## INDEPENDENT EXAMINER'S REPORT

### TO THE TRUSTEES OF BOSPHORUS FOUNDATION

---

I report to the Trustees on my examination of the financial statements of Bosphorus Foundation (the charity) for the year ended 31 December 2022.

#### **Responsibilities and basis of report**

As the Trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

## NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED 31 DECEMBER 2022

---

#### 1 Accounting policies

##### Charity information

Bosphorus Foundation is a registered charity (number: 1077448) established on 17th September 1999. The registered office is 3rd Floor, 201 Haverstock Hill, London, NW3 4QG.

##### 1.1 Accounting convention

The accounts have been prepared in accordance with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective from 1 January 2019). The charity is a public benefit entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

##### 1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

##### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

##### 1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

##### 1.5 Resources expended

Liabilities are recognised as expenditure once there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accrual basis. All expenses, including support costs and governance costs, are allocated to the one charitable activity in the statement of financial activities.

Grants payable are payments made to third parties in the furtherance of the charitable objects of the charity. In the case of an unconditional grant offer this is accrued once the recipient has been notified of the grant award. The notification gives the recipient a reasonable expectation that they will receive the one year or multi-year grant.

Provisions for grants are made when the intention to make the grant has been communicated to the recipient but there is uncertainty as to the timing of the grant or the amount of grant payable.

Irrecoverable VAT is charged against the expenditure heading for which it is incurred.
