project Ltd, a company limited by guarantee which was formed for the sole purpose, of running a Weekend school for Arabic and extra curriculum activities at Hampstead School, Westbere Road London, NW2 3RT.

Nadi Park Royal: The charity also financially supports Nadi PR Ltd a company Limited by guaranteed number 11106630 which was formed for the purpose of running sports and youth activities at 260 old Oak Common Lane NW10 6DX.

Financial Assistance:

The Charity no longer makes donations to other charities, instead, larger fees were paid to Al Najah Educational Project Ltd and Nadi PR Ltd to carry out charitable activities on behalf of the charity

Reserve's policy:

It is the policy of the charity that unrestricted funds which have not been designated for a specific use will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. They consider the minimum level of reserves will be equivalent to at least six months.

In calculating the charity's reserves, the trustees have deducted from the total of unrestricted funds.

Tangible fixed assets as shown in the financial statements; this leaves free reserves of £313,752 (2021: £385,799).

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) Which gives me reasonable cause to believe that in any material respect the requirements: a) to keep accounting records in accordance with section 140 of the 2011 Act; and b) to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met; or
